But it's even more dangerous for convicted criminals like William Stiles who are sent to live in the prison of the Bad Lands, a mass of sand and rock in the central part of the United States. Before his life takes a dangerous turn, the thirty-three-year-old Stiles is a typical guy. He has a steady job and he dreams of a quiet life with a family, but he may not live long enough to achieve this goal. While drinking in a bar one night, William's ex-girlfriend and her jealous boyfriend change the course of William's life. He is falsely accused of murder and sent to live in the Bad Lands. Within hours of his incarceration, William's life is threatened. He is saved by Sebastian, who teaches William to survive in this world where murder is a daily occurrence. Sebastian bestows a special gift upon William, a gift he uses to help right the wrongs in the Bad Lands. Surrounded by murderers, rapists, and child molesters, William fights to the death, struggling to live another day in this action-packed novel.

**Generations Women in the South** Joy Elvey Lamm, Pauli Murray, Sara Evans, Cynthia Washington, Margaret Rose Gladney, Virginia Rudder, Rayna Green, Lee Howard, Lee Smith, Jeanne Ormond, Jo Ann Robinson, Lillian Smith, Anne Braden, Sean Devereux, Alice Walker, Ellen Stein, Mary Frederickson, Kathy Gleason, Wendy Watriss, Priscilla Parish Williams, Birthalene Miller, Lee Robinson, Len Stanley, John Florin, Ann Deagon, Jeanie Thompson, The time has come. Lillian Smith wrote in 1962 for women to risk the great and daring creative act of discovering and articulating their own identity. Three years later, Southern women of a younger generation, fortified by the skills and self-respect earned in the black civil rights movement, issued the first manifesto of a new feminism. Their words landed with explosive force, setting off cultural reverberations which have shaken the lives of men and women alike. A little more than a decade after that, this issue of *Southern Exposure* began to take form. Its creation has taken us back into history and deep into the meaning of our own lives. As we set out to understand the situation of Southern women, we found ourselves in search of our mothers' gardens. We found ourselves naming an experience we share across the generations. So many of the stories that I write, Alice Walker discovered, are my mother's stories. To speak in our own voices, we had first to give expression to a promise song that has been there all along.
