**Man's Fate and God's Choice** Bhimeswara Challa,2021-06-29 Stagnate as a creepy caterpillar or transform into a beauteous butterfly this path breaking book of a rare genre suggests is the seminal choice before mankind and every one of us In this setting the book raises some fundamental questions What is man s rightful place in the cosmos and his manifest destiny on earth Why are we so self righteously self destructive Are we a doomed species Or divine beings struggling to overcome the hubris of the human intellect Is God getting weary of mankind How should we synergize human effort and Divine Grace The book posits that any betterment in human behavior needs a cathartic change at the deepest levels That requires diluting the dominance of the mind and reawakening the long dormant intelligence of the human heart To meet that challenge we need minimum numbers a critical mass to create self sustained momentum for transformation through consciousness change And every single human of this generation should behave in such a way that he or she is that single person whose transformation could make the decisive species scale difference The book offers a menu of ideas and an agenda of action This book could be itself become an input to

mobilize that very critical mass it advocates for human transformation Well planned and cohesively written the book is noteworthy for its delightful blend of information and arguments and reveals the depth of the author s understanding of the human predicament This is a closely argued and thought provoking book The Hindu 13 Sept 2011 This book is a gripping exposition on human nature and self transformation without preference to religion Challa has critically provided a foundational argument for a deeper discussion of philosophical and practical ideals concerning self transformation harmonizing the head and the heart is the way for humans to function as spiritual beings Recommended by the USR The US Review of Books The author reflects upon the crisis of contemporary civilizations and outlines a blueprint for a new world order based on progressive spiritual values and change of human consciousness The strength of this treatise is the sweep of Challa s reach and his treatment of a vastly complex set of issues that bedevil humankind today India International Center Quarterly Summer 2012 As a thinker and erudite scholar the author has made a profound study of the world situation and the moral decadence of man This book deserves to be on the shelves of university college and public libraries Triveni Magazine July Sept 2011 It is difficult to pigeon hole this book as a prophetic discourse a journey into the human mind a guide for human survival a spiritual treatise It is an amalgam of all these and more the volume reaches out to those who are already uneasy about the way we on this earth are progressing The Book Review India June 2013     Seeking God In All Things William Reiser,2004-05-01 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer Seeking God in All Things explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What s Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a professor of theology in the religious studies department at Holy Cross College Worcester Massachusetts Over the past twelve years he has also served as an associate staff member at the Center for Religious Development in Cambridge He is the author of Jesus in Solidarity with His People published by Liturgical Press     The Works of the English Reformers: William Tyndale and John Frith.
