Environmental Change and Security Project Report ,1995      Problems and Prospects of Sustaining Democracy in Nigeria Bamidele A. Ojo,2001 The past few years have been very traumatic ones for many Nigerians With the exception of those in power or close to the seat of power the changes of 1998 were a welcome relief given the tyranny and repression that the country had suffered under General Abacha With many people in prison and more in exile the death of Abacha was received with a sigh of relief Many observers have seen the resilience that has come to signify the strength and potential of this once giant of Africa as well as the destruction and the socio political and economic decay of the past decades The Nigerian people have endured the exploitation of their rights due to the lack of democratic leadership and with this in mind they have been called to attention to fight for their country      Environmental Change and Human Security: Recognizing and Acting on Hazard Impacts Peter H. Liotta,David A. Mouat,W.G. Kepner,Judith Lancaster,2008-07-31 Environmental and Human Security Then and Now 1 2 ALAN D HECHT AND P H LIOTTA 1 U S Environmental Protection Agency Office of Research and Development 2 Pell Center for International Relations and Public Policy Salve Regina University 1 Nontraditional Threats to Security The events of September 11 2001 have sharpened the debate over the meaning of being secure Before 9 11 there were warnings in all parts of the world that social and environmental changes were occurring While there was prosperity in North America and Western Europe there was also increasing recognition that local and global effects of ecosystem degradation posed a serious threat Trekking from Cairo to Cape Town thirty years after living in Africa as a young teacher for example travel writer Paul Theroux concluded that development in sub Saharan Africa had failed to improve the quality of life for 300 million people Africa is materially more decrepit than it was when I first knew it hungrier poorer less educated more pessimistic more corrupt and you can t tell the politicians from the witch doctors 2002 While scholars and historians will debate the causes of 9 11 for some time one message is clear An often dizzying array of nontraditional threats and complex vulnerabilities define security today We must understand them and deal with them or suffer the consequences Environmental security has always required attention to nontraditional threats linked closely with social and economic well being      **INDIA'S NATIONAL SECURITY: ISSUES AND CHALLENGES** Dr. NASIR AHMAD GANAIE,2023-01-12 The book explores the critical and dominant issues that are present in the national security of India The book examines some of the crucial problems that range from physical terrorism to advanced forms of security menaces that operate from diverse levels and various angles As we all know that India s national security has been a hotbed of numerous issues and in contemporaneous times issues and challenges like cyberterrorism new age militancy and usage of social media

tools for spreading terrorism have a new trend for spreading terrorism has been one of the biggest and deadliest issues in our national security which have given a tough challenge for our national security bodyguards The book tosses light on some of the essential issues that we are going to face at present or face in the future The book debates the problems of terrorism mostly and argues how this sort of evolved structure of terrorism has enabled its terrorist associations to bolster their foundations The book analyses issue like social media terrorism cyber security issues like enjoying social media at the cost of cyber terrorism and the rise of women in militancy related cases from recruitment to radicalization besides carrying forward the organization messages for recruitment and radicalization Last but not least the book also throws light on the issues and challenges that have surrounded India s foreign policy like India s civil nuclear power and other forms of energy issues that can help India grow in terms of energy thereby making India a self reliant nation      **Achieving Environmental Security** P.
