Seeking Robinson Crusoe:

Literary Afterlife Bernard A. Drew, 2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer's real or pen name undisguised offshoots issued under the new writer's name posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author's characters *Defoe's*

Perpetual Seekers Virginia Ogden Birdsell, 1985 This study contends that the main characters in Defoe's six major fictions represent a more profound anxiety and cynicism regarding the human condition than has been generally recognized From Robinson Crusoe to Roxana each is engaged in a lonely and futile search for identity and significance and each pursues that goal with ruthless singlemindedness

Seeking Robinson Crusoe Timothy Severin, 2003 This work explores the legend behind Daniel Defoe's classic novel visiting possible places where this famous literary character could have been marooned It also re-examines the claim that Crusoe was based on a real life castaway Alexander Selkirk

THE SECRET SERVICE CHURCH: FAITH SEEKING RELATEDNESS George Gammack, 2015-08-13 We all know what church is Likewise we are provided with a supply of set notions for God Christ and the Bible which make up the stock in trade equipment for both believer and non believer This study asks fundamental questions about all these from a relational perspective attempting to illumine the faith quest by way of clues from the common realities of human interaction In this it is the appropriate provisions of relationships rather than the assent to doctrines that forms the spiritual basis of community Such a theology of relatedness is urgently needed We must come out of our creedal closets to be part of a new diaspora This demands a secret discipline of servant relationship at work in that no man's land where there is space for all manner of secular saints and doctrinal devils to discover the possibilities of their togetherness the secret service church in odd places and often strange company

Robinson Crusoe's Economic Man Ulla Grapard, Gillian Hewitson, 2012-04-27 In this book economists and literary scholars examine the uses to which the Robinson Crusoe figure has been put by the economics discipline since the publication of Defoe's novel in 1719 The authors' critical readings of two centuries of texts that have made use of Robinson Crusoe undermine the pervasive belief of mainstream economics that Robinson Crusoe is a benign representative of economic agency and that he like other economic agents can be understood independently of historical and cultural specificity The book provides a detailed account of the appearance of Robinson Crusoe in the economics literature and in a

plethora of modern economics texts in which for example we find Crusoe is portrayed as a schizophrenic consumer producer trying to maximize his personal well being Using poststructuralist feminist postcolonial Marxist and literary criticism approaches the authors of the fourteen chapters in this volume examine and critique some of the deepest fundamental assumptions neoclassical economics hold about human nature the political economy of colonization international trade and the pervasive gendered organization of social relations The contributors to this volume can be seen as engaging in the emerging conversation between economists and literary scholars known as the New Economic Criticism They offer unique perspectives on how the economy and economic thought can be read through different disciplinary lenses Economists pay attention to rhetoric and metaphor deployed in economics and literary scholars have found new areas to explore and understand by focusing on economic concepts and vocabulary encountered in literary texts , Theorising Literary Islands Ian Kinane,2016-11-16 Theorising Literary Islands is a literary and cultural study of both how and why the trope of the island functions within contemporary popular Robinsonade narratives It traces the development of Western islandomania or our obsession with islands from its origins in Daniel Defoe's Robinson Crusoe right up to contemporary Robinsonade texts focusing predominantly on American and European representations of fictionalized Pacific Island topographies in contemporary literature film television and other media Theorising Literary Islands argues that the ubiquity of island landscapes within the popular imagination belies certain ideological and cultural anxieties and posits that the emergence of a Western popular culture tradition can largely be traced through the development of the Robinsonade genre and through early European and American fascination with the Pacific region **Crusoe's Books** Bill Bell,2021 This is a book about readers on the move in the age of Victorian empire It examines the libraries and reading habits of five reading constituencies from the long nineteenth century shipboard emigrants Australian convicts Scottish settlers polar explorers and troops in the First World War What was the role of reading in extreme circumstances How were new meanings made under strange skies How was reading connected with mobile communities in an age of expansion Uncovering a vast range of sources from the period from diaries periodicals and literary culture Bill Bell reveals some remarkable and unanticipated insights into the way that reading operated within and upon the British Empire for over a century *The Three Paths* Julia Kavanagh,1848 The youthful adventures of the son of a French Marquis the son of a doctor and the son of a gypsy on a path to knowledge

