Erin Daniel Bryant,2024-01-02 In the middle of the most pitiful hell I have ever known God broke the chains of sin and set me free while

sitting in Arizona State Prison for a terrible crime Jesus made a way for me I was without hope recently divorced and facing eight years in prison when I was set free from a lifetime of pain I was broken thirsty and lost and this is where I was blessed with salvation in a New International Version NIV Bible with plenty of time to read I was blessed to learn about the new life that I had heard so many Jesus freaks talk about This is the very real testimony of the Lord s power to change a heart from evil to righteousness from damnation to salvation and from hopelessness to infinite hope My testimony is of our God s awesome power to save He is reaching into the darkest prisons and the bleakest of places with a message of forgiveness and love No one has walked in my shoes but the Lord has numbered my steps for his glory If being saved from hell is too hard for you to believe then maybe this book will change your mind I once was sure I would certainly die and go to hell until God showed me his Son Jesus Christ I sing a constant song of gratitude from the heart and now I am a Jesus Freak born again child of God too Many blessings to you

Love and Loss: A Journey through Fear to Peace - Volume Four Betty Hibod, 2025-01-06 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person s life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone s visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and

space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions **Cumulative**
