Seeing Christ In The Tabernacle:

Seeing Christ in the Tabernacle Ervin N. Hershberger, 2007-01-01 The Mosaic tabernacle is God's masterpiece of types pointing to Christ. As reader tour this amazing construction with Hershberger they will be delighted to see figures of Christ where they least expected to find them. The smallest details are given significance in this great symbolic foreshadowing of Christ and His Church. This 100 page volume will not be read once and laid aside. Teachers will return to it every time they present the tabernacle. Readers will pick it up again and again to contemplate the mysteries of their salvation.

Seeing Christ in the Tabernacle Ervin Hershberger, 1995 Seeing Christ in the Old Testament (part 1) Stephen Kaung, 2012-01-23 The word of God is living and operative. Hebrews 4:12a It is living and not just letter because it gives life. The Scriptures are operative because they contain not only theological ideas to be pondered but also spiritual realities to be experienced. For every scripture is divinely inspired. God breathed and profitable for teaching for conviction for correction for instruction in righteousness that the man of God may be complete fully fitted to every good work. II Timothy 3:16-17 Ye search the scriptures said the Lord Jesus Christ for ye think that in them ye have life eternal and they it is which bear witness concerning me and ye will not come to me that ye might have life. John 5:39-40 It behooves us therefore to diligently read the Bible and meditate on it. To encourage God's people to study God's word brother Stephen Kaung delivered a series of messages on the sixty-six books of the Bible. Commencing in 1983 each Lord's day the survey of one book was shared from the New Testament and a similar sharing from the Old Testament commenced in 1986. Each message is merely a panoramic view of each book of the Bible a tasting of the sweetness of God's word. The aim is to provide the saints with some basic understanding in their search of God's word. These being spoken messages no acknowledgement of the names of the many commentaries consulted is indicated. This survey of the Holy Bible will be published as Volume I and Volume II under the overall title of God Has Spoken with Volume I bearing the subtitle *Seeing Christ in the Old Testament* and consisting of two physical volumes. Part One Genesis to Song of Songs and Part Two Isaiah to Malachi and Volume II bearing the subtitle *Seeing Christ in the New Testament*. May God use these volumes to increase our love for His word. **Shadows of the Cross** Mark McWhorter, 2018 Back This detailed study examines the various items comprising and connected with the Tabernacle showing how they prefigure the church of Christ the plan of salvation the unity of the body the role of Jesus Christ as both High Priest and sacrifice and so much more. *Seeing Christ in the Old Testament (part 2)* Stephen Kaung, 2009-09-26 The word of God is living and operative. Conversations on the Road to Emmaus: Jesus in the Old Testament Dr. John Mannion, 2022-01-25 Conversations on the Road to Emmaus depicts an incredible journey Jesus walked and talked with two disciples on the Road to Emmaus after He was resurrected from the dead It is quite intriguing to propose what Jesus said about Himself on that incredible day while on that incredible journey It is not only intriguing but it is also something via interpretation of the Old Testament that is not simply a guess with respect to what was actually discussed Jesus is referencing the Old Testament The Word is explaining the Word Conversations on the Road to Emmaus is a novel method of writing combined with a bible commentary content of writing Thus this non fiction novel comes with conversation along with biblical interpretation explanation and referencing Herein lies the unique nature of this book It very much reads like a novel informal and engaging in that sense At the same time it fills the reader with the fruit of a detailed Bible commentary This unique non fiction novel then is both enjoyable and enlightening to

read So let us walk together as we listen in on conversations on the road to Emmaus **Enjoyment of Christ** Witness Lee,1995-10 **The Enjoyment of Christ** Witness Lee,2017-03-01 The entire Bible from Genesis to Revelation shows us that God is our enjoyment God also has His fullness Eph 3 19b He is full for us to enjoy His fullness is the expression of the riches of Christ and the reality of Christ is in the Spirit We know this by the revelation of the Word The riches of Christ are revealed in the Word Furthermore we can realize God as our enjoyment in our spirit John 4 24 *Christ as the Content of the Church and the Church as the Expression of Christ* Witness Lee,2016-03-01 Christ is the first main point of the church life This means that Christ is the life of the church the content of the church and everything in the church Also the church is the expression of Christ We need a full understanding of this matter The church is not a religion but a living expression of Christ *The Bible Exposition Commentary* Warren W. Wiersbe,2003 Volume 6 of the Bible Exposition Commentary 6 volume set *The Mystery of the Seven* Rebecca Williams Love,2025-02-03 What if for the person who is willing to take the time to dig just a little bit deeper than they have ever gone before there were treasures beyond imagination just waiting to be found in God s Word That person could be you You could ask God to open your eyes to behold wondrous things out of His word And He would You would suddenly view Bible study as an adventure and what you find would thrill your soul I know this because this happened to me and this book is the story of that treasure hunt I was determined to study my Bible as though I were searching for hidden treasure When one sets out to dig for gold it is first necessary to survey the ground closely Gold is generally located deep underground near bedrock on the surface however there are clues The presence of certain minerals and rock formations can often indicate where gold may be found Repeated numbers and phrases can be such indicators in the Bible The number seven has been called the number of perfection or completion and we see it figuring prominently all throughout the Word of God Wherever we see the number seven in scripture that is a good indication that there is something more to be found That is where we dig for treasure *The Power of the Upper Room* Jerry L. Timbie,2019-08-09 As it developed an

increasingly distinctive character of its own during the first six centuries of the common era Christianity was constantly forced to reassess and adapt its relationship with the Jewish tradition The process involved a number of preoccupations and challenges the status of biblical and parabiblical texts several of them already debatable in Jewish eyes the nature and purposes of God patterns of prayer both personal and liturgical ritual practices ethical norms the acquisition and exercise of religious authority and the presentation of a religious face to the very different culture that surrounded and in many ways dominated both Christians and Jews The essays in this volume were developed within that broad field of inquiry and indeed make their contribution to it For among the many issues already mentioned there was also that of persons What was Christianity to do not just with Adam or Noah say but with Abraham David and Solomon the great prophetic figures of Jewish history and of course with Moses As we move chapter by chapter across the early Christian centuries we see Moses gradually changing in Christian eyes and at the hands of Christian exegetes and theologians until he becomes the philosopher par excellence the forerunner of Plato the archetype of the lawgiver the model shepherd of the people of God yet all on the basis of a scriptural record that Jews would still have been able to recognize Written by a range of established scholars younger and older many of them highly distinguished The Christian Moses will appeal to graduate and senior students to those rooted in a range of disciplines literary historical art historical as well in theology and exegesis and to everyone interested in Jewish Christian relations in this early era

Seeing God Hans Boersma, 2018 Winner of the Christianity Today Book Award in Theology Ethics 2019 To see God is our heart's desire our final purpose in life But what does it mean to see God And exactly how do we see God with our physical eyes or with the mind's eye In this informed study of the beatific vision Hans Boersma focuses on vision as a living metaphor and shows how the vision of God is not just a future but a present reality Seeing God is both a historical theology and a dogmatic articulation of the beatific vision of how the invisible God becomes visible to us In examining what Christian thinkers throughout history have written about the beatific vision Boersma explores how God trains us to see his character by transforming our eyes and minds highlighting continuity from this world to the next Christ centered sacramental and ecumenical Boersma's work presents life as a never ending journey toward seeing the face of God in Christ both here and in the world to come
