Peter Selg s comprehensive presentation of Rudolf Steiner s life and work begins with Steiner s invitation to lecture in the Theosophical Society during the summer of 1900 From the outset of his theosophical involvement Steiner was resolved to serve and develop the Western path to the spirit traversed in full conscious clarity of thought He was therefore critical of the tendency to avoid the modern standards of a sound knowledge process in matters of spirituality and esotericism and instead emphasized the importance of idealist philosophy as groundwork for understanding spiritual cognition Whoever speaks of the coldness of the world of ideas can only think ideas not experience them Those who live the true life in the world of ideas feel in themselves the being of the world working in warmth that cannot be compared to anything else Rudolf Steiner Goethe s World View Although his approach did not always harmonize with theosophical pursuits Rudolf Steiner recognized the sincere striving at the basis of this movement and agreed to take on increasingly greater responsibility for the German Section Marie von Sivers who would later become his wife was his most supportive colleague during this time At a decisive

juncture Steiner broke from the Theosophical Society to found the Anthroposophical Society through which he would continue the development of modern spiritual science more freely in accord with his original intentions This volume covers the period during which Steiner wrote some of his foundational works Christianity as Mystical Fact Theosophy Knowledge of the Higher Worlds and An Outline of Esoteric Science Peter Selg also describes the building of the first Goetheanum in Dornach as an artistic embodiment of esoteric wisdom giving rise to an international working community as well as the performance of the mystery dramas and Rudolf Steiner's profound Christological lectures known as the Fifth Gospel The Spiritual Guidance of the Individual and Humanity Rudolf Steiner,1992-04 The spirit is very near Only turn ask and listen When her first book of guidance Turning was published anonymously in 1994 many readers responded gratefully to its message It quickly became one of those secret books of consolation that is passed from heart to heart In Becoming a treasury of meditations received in the soul Claire Blatchford leads us more deeply into a way of spiritual trust and confidence and will be a further source of growth and renewal for many in times of need Becoming is a wonderful gift for yourself or for a friend in need of inspiration and courage in life **Moses** Emil Bock,1986-09 Acknowledging his debt to Rudolf Steiner Bock draws a parallel between spiritual research and ancient texts to reveal the esoteric history of Moses He discusses cosmic history mythological history and human history and shows how all three stages constitute the path of our still evolving consciousness *The Essential Steiner* Rudolf Steiner,1996 The founder of the Waldorf Schools Rudolf Steiner exerted an immense influence on contemporary education literature art science and philosophy Robert McDermott offers selections from sixty of his published works Subject Index of the Modern Books Acquired by the British Museum in the Years ...
