Paradisal Love John D. Baildam,1999-10-01 This is the first comprehensive study of Herder s preoccupation with the Song of Songs Baildam considers the importance of this poetry in his thinking and examines his commentaries and translations of 1776 and 1778 Despite Herder s claims to the contrary his own cultural position is revealed in his translations and in his unique interpretation of the work as the voice of pure paradisal love Starting with Herder s interest in the Song of Songs between 1765 and 1778 this book sets his reflections in the wider context of his relativistic views on the nature of poetry contemporary German culture and the importance of primitive poetry in general and the poetry of the Bible in particular Then Baildam looks at current literary critical theories with implications for Herder s translations of these Lieder der Liebe and discusses Herder s theories of language and translation in comparison with German translation theories Herder s reading of the Song as the most primitive natural and sublime example of Hebrew poetry is placed in the context of earlier and contemporary interpretations his opinion of which is examined In the last part of the book there is an appraisal first of Herder s commentaries themselves analysing how the details reflect his overall concept of the work and then of his translations comparing them with each other with the Lutheran text to which Herder ultimately directed his readership and with the Hebrew text A concluding chapter reviews the reception of Herder s work and three appendices offer a parallel presentation of Herder s translations of 1776 and 1778 Luther s translation of 1545 and Goethe s translation of 1775 *The Modernizing of the Orient* Clayton Sedgwick Cooper,1914 Go to [http www archive org details modernizingofori00coopiala](http://www.archive.org/details/modernizingofori00coopiala) for the full text in PDF Hours at Home ,1870 **A Guide to Romantic Love: the Romantic Character and the**

From Russia With Love Ian Fleming,2022-08-16 From Russia With Love the fifth novel in Ian Fleming s iconic James Bond series is a riveting espionage thriller that intricately weaves international intrigue with a profound exploration of human nature Set against the backdrop of the Cold War the narrative unfurls as Bond is unwittingly drawn into a complex trap orchestrated by the sinister organization SPECTRE With Fleming s signature crisp prose and vivid imagery the novel skillfully navigates themes of betrayal loyalty and the often murky morality of espionage encapsulating the anxieties of its era while delivering a fast paced suspenseful plot that keeps readers on the edge of their seats Ian Fleming a British naval intelligence officer during World War II infused his experiences into his writing making his works resonant and authentic His understanding of the espionage world and its players combined with his flair for adventure and luxurious settings shaped his characterization of Bond a suave complex figure entrenched in global politics Fleming s own fascination with the art of spying influenced by his background culminates in this masterful narrative that underscores the tensions of the 1960s From Russia With Love is not merely a spy novel it serves as a commentary on the darker aspects of human ambition For readers seeking a thrilling yet thoughtful exploration of Cold War dynamics this novel is an essential addition to the canon of modern literature promising to enthrall both new and returning fans of the legendary spy The Christian Century ,1929

Brotherly Love Kenneth B. Loiselle,2014-08-21 Friendship an acquired relationship primarily based on choice rather than birth lay at the heart of Enlightenment preoccupations with sociability and the formation of the private sphere In Brotherly Love Kenneth Loiselle argues that Freemasonry is an ideal arena in which to explore the changing nature of male friendship in Enlightenment France Freemasonry was the largest and most diverse voluntary organization in the decades before the French Revolution At least fifty thousand Frenchmen joined lodges the memberships of which ranged across the social spectrum from skilled artisans to the highest ranks of the nobility Loiselle argues that men were attracted to Freemasonry because it enabled them to cultivate enduring friendships that were egalitarian and grounded in emotion Drawing on scores of archives including private letters rituals the minutes of lodge meetings and the speeches of many Freemasons Loiselle reveals the thought processes of the visionaries who founded this movement the ways in which its members maintained friendships both within and beyond the lodge and the seemingly paradoxical place women occupied within this friendship community Masonic friendship endured into the tumultuous revolutionary era although the revolutionary leadership suppressed most of the lodges by 1794 Loiselle not only examines the place of friendship in eighteenth century society and culture but also contributes to the history of emotions and masculinity and the essential debate over the relationship between the Enlightenment and the French Revolution **Just Love** Margaret Farley,2008-02-15 This long awaited book by one of American Christianity s foremost ethicists proposes a framework for

sexual ethics whereby justice is the criterion for all loving including love that is related to sexual activity and relationships It begins with historical and cross cultural explorations then addresses the large questions of embodiment gender and sexuality and finally delineates the justice framework for sexual ethics Though Just Love s particular focus is Christian sexual ethics Farley s framework is broad enough to have relevance for multiple traditions Also covered are specific issues in sexual ethics including same sex relationships marriage and family divorce and second marriage celibacy and sex and its negativities

