Secrets Of The Still

**United States. Congress. Senate.
Committee on the Judiciary**

Secrets Of The Still:

Secrets Sissela Bok, 1989-12-17 The author of *Lying* shows how the ethical issues raised by secrets and secrecy in our careers or private lives take us to the heart of the critical questions of private and public morality **Secrets, Gossip, and Gods** Paul Christopher Johnson, 2002-08-15 In this wide ranging book Paul Christopher Johnson explores the changing hidden face of the Afro Brazilian indigenous religion of Candomblé Despite its importance in Brazilian society Candomblé has received far less attention than its sister religions Vodou and Santería Johnson seeks to fill this void by offering a comprehensive look at the development beliefs and practices of Candomblé and exploring its transformation from a secret society of slaves hidden persecuted and marginalized to a public religion that is very much a part of Brazilian culture Johnson traces this historical shift and locates the turning point in the creation of Brazilian national identity and a public sphere in the first half of the twentieth century His major focus is on the ritual practice of secrecy in Candomblé Like Vodou and Santería and the African Yoruba religion from which they are descended Candomblé features a hierarchic series of initiations with increasing access to secret knowledge at each level As Johnson shows the nature and uses of secrecy evolved with the religion First secrecy was essential to a society that had to remain hidden from authorities Later when Candomblé became known and actively persecuted its secrecy became a form of resistance as well as an exotic hidden power desired by elites Finally as Candomblé became a public religion and a vital part of Brazilian culture the debate increasingly turned away from the secrets themselves and toward their possessors It is speech about secrets and not the content of those secrets that is now most important in building status legitimacy and power in Candomblé Offering many first hand accounts of the rites and rituals of contemporary Candomblé this book provides insight into this influential but little studied group while at the same time making a valuable contribution to our understanding of the relationship between religion and society *Secrets and Wives* Sanjiv Bhattacharya, 2013-07-01 What do we really know about modern practicing polygamists not fictional ones like the Henrickson family on HBO's *Big Love* We've seen the Fundamentalist Church of Jesus Christ of Latter Day Saints in the news the underage brides in pioneer dresses on a Texas ranch But the FLDS is just one of many groups that have broken with mainstream Mormonism to follow those parts of Joseph Smith's doctrine disavowed by the LDS Church Gaining unprecedented access to these communities journalist Sanjiv Bhattacharya reveals a shadow country teeming with small town messiahs dark secrets and stories both heartbreaking and strange Polygamy's dark side incest forced marriages and physical abuse is laid bare But Bhattacharya also finds warmth in the fundamentalist diaspora and even finds himself taking an ideological stand for polygamy's legalization More than just an expose of Mormon polygamy *Secrets and Wives* is the personal journey of a foreign atheist and liberal a stranger in a strange land who grapples with hard questions about marriage monogamy and the very nature of faith Parliament's Secret War Veronika Fikfak, Hayley J Hooper, 2018-02-22 The invasion of Iraq in 2003 and the Coalition Government's failure to win parliamentary approval for armed intervention in

Syria in 2013 mark a period of increased scrutiny of the process by which the UK engages in armed conflict For much of the media and civil society there now exists a constitutional convention which mandates that the Government consults Parliament before commencing hostilities This is celebrated as representing a redistribution of power from the executive towards a more legitimate democratic institution This book offers a critical inquiry into Parliament's role in the war prerogative since the beginning of the twentieth century evaluating whether the UK's decisions to engage in conflict meet the recognised standards of good governance accountability transparency and participation The analysis reveals a number of persistent problems in the decision making process including Parliament's lack of access to relevant information government legalisation of parliamentary debates which frustrates broader discussions of political legitimacy and the skewing of debates via the partial public disclosure of information based upon secret intelligence The book offers solutions to these problems to reinvigorate parliamentary discourse and to address government withholding of classified information It is essential reading for anyone interested in war powers the relationship between international law and domestic politics and the role of the Westminster Parliament in questions of national security

Practical Social Work Ethics Malcolm Carey, Lorraine Green, 2013 This is the first text of its kind to deal exclusively with applied social work ethics It focuses on an eclectic mix of difficult moral questions or issues encountered in much modern day practice It is therefore not theoretically driven with some practical elements attached but is instead is a practice based book where any theory introduced is linked to tangible practice situations It is also thought provoking controversial in parts and always engaging With a focussed and clear writing style this book will be of interest to all social work students and practitioners interested in the practical yet complex moral ramifications of their applied role

