Teaching Britain Christopher Bischof,2019 Teachers in nineteenth century Britain claimed intimate knowledge of everyday life among the poor and working class at home and non white subjects abroad This knowledge enabled them to help to enact new models of professionalism attitudes towards poverty and social mobility ways of thinking about race and empire and roles for the state **Current Catalog** National Library of Medicine (U.S.),1993 First multi year cumulation covers six years 1965 70 *The Battle for Britain* Mary Evans,David Morgan,2002-09-11 It is generally accepted that Britain was held together during the second world war by a spirit of national democratic consensus But whose interests did the consensus serve And how did it unravel in the years immediately after victory This well observed and powerfully argued book overturns many of our assumptions about the national spirit of 1939 45 It shows that the current return to right wing politics in Britain was prefigured by ideologies of change during and immediately after the war **Disability and Equity at Work** Jody Heymann,Michael Ashley Stein,Moreno Ruiz de Elvira Moreno,2014-02 Hundreds of millions of people with disabilities around the world are out of work or underemployed This book documents what can be done to improve the employment situation of people with disabilities globally *Willing's Press Guide* ,1928 A guide to the press of the United Kingdom and to the principal publications of Europe Australia the Far East Gulf States and the U S A **Labor and Industry in Britain** ,1952 **What Workers Say** Richard B. Freeman,Peter Boxall,Peter Haynes,2018-09-05 This book brings together research in the United States Canada the United Kingdom Ireland Australia and New Zealand to answer a series of key questions What opportunities do employees in Anglo American workplaces have to voice their concerns and what do they seek To what extent and in what contexts do workers want greater union representation How do workers feel about employer initiated channels of influence What styles of engagement do they want with employers What institutional models are more successful in giving workers the voice they seek at workplaces What can unions employers and public policy makers learn from these studies of representation and influence The research is based largely on surveys that were conducted as a follow up to the influential Worker Representation and Participation Survey WRPS reported in What Workers Want coauthored by Richard B Freeman and Joel Rogers in 1999 and updated in 2006 Taken together these studies authoritatively outline workers attitudes toward and opportunities for representation and influence in the Anglo American workplace They also enhance industrial relations theory and suggest strategies for unions employers and public policy **Sex, Career and Family** Michael P. Fogarty,Rhona Rapoport,Robert N. Rapoport,2017-01-06 In this book first published in 1971 the authors show from first hand studies of family and working life and with evidence from many countries including the socialist societies of Eastern Europe the nature of the discrimination facing women in the professions and how various family and employment patterns might contribute to solving it Their point is not that some new stereotype should be substituted for traditional views of the role of husbands and

wives different patterns fit different situations *The Athenaeum* ,1867 *Mobilities in Life and Death* Avril Maddrell,Sonja Kmec,Tanu Priya Uteng,Mariske Westendorp,2023-06-06 This open access book focuses on migrant and minority cemetery needs through the conceptual lens of the mobilities of the living and the dead In doing so the book brings migration and mobility studies into much needed dialogue with death studies to explore the symbolically and politically important issue of culturally inclusive spaces of cemeteries and crematoria for migrants and established minorities The book addresses majority and minority cemetery and crematoria provisions and practices in a range of North West European contexts It describes how the planning management and use of cemeteries and crematoria in multicultural societies can tell us about the everyday lived experiences of migration and migrant heritage urban diversity social inclusion and exclusion in Europe and how these relate to migrant and minority experience of lived citizenship practices of territoriality and bordering colonial postcolonial narratives The book will be of interest to readers in the fields of migration mobilities studies and death studies as well as policy makers and practitioners such as local government officers cemetery managers and city planners

British Ruling Cases from Courts of Great Britain, Canada, Ireland, Australia and Other Divisions of the British Empire, Extensively Annotated ,1919 This series of reports is in a sense a continuation but with a decided expansion of the plan of the English ruling cases as it takes the cases from the British empire instead of from England only but it continues the English ruling cases in the sense that it will include the most important cases from the English courts decided since that series terminated Pref **The Tyranny of Merit** Michael J. Sandel,2020-09-15 A Times Literary Supplement s Book of the Year 2020 A New Statesman s Best Book of 2020 A Bloomberg s Best Book of 2020 A Guardian Best Book About Ideas of 2020 The world renowned philosopher and author of the bestselling *Justice* explores the central question of our time What has become of the common good These are dangerous times for democracy We live in an age of winners and losers where the odds are stacked in favor of the already fortunate Stalled social mobility and entrenched inequality give the lie to the American credo that you can make it if you try The consequence is a brew of anger and frustration that has fueled populist protest and extreme polarization and led to deep distrust of both government and our fellow citizens leaving us morally unprepared to face the profound challenges of our time World renowned philosopher Michael J Sandel argues that to overcome the crises that are upending our world we must rethink the attitudes toward success and failure that have accompanied globalization and rising inequality Sandel shows the hubris a meritocracy generates among the winners and the harsh judgement it imposes on those left behind and traces the dire consequences across a wide swath of American life He offers an alternative way of thinking about success more attentive to the role of luck in human affairs more conducive to an ethic of humility and solidarity and more affirming of the dignity of work The *Tyranny of Merit* points us toward a hopeful vision of a new politics of the common good *Making the Best of It* Sarah Glassford,Amy J. Shaw,2020-04-15 Many women who lived through the Second World War believed it heralded new status and opportunities but scholars have argued that very little changed How

can these interpretations be reconciled Making the Best of It examines the ways in which gender and other identities intersected to shape the experiences of female Canadians and Newfoundlanders during the war The contributors to this thoughtful collection consider mainstream and minority populations girls and women and different parts of Canada and Newfoundland They reassess topics such as women in the military and in munitions factories and tackle entirely new subjects such as wartime girlhood in Quebec Collectively these essays broaden the scope of what we know about the changes the war wrought in the lives of Canadian women and girls and address wider debates about memory historiography and feminism