Spanish Gold David Cordingly,2012-03-29 Today most of us know what we know about pirates from classics like *Treasure Island* and the films starring Johnny Depp and Keira Knightley But who were the real pirates of the Caribbean and where did they come from And how were they tamed David Cordingly's latest book reveals the true story to have been at least as fascinating and gripping as the legends When the Treaty of Utrecht ended the War of the Spanish Succession in 1713 there was an explosion of piracy across the Caribbean and along the eastern seaboard of North America Hundreds of unemployed sailors roamed the seaports and many were tempted to take to piracy Unable to attack enemy targets any longer they

replaced their national flags with the black flag and became pirates and enemies of all mankind. Nowhere was the problem greater than in the Bahamas. So after years of ignoring the problem, the British Government was forced to act. Three warships were dispatched across the Atlantic with orders to suppress the pirates, and it was agreed that a Governor of the Bahama Islands be appointed to drive the pirates from their lodgement. The man selected for the nigh impossible task was Captain Woodes Rogers, a former privateer who had made his name. He rescued Alexander Selkirk, the model for Defoe's Robinson Crusoe, and his fortune 9m by leading a highly successful voyage round the world. This is the story of his battle with the pirates, told in David Cordingly's inimitable style. Pirate Hunter of the Caribbean David Cordingly, 2012-09-04. From renowned pirate historian David Cordingly, author of *Under the Black Flag* and film consultant for the original *Pirates of the Caribbean*, comes the thrilling story of Captain Woodes Rogers, the avenging nemesis of the worst cutthroats ever to terrorize the high seas. Once a marauding privateer himself, Woodes Rogers went from laying siege to laying down the law. During Britain's war with Spain, Rogers sailed for the crown in sorties against Spanish targets in the Pacific, battled scurvy, hurricanes, and mutinies, captured a treasure galleon, and even rescued the castaway who inspired Robinson Crusoe. Appointed governor of the Bahamas in 1717, the fearless Rogers defended the island colony of King George I against plundering pirates and an attempted Spanish invasion. His resolute example led to the downfall of such notorious pirates as Blackbeard, Calico Jack, and the female pirates Anne Bonny and Mary Read. A vividly detailed and action-packed portrait of one of the early eighteenth century's most colorful characters, *Pirate Hunter of the Caribbean* serves up history that's as fascinating and gripping as any seafaring legend. Seek and Find Oliver Optic, 2018-05-23. Reproduction of the original *Seek and Find* by Oliver Optic. SEEK THE HORIZON Kenneth Fearnley, 2012-06-11. In all of the history of the sea, the men and adventurers that sailed upon it, there are few who exceeded the three year journey that was fought and won against incredible odds by Woodes Rogers and his men. A man of incredible courage and skill, Rogers has had little acknowledgement in history. It is hoped this story will in some way go to the recognition of this incredible man. If you enjoyed *Treasure Island* or *Kidnapped*, or your imagination runs free at the mention of the sea, the men that sailed upon it, the characters that lived by it, then *Seek the Horizon* is for you. *Hide-and-Seek with Angels* Lisa Chaney, 2013-12-31. What kind of man creates a boy who never grows up? More than 100 years after Peter Pan first appeared on the London stage, author J. M. Barrie remains one of the most complex and enigmatic figures in modern literature. A few facts of course are widely known: Peter Pan made Barrie the richest author of his time, and he bequeathed the royalties to the Great Ormond Street Hospital for Sick Children. He was married but later divorced, and he was devoted to the orphaned sons of Sylvia Llewelyn Davies, one of whom was named Peter. And then the rumors begin about the nature of his marriage, about his precise relationship with the Davies boys, whose guardian he became, about the fantasies and demons that determined his achievements. In this brilliant biography, Lisa Chaney goes beyond the myths to discover the fascinating, frequently misunderstood man behind the famous boy, James.

