The Last Disciple Collection: The Last Disciple / The Last Sacrifice / The Last Temple Hank Hanegraaff, Sigmund Brouwer, 2017-08-08 This collection bundles together all 3 of the thrilling Roman historical novels by Hank Hanegraaff and Sigmund Brouwer into one e book for a great value 1 *The Last Disciple* First century Rome is a perilous city as Nero stalks the political circles and huddled groups of believers To be safe Christians must remain invisible Gallus Sergius Vitas is the only man within Nero's trusted circle willing to do what it takes to keep the empire together He struggles to lessen Nero's monstrosities against the people of Rome especially the Christians But as three Greek letters are scrawled as graffiti throughout the city Nero's anger grows As the early church begins to experience the turbulence Christ prophesied as the beginning of the last days an enemy seeks to find John's letter Revelation and destroy it Meanwhile the early Christians must decipher it and cling to the hope it provides as they face the greatest of all persecutions 2 *The Last Sacrifice* Helius Nero's most trusted adviser anticipates the death of his sworn enemy the legendary warrior Gallus Sergius Vitas scheduled to die a gruesome death in the arena However the badly beaten man who appears in the amphitheater is not who he seems Rescued by a stranger and given a mysterious scroll Vitas is told he must decipher this letter to find the answers he needs a letter that Helius is also determined to decipher and to keep hidden from Nero As Nero's reign of terror grows so does his circle of enemies 3 *The Last Temple* Set in the turbulent years just before one of the most horrendous events in Jewish history *The Last Temple* concludes the trilogy of *The Last Disciple* and *The Last Sacrifice* Vitas is reunited with his wife and retires to Alexandria determined to live a quiet domestic life But he can't avoid the debts that he owes to the men who saved him and he becomes a key figure in the plot to rid the empire of Nero It sweeps him into the year of four emperors when the Roman Empire is nearly destroyed and takes him back to Jerusalem as Titus lays siege to the great city Only then as the prophecy of Jesus begins to unfold does Vitas discover the true mission set before him and the astounding conspiracy behind it **The Eternal Sacrifice: The Genesis Readings for Great Lent** Fr. Steven Allen, 2019-02-27 *The Eternal Sacrifice* appeared originally in Fr Steven's blog Orthodox Truth as a series of daily commentaries on the passages from Genesis read at Vespers every weekday of the Orthodox Great Lent The present volume provides the texts of the Scripture readings themselves along with the author's commentary which aims at giving an authentic patristic reading of the text while providing contemporary advice to the Orthodox layman living in the world Not only Eastern Orthodox readers however but also Eastern Rite Catholics who follow the Byzantine lectionary as well as all those who seek life changing truth in the Scriptures will find *The Eternal Sacrifice* an engaging and accessible invitation to go more deeply into the first book of the Bible *The Christian Sacrifice ... The Eighth Edition, Corrected* Simon PATRICK (successively Bishop of Chichester and of Ely.), 1685 **Sacrifice Unveiled** Robert J. Daly, 2009-06-13 Offers a new understanding of sacrifice as a response to love and an entering into the self giving life of God **Theology and the First Theory of Sacrifice** Ivan Strenski, 2003-11-01 Are social scientific theories

and confessional theologies of sacrifice equally well suited as public discourse about religion The French liberal Protestant theologians of the 5th Section of the cole Pratique and the French doyen of sociology mile Durkheim and his two main followers Henri Hubert and Marcel Mauss engage in a struggle over the proper approach to sacrifice in the public university The Durkheimians argued that theological language and assumptions were inappropriate for this purpose because of their confessional allegiances Another approach to sacrifice free of confessional entanglements was required This is what Hubert and Mauss sought to provide in the *Sacrifice Its Nature and Function* Aquinas's *Summa Theologiae* and *Eucharistic Sacrifice in the Early Modern Period* Reginald M. Lynch, Reginald M Lynch O P, 2024-03-24 A study of the reception history of Thomas Aquinas s account of eucharistic sacrifice during the sixteenth and early seventeenth centuries The Āśrama System Patrick Olivelle, 1993 The lesser known and explored of the two pillars of Hinduism rama and var a rama is the name given to a system of four distinct and legitimate ways of leading a religious life as a celibate student a married householder a forest hermit and a world renouncer In this the first full length study of the rama system Olivelle uncovers its origin and traces its subsequent history He examines in depth its relationship to other institutional and doctrinal aspects of the Brahmanical world and its position within Brahmanical theology and assesses its significance within the history of Indian religion Throughout he argues that the rama system is primarily a theological construct and that the system and its history should be carefully distinguished from the socio religious institutions comprehended by the system and from their respective histories

Nationalism and the Israeli State Don Handelmann, 2020-06-11 National festivals Military parades Patriotic memorials Such public events and tributes naturally

bring to mind the idea of nationalism But what is the cultural logic behind them How does a country such as Israel facilitate state related public events as enactments of nationalism To answer these questions renowned anthropologist Don Handelman unpacks the meaning of national ritual and symbol in Israel today He argues that public events mirror social order a mirror that reflects to its participants and audiences the message that the designers of such events wish to communicate Handelman considers the meaning of Holocaust and military memorialism and he investigates the role of holiday celebrations especially how they affect young children first learning about their country Analyzing state ceremonies such as Holocaust Remembrance Day for the war dead and Independence Day he notes the absence of minorities and examines their significance in the promotion of a national identity He also looks at how Israel exports powerful symbols of statehood Throughout Handelman develops his theory of bureaucratic logic as the driving force behind expressions of nationalism in the modern state He argues that bureaucratic logic has a much wider cachet than simply functioning as a way of thinking only about bureaucratic institutions The logic is crucial to how these institutions function but more so it is a dominant force in forming modern state social order Bureaucratic logic is used incessantly to invent and to modify all kinds of systems of classification that often have profound consequences for individuals and for groups and that are ritualized powerfully through a host of state related public events

The Golden Bough James George Frazer, 2005-12-01 The notion of a man god or of a human being endowed with divine or supernatural powers belongs essentially to that earlier period of religious history in which gods and men are still viewed as beings of much the same order and before they are divided by the impassable gulf which to later thought opens out between them Strange therefore as may seem to us the idea of a god incarnate in human form it has nothing very startling for early man who sees in a man god or a god man only a higher degree of the same supernatural powers which he arrogates in perfect good faith to himself from Chapter VII Incarnate Human Gods In 1890 James George Frazer began publishing The Golden Bough his monumental study of myth ritual and religion which would by 1936 run to 13 volumes and establish him as a pioneer in the study of religion as an aspect of culture This abridged edition assembled in 1922 condenses this fundamental work to one readable volume that is still a source for modern anthropology thanks to its expansive discussions ancient cultish practices and their connections to the rites of modern Christianity In eloquent prose Frazer discusses legends of the woods sympathetic magic magicians as kings the worship of trees the concept of the sacred marriage the links between priestly and royal power ritual royal sacrifices the concept of eating the god the myths of Osiris Adonis Isis and other ancient deities and much more Lovers of mythology will be enraptured by this book which draws all of human belief under one unifying umbrella celebrating myth and ritual as part of the basis of all human culture Scottish anthropologist SIR JAMES GEORGE FRAZER
