Love And Its Ultimate Meanings:

The Theology of John Zizioulas Douglas H. Knight, 2016-03-03 John Zizioulas is widely recognised as the most significant Orthodox theologian of the last half century and acclaimed advocate of ecumenism From his indepth knowledge of the intellectual resources of the Church Zizioulas has argued that the Church Fathers represent a profound account of freedom and community that represents a radical challenge to modern accounts of the person Zizioulas uses the work of the Fathers to make an important distinction between the person who is defined by a community and the individual who defines himself in isolation from others and who sees community as a threat to his freedom Zizioulas argues that God is the origin of freedom and community and that the Christian Church is the place in which the person and freedom come into being This volume offers a critical appraisal of the theology of John Zizioulas Leading Anglican Reformed Catholic and Orthodox international scholars including Colin Gunton Nicholas Loudovikos Paul McPartlan Wolfhart Pannenberg and Philip Rosato present essays which analyse Zizioulas trinitarian doctrine of God and his theological account of the Church as the place in which freedom and communion are actualised Many include discussions of Zizioulas Being as Communion as well as other lesser known works now available in *Communion and Otherness* Together they represent an unrivalled introduction to the work of this great theologian

Love, Imperfectly Known Brother Emmanuel of Taizé, 2011-05-19 This unique work analyzes the crisis in modern society building on the ideas of the Frankfurt School thinkers Emphasizing social evolution and learning processes it argues that crisis is mediated by social class conflicts and collective learning the results of which are embodied in constitutional and public law First the work outlines a new categorical framework of critical theory in which it is conceived as a theory of crisis It shows that the Marxist focus on economy and on class struggle is too narrow to deal with the range of social conflicts within modern society and posits that a crisis of legitimization is at the core of all crises It then discusses the dialectic of revolutionary and evolutionary developmental processes of modern society and its legal system This volume in the *Critical Theory and Contemporary Society* by a leading scholar in the field provides a new approach to critical theory that will appeal to anyone studying political sociology political theory and law *Commentary on 1&2 Peter, 1,2,3*

The Vampire Path to God! My Desperate Plan to Contact God Spiro Hamilton,2021-07-27 Don t you get exasperated furious even about why God is

so confusing Why are there so many different religions and spiritual systems all saying completely different things How are we supposed to discover the truth of God Doesn't it drive you crazy Doesn't it make you desperate to get to the bottom of it all There must be a way to find the right answer It surely wasn't supposed to be this difficult Something's getting in the way blocking our path to God It's as if there's some kind of forcefield standing between God and us Maybe we could call it the Devil Field or the field of fake news and false information It takes something drastic to break on through to the other side but how on earth did I end up using vampires to talk to God You definitely can't get any more drastic and desperate than that My idea for getting the dope on God was in fact inspired by an episode of Buffy the Vampire Slayer hence why this is about the vampire route to God My plan was simple To extract God from the Bible by scanning it into my computer and then get God to answer my questions What could possibly go wrong with that

"In the Face of Barbarism" Dallas Gingles, Michael DeJonge, 2025-10-16 Written by a diverse and global group of scholars with expertise in Bonhoeffer's theology and ethics this volume demonstrates and interrogates Bonhoeffer's focus

on and contribution to the ethics of everyday life Can Dietrich Bonhoeffer's writings improve our morality in day to day life Far from being exclusively relevant to exceptional circumstances this work reveals that Bonhoeffer's moral vision focuses on everyday human flourishing His work is highly relevant to yesterday today and tomorrow The Drama of Love and Death Edward Carpenter,1912 Historical and philosophical discussion on love and death The author tries to grapple with their significance and to come to some resolution about death **The Politics of Conjugal Love** Conor Sweeney,Brian T. Trainor,2019-06-27 Does the New Testament teach that a wife must submit to her husband as head If so does it have a lasting value beyond the cultural milieu in which it was first articulated The Politics of Conjugal Love takes a fresh approach to this classic issue in theological anthropology paying specific attention to the role of theological hermeneutics in its interpretation Conor Sweeney and Brian T Trainor contend that both subordinationist and anti subordinationist readings of headship and submission miss the mark Their alternative is a baptismally specified trinitarian reading in which headship and submission appear as modes intrinsic to both life in Christ and the love proper to the highest mode of trinitarian love

Lonergan and the Theology of the Future David M. Hammond,2017-12-13 Today a variety of theological approaches offer fresh and enriching insights yet much of contemporary religious thought can be disorienting for the beginning student of theology This accessible introduction presents aspects of the thought of Fr Bernard Lonergan SJ 1904 1984 in a way that makes his vital contribution to contemporary theology accessible to the beginning student The author minimizes technical terms and explains basic ideas with user friendly examples Rather than a survey of diverse contemporary theological opinions or a thematic presentation of one topic the book tries to clear away confusions by focusing on the theologian concerned with those topics The book will thus encourage creative ways of overcoming some of the unnecessary obstacles for students who want to explore theology today *Paul and the Philosophers' Faith* Suzan Sierksma-Agteres,2024-07-22 The notion of faith experienced a remarkable surge in popularity among early Christians with Paul as its pioneer Yet what was the wider cultural significance of the pistis word group This comprehensive work contextualizes Paul's faith language within Graeco Roman cultural discourses highlighting its semantic multifariousness and philosophical potential Based on an innovative combination of cognitive linguistics and discourse analysis it explores faith within social political religious ethical and cognitive contexts While challenging modern individualist and irrational conceptualizations this book shows how Paul uses pistis to creatively configure philosophical narratives of his age and propose Christ as its ultimate embodiment

Friends' Quarterly Examiner ,1915 *The Law of Love and Love as a Law* Mark Hopkins,1878 **In Search of the Lost Eros** Loreta Iftinchi,2024-10-11 In Search of the Lost Eros is a meditation on love and its challenges in our modern times This book pairs literary and philosophical quotations from many renowned authors with the author's own reflections trying to create a framework for contemplation on the predicament of love today What is love really What is the cosmic Eros that moves the sun and the other stars Is this the same love that forms the essence of our deepest being Is falling in love a

form of madness Is love blind or visionary Does it inevitably cause suffering And what about marriage must we stay together at all costs until death do us part What are the challenges of sexuality today What distinguishes erotic art from pornography These are some of the questions this essay seeks to explore offering answers that are necessarily incomplete while hoping to inspire readers to gain their own insights into these inexhaustible topics Mystics of the major spiritual traditions have always maintained that our spiritual essence is love and that we ultimately cannot lose it Yet many modern individuals feel that genuine love is missing from their lives This book aims to make a modest contribution to rediscovering some of the lost Eros that we all so ardently long for The Interpretation of Life Gerhardt Cornell Mars,1908
