Louisiana In The Short Story:

Louisiana in the Short Story Lizzie Carter McVoy, 1947 **Strange True Stories of Louisiana** George Cable, 1994-05-30 At the turn of the century people outside of New Orleans viewed the city through the eyes of journalist and author George Washington Cable His writings portrayed a tropical European city nestled on the banks of an American river still teeming with the literary artistic and social developments of a late Renaissance In his own romance with Louisiana Cable came upon many stories written by its denizens While Cable assisted some authors in finding places to publish their works there were many stories he kept for himself Much of this collection can now be found in *Strange True Stories of Louisiana* They are mine by right of discovery writes Cable From various necessities of the case I am sometimes the story teller and sometimes in the reader s interest have to abridge but I add no fact and trim naught of value away Here are no unconfessed restorations not one In time place circumstance in every essential feature I give them as I got them strange stories that truly happened all partly some wholly in Louisiana *Strange True Stories of Louisiana* is Cable s compilation of seven unusual factual accounts of life and history in the area They include tales of two French sisters who made the dangerous trek to the unsettled lands of North Louisiana at the beginning of the nineteenth century Focusing on New Orleans Cable adds the story of *The Haunted House in Royal Street* which spurs the imaginations of ghost hunters more than a century after its original writing There is also a diary account in its first published form of a Union woman trapped behind the battle lines during the Civil War **The Short Story** Ailsa Cox, 2009-03-26 Long regarded as an undervalued and marginalised genre the short story is undergoing a renaissance The Short Story celebrates its unique appeal Practitioners and scholars address the issues facing short story criticism in the 21st century Author A L Kennedy shares the pleasures and frustrations of writing the short story in the literary marketplace This is followed by an assessment of recent attempts to promote short story readership in the UK Other contributors look at forms such as the short short and the short story sequence The range of authors discussed includes Martin Amis Anita Desai Salman Rushdie and James Joyce The short story is the most international of genres this is reflected in chapters on Jorge Luis Borges and Italo Calvino and on Japanese short fiction Postcolonial and translation theory are combined with the close reading of specific texts Neglected authors such as the Welsh writer Dorothy Edwards and the colonial figure Frank Swettenham are re evaluated and we also consider genre writing with chapters on crime fiction and Ray Bradbury s *Martian Chronicles* Integrating theory and practice The Short Story will appeal both to writers and to students of literary criticism **2009 Novel & Short Story Writer's Market - Listings** Editors Of Writers Digest Books, 2008-07-01 For 28 years Novel Short Story Writer s Market has been the only resource of its kind exclusively for fiction writers Covering all genres from romance to mystery to horror and more this resource helps you prepare your submissions and sell your work This must have guide includes listings for over 1 300 book publishers magazines literary agents writing contests and conferences each containing current contact information editorial needs schedules and
