Love in the Battlefield Debashis Bhattacharyya,2024-12-04 This book masterfully blends fiction and non fiction mirroring a world inching toward destruction amid escalating conflicts Nations are racing to build nuclear weapons driven by ego malice and territorial disputes threatening the very civilization that took millennia to create Humanity now faces the looming shadow of another world war where nuclear devastation could strike at any moment Yet this story offers a solution the unity of humankind through love the only path to lasting peace The author weaves a profound love story that transcends narrow beliefs and urges society to turn away from violence It s a call for global awakening against the misuse of science for destruction Love is shown as the ultimate force to guide us from darkness to light and once readers begin they ll find it impossible to put down My heartfelt wishes to readers for choosing a work destined to be among the world s best

Erotic Love in Sociology, Philosophy and Literature Finn Bowering,2019-08-22 Why is love taken for granted as a part of human

experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love **Love in a Village, etc** Isaac Bickerstaffe, 1824
