Sects and Separatism During the Second Jewish Commonwealth Leila Leah Bronner, 1967 *The Tradition of the Elders* T. Hoogsteen, 2014-09-16 The Tradition of the Elders based on Matt 15 1 20 and Mark 7 1 23 explores how the oral law upheld and promoted the anti Christian forces of Pharisaism and Sadduceism As such they appear repeatedly in the New Testament documents often as the law and the works of the law For example consider When Gentiles who have not the law do by nature what the law requires they are a law to themselves even though they do not have the law Rom 2 14 We ourselves who are Jews by birth and not Gentile sinners yet who know that a man is not justified by works of the law but through faith in Christ Jesus even we have believed in Christ Jesus in order to be justified by faith in Christ and not by works of the law because by works of the law shall no one be justified Gal 2 15 16 Tell me you who desire to be under law do you not hear the law Gal 4 21 But which law do these legal references concern the Torah the oral law or the Decalogue This important distinction between the oral law and the Ten Commandments is what The Tradition of the Elders sets out to make clear All New Testament exegetes including teachers and students can benefit from an increased understanding of the enmity of the oral law against the Gospel embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% Jewish Backgrounds of the New Testament J. Several Jewish groups from Antiquity until today have been traditionally identified as sects or as sectarian most famously the Qumran community and the Qaraites This volume questions the appropriateness of this interpretation of social and religious movements in Jewish history *Proximity to Power and Jewish Sectarian Groups of the Ancient Period* Hillel

Newman,2006-10-31 This book deals with the values lifestyle and code of law of four Jewish sectarian groups in the Hellenistic and Roman Second Temple period in the land of Israel It reviews the groups according to their proximity to power highlighting the fact that political involvement has a decisive impact on the life and development of these social groups The groups under review the Pharisees Sadducees Essenes and Qumran receive a new historical description from the viewpoint of their proximity to power The issue of what determines the course of a social group whether normative or sectarian is discussed and the traditional terminology is re examined Original terminology is established The first part of the book deals with the question of terminology the available sources and the presentation of the different groups The Flourishing of

Jewish Sects in the Maccabean Era: An Interpretation Albert I. Baumgartner,2021-12-06 This volume asks why Jewish groups Sadducees Pharisees Essenes and the Dead Sea Scroll sect flourished during the Maccabean era It argues that such a result is uncommon requiring special explanation In the introduction sectarianism is defined and its varieties in Second Temple Judaism assessed Among the causes of the known results suggested are the encounter with an outside culture that seemed to be weakening the external national perimeter the impact of expanded literacy the move to the city from the farm as well as eschatological hope aroused by Maccabean victory In proposing these conclusions full advantage is taken of recently published Qumran sources such as 4QMMT The objective is to discover the connection between context and consequence which will explain why sectarianism was so prominent at that time **Separatist Christianity** David A. Lopez,2004-10 By

establishing the coherence and ubiquity of this separatist philosophy Lopez offers a fresh new interpretation of the history of the early church **A Jew to the Jews** David Rudolph,2016-10-21 David J Rudolph raises new questions about Paul's view of the Torah and Jewish identity in this post supersessionist interpretation of 1 Corinthians 9 19 23 Paul's principle of accommodation is considered in light of the diversity of Second Temple Judaism and Jesus example and rule of

accommodation **Scriptures, Sects, and Visions** Michael E. Stone, 2007-10-01 This short volume is at once a survey of recent particular discoveries which bid to transform our knowledge of Judaism in the Hellenistic Era and a synthesis of the history of Judaism The richness and freshness of Professor Stone's understanding of Judaism in the Hellenistic Age stems not only from his mastery of new lore it arises also from a broad and objective humanistic mind prepared to relinquish cherished but antiquated views and bold to make new constructions Frank Moore Cross Jr Hancock Professor of Oriental Languages Harvard University This work integrates the important finds of the past thirty years into a fresh picture of Second Temple Intertestamental Judaism its varieties its contacts with Gnosticism and Hellenism the ancient roots of its apocalyptic whose dynamic complexity was never before imagined a book widely learned yet readily accessible to the common reader Moshe Greenberg Professor of Bible Hebrew University of Jerusalem Professor Michael Stone's *Scriptures, Sects, and Visions* is not only an achievement in compactness but a welcome elucidation of new discoveries and reinterpretations essential to the understanding of postbiblical Judaism and the beginnings of Christianity Judah Goldin Professor of Oriental Studies University of Pennsylvania World Jewry, 1965 **Jewish Mysticism and Magic** Maureen Bloom, 2007-08-07 Providing a unique anthropological perspective on Jewish mysticism and magic this book is a study of Jewish rites and rituals and how the analysis of early literature provides the roots for understanding religious practices It includes analysis on the importance of sacrifice amulets and names and their underlying cultural constructs and the persistence of their symbolic significance

The Construction of Homosexuality David F. Greenberg, 2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg's careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1972 **The Understanding Scribe** David Orton, 2004-12-30 Matthew's sharpening of Jesus' attacks on the scribes and Pharisees is an embarrassment to many Christian interpreters and an outrage to some Jewish ones It is commonly alleged that Matthew in fact has no particular knowledge of distinctions between the Jewish leadership groups In a fresh examination of Matthew's treatment of the scribes the author argues that the first Evangelist is actually at pains to protect the esteem in which the office of the Jewish scribe itself was traditionally held reserving Jesus' direct criticism for the unenlightened Pharisees The Evolution of Love Sheldon W. Liebman, 2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on

the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God's commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God **2000** Jonathan Kaplan, 1983
