A History of Ghosts Peter H. Aykroyd, Angela Narth, 2009-09-29 Peter Aykroyd spent his childhood watching his family's parlor seances through the crack of a basement door Here for the first time Aykroyd tells the strange and delightful story that inspired his son Dan to make the mega hit *Ghostbusters* Part history part family legend *A History of Ghosts* starts in 1848 in upstate New York where the spiritualist craze first began Aykroyd introduces the reader to notable mediums while telling the story of the development of spiritualism interweaving a personal history marked by a fascination with ghosts and spirits with the larger narrative about the role the paranormal has played in our culture Such legendary figures as Sir Arthur Conan Doyle and Harry Houdini appear and vanish Everyone loves a good ghost story Successful TV shows such as *Medium* and *Ghost Hunters* are proof that our national obsession with ghosts is here to stay Millions of Americans believe in the paranormal and even skeptics have heard a bump in the night and suspected it might be something supernatural **The**

Holy and the Hereafter or is it Hooley? J L Miller, 2013-10 The original purpose of this book was to explore various religious ideas and beliefs relating to the hereafter The title was to be *The Hereafter Maybe* On completion of the first few chapters the author concluded that every major religion's philosophy theology had included much nonsense at least if viewed solely from common sense Thus this text took on an increased scope It has a wealth of imagination on holy belief and the possibilities of an afterlife Most nonfiction writers on the subject of religion generally endorse a preconditioned accepted view as truth and even the only truth This book's author believes all truth is partial and that any human belief about God from any religion is at best partial Both the expert and the layman will find food for thought regarding the reality of their own religious philosophy *Divine Nudges* Catherine Lanigan, 2006-01-15 Lanigan believes that angels are all around us

performing miracles big and small She takes us on a journey revealing extraordinary divine interventions that gently nudge us along and bring about awe and appreciation in our daily life **Religions of the World** J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six volume encyclopedia provides comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world's smaller religious outposts *Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices* is an extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia's six volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and the Latin American countries that are traditionally given little attention in English language reference works Entries include profiles on religion in the world's smallest countries the Vatican and San Marino profiles on religion in recently established or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world's most remote places Antarctica and Easter Island *Religions of the World* is unique in that it is based in religion on the ground tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world its major geographical sites and its major

celebrations Unlike other works the encyclopedia also covers the world of religious unbelief as expressed in atheism humanism and other traditions

[The Haunting of Twentieth-Century America](#) William J. Birnes, Joel Martin, 2011-09-13 In this sequel to *The Haunting of America* national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America's fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America's political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation's military into launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians *The Haunting of Twentieth Century America* is a thrilling evidencebased exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Synchronicity Key David Wilcock, 2014-07-29 Unlock the key to a universal life force in this astonishing book from the New York Times bestselling author of *The Source Field Investigations* and *Awakening in the Dream* *The Source Field Investigations* was a New York Times Wall Street Journal and USA Today bestseller that uncovered hidden science and lost prophecies to illuminate an entirely new understanding of our world today Now in *The Synchronicity Key* David Wilcock embarks on an astonishing investigation into what lies beyond finding proof that everything in our lives is not only connected but it also influences everything else Using history astrology and synchronicity theory among other concepts Wilcock shows that there is hidden architecture within time guiding individuals and nations through a system of enlightenment Joseph Campbell called the Hero's Journey Historical events occur in shockingly precise repeating cycles of time as a result Once we understand and identify the hidden laws of this seemingly random synchronicity we are left with a remarkable blueprint of how best to lead our lives in this uncertain and confusing world

Becoming Psychic Stephen Kierulff, Stanley Krippner, 2004-08-11 *Becoming Psychic* provides a lively dialogue between a clinical psychologist who believes that he has had a number of psychic or paranormal experiences and a research psychologist and parapsychologist who attempts to put these reports in a scientific framework The anecdotes make for fascinating reading and the scientific responses are relayed in a reader friendly manner Readers who have had similar experiences can begin to understand their own glimpses of future events remarkable recoveries from major or minor illnesses or knowledge of what is happening to a loved one hundreds of miles away Paul Von Ward author of *Our Solarian Legacy* writes in the Introduction *Becoming Psychic* is a book for everyone who seeks meaning among the non ordinary experiences of life Telepathy clairvoyance psychokinesis precognition mind body healing prayer and synchronicity are all illustrated in personal terms by Dr Kierulff and placed in

scientific context by Stanley Krippner a successful merging of the perspectives of the experiencer and the scientist