House of Christmas Secrets Lynda Stacey, 2017-12-05 A mystery adds to the chill of the holidays as an enigmatic family gathers to celebrate the season and discovers that no secrets can be hidden forever Last year's Christmas at Wrea Head Hall didn't quite go as planned So Jess Croft is determined this festive season will be one to remember And she has plenty of reasons to be hopeful She's going to marry the man of her dreams Jack Stone just a week after New Year's Eve However as family confidences are revealed in hidden letters and two unexpected guests turn up on the doorstep Jess is left not only wondering what happened to her Christmas dreams but whether her life will ever be the same again Can Jess and Jack still have the peaceful holiday season they imagined or are there some problems that even Christmas can't fix

Trade Secrets Legal Protection Luc Desautettes-Barbero, 2023-06-10 Despite the economic relevance of trade secrets their legal protection is not based on a robust theoretical corpus and a large uncertainty remains regarding how they should be legally apprehended The present book investigates the foundations of their legal

protection by assessing its justifications and aims to define how this legal apprehension should be organized The book starts with a comparative analysis of the US and the EU legal frameworks It demonstrates the parentship existing between the two systems of protection and highlights that the incremental structuring of trade secrets protection has led to legal systems lacking broad based conceptual foundations In both legal orders trade secrets rely on blurred protection formally anchored in unfair competition the strength of which however comes closer to that offered by intellectual property law In this convoluted architecture the judiciary is required to play a decisive role especially at the enforcement stage However the absence of clarity concerning the telos of trade secrets protection leads to legal uncertainty potentially incoherent enforcement and all in all to inefficient outcomes from a welfare perspective The book then explores a theoretical framework based on a distinction between two legal objects the undertakings secret sphere and secret pieces of information Securing the undertakings secret sphere appears as a condition for the competition process to happen in an economy working under structural uncertainty It requires objective regulations enforced by public authorities On the other hand the legal apprehension of secret pieces of information should be considered as falling within the realm of immaterial goods regulation aiming to solve the deficit of marketability of this type of good This might call after conducting a careful policy trade off for the establishment of relative i e inter partes subjective rights

The Secret of Mental Magic William Walker

Atkinson,1907 Dangerous Secrets. A novel ,1815 Secrecy and Disclosure in Victorian Fiction Leila Silvana

May,2016-07-15 Why were the Victorians more fascinated with secrecy than people of other periods What is the function of secrets in Victorian fiction and in the society depicted how does it differ from that of other periods and how did readers of Victorian fiction respond to the secrecy they encountered These are some of the questions Leila May poses in her study of the dynamics of secrecy and disclosure in fiction from Queen Victoria s coronation to the century s end May argues that the works of writers such as Charlotte Bront William Makepeace Thackeray Mary Elizabeth Braddon Edward Bulwer Lytton and Arthur Conan Doyle reflect a distinctly Victorian obsession with the veiling and unveiling of information She argues that there are two opposing vectors in Victorian culture concerning secrecy and subjectivity one presupposing a form of radical Cartesian selfhood always remaining a secret to other selves and another showing that nothing can be hidden from the trained eye May calls the relation between these clashing tendencies the dialectics of secrecy and disclosure May s theories of secrecy and disclosure are informed by the work of twentieth century social scientists She emphasizes Georg Simmel s thesis that sociality and subjectivity are impossible without secrecy and Erving Goffman s claim that sociality can be understood in terms of performativity the presentation of the self in everyday life and his revelation that performance always involves disguise hence secrecy May s study offers convincing evidence that secrecy and duplicity in contrast to the Victorian period s emphasis on honesty and earnestness emerged in response to the social pressures of class gender monarchy and empire and were key factors in producing both the subjectivity and the sociality that we now recognize as Victorian

