A work of short fiction comprised of over thirty stories varying in subject from youth humor life memory loss and what makes us all human beings *Selah Stuff* Tim Lanier,2023-11-07 Selah moments are those times when we don t just live our life we examine it We read certain events through the contemplative lenses of our God given reflectacles Selah moments enable us to slow down and internalize the message of Scripture with our internal eyes Selah moments provide us with an appropriate place to pause and appropriate God s Word into our lives In the pages of this book I have gathered together some of my Selah moments At first glance it might look like a random collection of stories poems insights and homilies However each of these writings began as an entry in my journal the place where I write about what I think about As you read these journal entries I believe that some of them will remind you of your own journey The chapters are grouped around the cast of characters who have walked with me in my original road show my family people I ve encountered along the way the living words of Scripture and my Heavenly Father The personalities in your production will be as unique as you are just as your story lines will be your own But I believe there will be moments in the reading of this text where the differences in the details become less and less important as you say to yourself I get that I ve felt the same way I ve asked myself that very question I thought I was the only one who d ever gone through that As your emotions are engaged I hope that your time in this book will become more and more like a conversation with a friend and fellow pilgrim And I pray that the Selah Stuff in these pages will remind you to stop look and listen to what God is saying in the moments of your own life *Reign of the Morning Star* K.
