killer now on death row Could the teen s murder be related to Rachel s disappearance Is a copycat killer at work And why do the police refuse to help For answers Liz turns to Rick Wells a former Miami cop who worked the fringes of the New Testament investigation Together they peel away layers of deception to reveal a terrifying adversary and the unspeakable evil at the heart of this island paradise      *Disturbance* Ivy Alvarez,2013-10-14 *Disturbance* is a novel in verse by Ivy Alvarez that chronicles a multiple homicide a tragic case of domestic violence where a family was gunned down by the husband and father The book features poems in a kaleidoscope of voices from all the characters involved We first meet the family itself and witness how the father s controlling attitude gradually escalates into violence Then we get the aftermath the authorities police and neighbours who all might have helped to prevent this tragedy This is a very dark book but a courageous one ultimately about evil and its presence in our everyday lives The fact that this family was relatively well to do seemingly prosperous and well connected adds another layer of intrigue and mystery There is some graphic violence but the emphasis is on the characters and their motivations This masterpiece of brutality veined with tenderness will skewer you to its pages A tour de force utterly original and brave Sally Spedding *Disturbance* is a precise pained and wondrous book Teju Cole      **The First Wife** Erica Spindler,2015-02-10 An idealistic young woman marries a man she barely knows only to discover his first wife disappeared under mysterious circumstances      **Her Highness, the Traitor** Susan Higginbotham,2012-06-01 A daughter can be a dangerous weapon in the battle for the throne of England Frances Grey harbored no dream of her children taking the throne Cousin of the king she knew the pitfalls of royalty and privilege Better to marry them off marry them well perhaps to a clan like the Dudleys Jane Dudley knew her husband was creeping closer to the throne but someone had to take charge for the good of the country She couldn t see the twisted path they all would follow The never before told story of the women behind the crowning of Jane Grey this novel is a captivating peek at ambition gone awry and the damage left in its wake Praise for Susan Higginbotham s Novels Susan Higginbotham transports her readers into a vividly portrayed past Helen Hollick author of *The Pendragon s Banner* trilogy Susan Higginbotham draws the reader under her spell she brings the dead to life Christy English author of *The Queen s Pawn* praise for *The Stolen Crown* A beautiful blending of turbulent history and deeply felt fiction Higginbotham has given readers of historical fiction a gift to treasure Karen Harper New York Times bestselling author of *The Irish Princess* praise for *The Queen of Last Hopes*      *Broken* J. speaking lands during the seventeenth century Pietism was closely related to Puritanism sharing similar evangelical and heterogeneous characteristics Dissatisfied with the established Lutheran and Reformed Churches Pietists sought to revivify Christianity through godly living biblical devotion millennialism and the establishment of new forms of religious association As Pietism represents a diverse set of impulses rather than a centrally organized movement there were inevitably fundamental differences amongst Pietist groups and these differences and conflicts were carried with those that emigrated to the New World The importance of Pietism in shaping Protestant society and culture in Europe and North America has long been recognized but as a topic of scholarly inquiry it has until now received little interdisciplinary attention Offering essays by leading scholars from a range of fields this volume provides an interdisciplinary overview of the subject Beginning with discussions about the definition of Pietism the collection next looks at the social political and cultural dimensions of Pietism in German speaking Europe This is then followed by a section investigating the attempts by German Pietists to establish new religiously based communities in North America The collection concludes with discussions on new directions in Pietist research Together these essays help situate Pietism in the broader Atlantic context making an important contribution to understanding religious life in Europe and colonial North America during the eighteenth century *A new hand-dictionary of the English language for the Germans and of the German language for Englishmen, etc.-Neues Hand-Wörterbuch der Englischen Sprache, etc* Johann EBERS,1802 Catalogue of the London Library, St. Jame's Square London Library,1920