Hearings, Reports and Prints of the Senate Committee on the Judiciary United States. Congress. Senate. Committee on the Judiciary, 1954 **Committee Prints** United States. Congress. Senate. Committee on the Judiciary, 1947 Summary of Zero to One , 2025-08-31 Book Summary Zero to One Notes on Startups or How to Build the Future by Peter Thiel In Zero to One entrepreneur and investor Peter Thiel challenges conventional thinking about innovation and business growth He argues that real progress happens not by copying what already exists going from 1 to n but by creating something entirely new going from 0 to 1 Drawing from his experience building groundbreaking companies Thiel emphasizes the importance of independent thinking unique business models and bold innovation beyond Silicon Valley This book encourages leaders and entrepreneurs to escape competition discover untapped opportunities and shape the future by building truly original ventures Disclaimer This publication is a summary and analysis of Peter Thiel s Zero to One It is not the original book and should not be considered a substitute for reading the complete work The content provided is for educational and informational purposes only *The Secret Legacy of Inner Earth* Robert J Dornan, 2025-06-12 What if everything you ve been told about the structure of our planet is only the surface of the truth The Secret Legacy of Inner Earth is a bold immersive journey through the world s most haunting myths forbidden theories and veiled histories all pointing toward one chilling possibility that beneath our feet lies a realm untouched by modern civilization yet deeply entangled with its origins From ancient texts and sacred legends to military secrets and seismic enigmas this book unravels a mystery that spans continents and centuries Enter the Tibetan legends of Agartha the Norse and Greek visions of underworld realms and the occult whispers found in esoteric religions Walk in the footsteps of explorers who vanished seeking hidden entrances Examine the strange anomalies that science cannot fully explain and the institutions that may be hiding the truth In seven gripping parts The Secret Legacy of Inner Earth explores The echoes of subterranean worlds in sacred scriptures and myth Secret gateways hidden in the ice caves and deserts of our world Advanced civilizations said to thrive in peace below Connections between Inner Earth UFOs and interdimensional travel The Nazi obsession with underground realms and their chilling expeditions How art architecture and culture may hold encoded maps to the world beneath The psychological hunger to believe and the question what if it s not belief but memory Featuring a fictional interview with an alleged Inner Earth witness never before seen map comparisons and timelines of cover ups and conspiracies this book is a treasure trove for truth seekers skeptics and those who sense that Earth holds more secrets than science admits Whether you see Inner Earth as myth metaphor or mystery waiting to be proven one thing is clear some truths were buried for a reason Dare to go deeper The world beneath is calling **Science and Nature** Carolyn Merchant, 2017-11-07 Science and Nature brings together the work and insights of historian Carolyn Merchant on the history of science environmental history and ethics The book explores her ideas about the interconnections among science women nature and history as they have emerged over her academic lifetime Focusing on topics such as The Death of Nature the Scientific Revolution women in the history of science and

environment and partnership ethics it synthesizes her writings and sets out a vision for the twenty first century Anyone interested in the interactions between science and nature in the past present and future will want to read this book It is an ideal text for courses on the environment environmental history history of science and the philosophy of science **Iyami Osoronga: Divine Femininity** Chief Fagbemileke Fatunmise,2013-02-28 It is my prayer that all of you who read this text will be truly blessed as well as inspired I appeal to you to learn the names of The Ancient Ancestral Mothers and be blessed for they promised they will bless anyone who knows their names any one who call their names they will bless any one who doable put their Ori Head to the ground or floor in honor of them and receive your blessings Do these things for all nations and generations know of them I am in hopes that each of you will have a deeper insight and appreciation of Divine Feminine Energy DFE the Universal Ase of all existence This is your opportunity to rise to another spiritual dimension and excel above Earthly Trappings Give thanks to Yeye Osun for she is the first Iyami She houses the Divine Feminine Energy in her sacred cauldron i e womb **The Crossroads of Truth** J.Y. Lilly,2016-02-22 The Crossroads of Truth is the second book in the A Shard of History series Wizards Giants Shadow Dwellers magic and a misunderstood foreshadowing Crossroads of Truth leads the reader on an exciting ride to a stunning revelation What do the Ancients really want Eirian s life has not been as tranquil as she had hoped for living in Solveig and surrounded by those she loved Rather it has been full of the twists and turns of dark magic Will she be able to confront her internal fears and external threats to save her twins Broan s life has been forever changed after meeting Eirian He had been warned by an Ancient guardian to let her go but a warrior needs to follow his heart and resist the dire warnings of spirits