Matthew Barrie was born in a village in Scotland in 1860 the ninth of 10 children of a linen weaver and his wife When James was six years old his older brother died in a skating accident and his mother began her withdrawal into grief It is not an exaggeration to say that Barrie s entire life both his professional triumphs as a writer and his personal tragedies led up to the creation of Peter Pan the play where all children except one grow up As Lisa Chaney explores Barrie s own struggles to grow up she deepens our understanding both of his most famous character and of the complex relationship between life and art

Recrafting a Life Charles Johnson, Denise Webster, 2013-05-13 Chronic illness and pain are now more than ever seen as major problems in the current health care system Because they are unresponsive to both antibiotics and surgery they are seen as elusive and mysterious The National Medical Expenditure Survey estimates that over 80 million U S citizens live with a chronic illness The most prevalent are arthritis diabetes respiratory diseases hypertension and mental illness This book uses the novel Robinson Crusoe as an archetypal metaphor for the patients who must learn to survive on their own isolated island of chronic pain This unique style is combined with a variety of in session approaches and other tools which clients have found helpful in identifying their goals and progress By emphasizing the importance of self care the authors hope to diminish the sense of helplessness felt by the both the patients their loved ones

Enterprising Youth Monika Elbert, 2008-06-09 Recommended by Choice Enterprising Youth examines the agenda behind the shaping of nineteenth century children s perceptions and world views and the transmission of civic duties and social values to children by adults The essays in this book reveal the contradictions involved in the perceptions of children as active or passive as representatives of a new order or as receptacles of the transmitted values of their parents The question then is whether the business of telling children s stories becomes an adult enterprise of conservative indoctrination or whether children are enterprising enough to read what many of the contributors to this volume see as the subversive potential of these texts This collection of literary and historical criticism of nineteenth century American children s literature draws upon recent assessments of canon formations gender studies and cultural studies to show how concepts of public private male female and domestic foreign are collapsed to reveal a picture of American childhood and life that is expansive and constrictive at the same time

How to Make Good Decisions and Be Right All the Time Iain King, 2008-10-16 A compelling guide to ethical thinking for everyday life In *How to Make Good Decisions and Be Right All the Time* Iain King presents an introduction to moral philosophy from the ancient Greeks to the Enlightenment and beyond He argues that right and wrong need a Newtonian revolution so that they are no longer a matter of judgment or guesswork and presents a system of simple formulas for solving difficult moral quandaries Clearly argued the book combines new ideas with old and rips apart traditional tenets of morality dismantling even the golden rule that you should do unto others as you would have done unto you In their place the author constructs a new comprehensive system of ethics identifying the basic DNA of right and wrong and offering clear advice on how to be good in today s complicated and challenging world Sometimes controversial and thoroughly engaging throughout *How to Make Good Decisions and Be Right*

All the Time is required reading for anyone with a difficult decision to make Prayer Philip Zaleski,Carol Zaleski,2006-10-03 Paying homage to prayer traditions from around the world and throughout history this celebration of prayer covers everything from Pentacoastalist revivals to the sacred pipe to the Catholic rosary **World Views** Jon Heggland,2011-09-01 World Views examines literary representations of spatial form within the contexts of the emerging disciplines of geography geopolitics and international relations positing that modernism s experimental engagements with space intended to imagine alternatives to the new world order **The Novels of Daniel Defoe, Part I Vol 1** W R Owens,P N Furbank,G A Starr,N H Keeble,2017-09-29 Daniel Defoe is known as the father of the English novel This is the modern critical edition of Defoe s novels It brings together all three parts of Robinson Crusoe and examines their relationship The editorial material includes an introduction to each novel explanatory endnotes textual notes and a consolidated index in volume 10
