*Secure in God's Embrace* Ken Uyeda Fong, 2003-01-01 In this winsome conversational book pastor and speaker Ken Fong focuses on the biblical theme of adoption to explore the boundless extravagant love of God **Relentless Love** Thom Gardner, 2012-03-20 The Lord is abundant in mercy to all who call upon Him Jesus was mercy in person when He walked on the earth But how can mercy be like honeysuckle Just as honeysuckle vines overcome fences God's mercy has the power to grow relentlessly in our hearts conquering all kinds of obstacles that result from our wounded human relationships and limited human reason As you read and reflect on the scriptural revelations you'll discover the life changing truth that mercy is the Passion the Presence and the Glory of God Turning Points at the end of each chapter will guide you through prayer and journaling to help you feel the passion experience the presence and see the glory of God as you comprehend God's Relentless Love for you Ultimately as you receive His mercy you will be empowered to show mercy to those around you even those who've wounded you Adoption and the Gospel Gerald D. Clark, 2014-10-15 Adoption and The Gospel delivers sound biblical doctrine that most have never heard One does not need to be a bible scholar to understand its message Gerald Clark chronicles his struggle to overcome his traditional image of an orphanage and how he learned from heart wrenching personal experiences with the children what they so desperately want and need Six years working with children in an orphanage in the Philippines left Gerald and his wife seeking answers to difficult and very troubling questions If God loves me why am I an orphan If you love me why don't you adopt me I kept asking myself What's wrong with this picture No matter how much we love and care for children in an orphanage they're still orphans What's wrong with the picture is that we simply don't understand that children just don't want to BE orphans Would we need more orphanages if Adoption was part of the Global Mission Strategy of every evangelical church in the world Adoption says something about the Gospel and God's love that no other word can say The Gospel is incomplete if it fails to include adoption Jesus came into the world to bring us a living example of God's love so that we might receive the adoption as sons Galatians 4:4-5 As many as received Him to them He gave the right to become children of God John 1:12 The solution to the world's orphan crisis is found in the bible Adoption Ministry equips the church to accomplish the task and God has called millions of families around the world who already want to adopt *Beyond Colorblind* Sarah Shin, 2017-11-14 While society may try to be colorblind we can't ignore that God created us with our ethnic identities and he made them for good Ethnicity and evangelism specialist Sarah Shin reveals how our broken ethnic stories can be restored and redeemed demonstrating God's power to others and bringing good news to the world Discover how your ethnic story can be transformed for compelling witness and mission More Than Serving Tea Nikki A. **Growing Healthy Asian American Churches** Peter Cha, S. Steve Kang, Helen Lee, 2009-09-20. The Asian American church is in transition. Congregations face the challenges of preserving ethnic culture and heritage while contextualizing their ministry to younger generations and the unchurched. Many Asian American church leaders struggle with issues like leadership development, community dynamics, and intergenerational conflict. But often Asian American churches lack the resources and support they need to fulfill their callings. Peter Cha, Steve Kang, and Helen Lee, and a team of veteran Asian American pastors and church leaders offer eight key values for healthy Asian American churches. Drawing on years of expertise and filled with practical examples from landmark churches like Evergreen Baptist Church of Los Angeles, NewSong Church, and Lighthouse Christian Church, the book provides soundly biblical perspectives for effective ministry that honors the Asian American cultural context. Insights from such pioneering leaders as Ken Fong, David Gibbons, Grace May, Wayne Ogimachi, Steve Wong, Nancy Sugikawa, and Soong Chan Rah make this an essential guide for Asian American church leaders wanting to help their congregations achieve health and growth. **Trinitarian Dance** Sharon Tam, 2015-02-02. The Trinitarian Dance presents a model of leadership development based on the Holy Trinity. Part one analyzes the present state of the cultural and ecclesiastical situation in Canada, identifying specific trends and aspects relating to the need for development of effective leadership in the church. This section sets the stage for Part two, where a theology of trinitarian leadership is developed based on the dynamic of perichoresis with the motif of a dance used to present a paradigm of transformational leadership. Part three offers church-based strategies for leadership development, concluding with a creative application of the doxological formula that captures the thrust of the entire book and leads it to a finale that includes a benediction of hope for the church through this leadership model. The Existence of God is an affirmation of faith in God and a warning of the dangers of a world guided by the religion of atheism. This book warns against a religion based upon chance, deficient science, and deficient atheistic evolution, as opposed to theistic evolution. Modern advances in molecular biology, cosmic mathematics, and the psychology of atheism have vanquished atheism's intellectual and psychological *raison d'être*. In one of history's great ironies, the birth of the New Atheism has brought about the beginning of the end of atheism as a legitimate intellectual position.