Love's Wounds Cynthia N. Nazarian, 2017-01-10 Love s Wounds takes an in depth look at the widespread language of violence and abjection in early modern European love poetry Beginning in fourteenth century Italy this book shows how Petrarch established a pattern of inequality between suffering poet and exalted Beloved rooted in political parrh sia Sixteenth and early seventeenth century French and English poets reshaped his model into an idiom of extravagant brutality coded to their own historical circumstances Cynthia N Nazarian argues that these poets exaggerated the posture of the downtrodden lover adapting the rhetoric of powerless desire to forge a new countersovereignty from within the heart of vulnerability a potentially revolutionary position through which to challenge cultural religious and political authority Creating a secular equivalent to the martyr early modern sonneteers crafted a voice that was both critical and unstoppable because it suffered Love s Wounds tracks the development of the countersovereign voice from Francesco Petrarca to Maurice Sc ve Joachim du Bellay Th odore Agrippa d Aubign Edmund Spenser and William Shakespeare Through interdisciplinary and transnational analyses Nazarian reads early modern sonnets as sites of contestation and collaboration and rewrites the relationship between early modern literary forms

Poets of Divine Love Alessandro Vettori, 2004 Clearly written this incisive critical study opens a new analytic window not only to the rhetoric of medieval Italian poetry but also to a richer understanding of one of the most important strands of medieval European culture

I hope that all of you believe in Jesus Christ who has revealed the love of God keep the faith in His love in your hearts and live daily for the sake of spreading that love I hope that you will acquire the blessing of the remission of sin by meeting with God through the gospel of the water and the Spirit The New Life Mission <https://www.bjnewlife.org> *Language, Love, Alterity and Transcendence as a Model of Julia Kristeva's Dynamic Spirituality* Kevin O'Donnell, 2024-10-16 Even an atheist has a spirituality Spirituality can be considered as human rather than narrowly religious Many today call themselves spiritual but not religious It is impossible to define and so various limited models are suggested by researchers This book explores these issues and proposes a new model based upon the oeuvre of the Bulgarian French semiologist philosopher and psychoanalyst Julia Kristeva Kristeva is an atheist with a respect for religion its valuing of the non discursive and its role in therapy Her work is supplemented and contrasted by her peers Hélène Cixous and Luce Irigaray The author proposes a model based on Kristeva's work where themes of Language Love Alterity and Transcendence interact to form what we call spirituality rather than simply being unconnected aspects of it Suggestions are given of how this resulting model can be applied to Secondary Education Religious Education in particular and also approaches to Healthcare Education **The Art of Love in the Orient** N. K. Basu, 1947 **Love and Poetry in the Middle East** Atef Alshaer, 2021-12-30 Love has been an important trope in the literature of the region we now call the Middle East from ancient times to modern This book analyses love poetry in various ancient and contemporary languages of the Middle East including Akkadian ancient Egyptian Classical and Modern Standard Arabic Persian Hebrew Turkish and Kurdish including literary materials that have been discovered and highlighted for the first time Together the chapters reflect and explore the discursive evolution of the theme of love and the sensibilities styles and techniques used to convey it They chart the way in which poems in ancient poetry give way to complex and varied reflections of human sentiments in the medieval languages and on to the modern period which in turn reflects the complexities and nuances of present times Offering a snapshot of the diverse literary languages and their relationship to the theme of love the book will be of interest to scholars of Near and Middle Eastern Literature and Culture **St. Mary's Chimes**, 1916 *If God Is Love, Don't Be a Jerk* John Pavlovitz, 2021-09-28 Thou Shalt Not Be Horrible Imagine for a moment what the world might look like if we as people of faith morality and conscience actually aspired to this mantra What if we were fully burdened to create a world that was more loving and equitable than when we arrived What if we invited one another to share in wide open fearless spiritual communities truly marked by compassion and interdependence What if we daily challenged ourselves to live a faith that simply made us better humans John Pavlovitz explores how we can embody this kinder kind of spirituality where we humbly examine our belief system to understand how it might compel us to act in less than loving ways toward others This simple phrase Thou Shalt Not Be Horrible could help us practice what we preach by creating a world where spiritual community provides a sense of belonging where all people are received as we are the most important question we ask of a religious belief is not Is it true but rather is it helpful it is morally impossible to pledge

complete allegiance to both Jesus and America simultaneously the way we treat others is the most tangible and meaningful expression of our belief system In *If God Is Love Don't Be a Jerk* John Pavlovitz examines the bedrock ideas of our religion the existence of hell the utility of prayer the way we treat LGBTQ people the value of anger and other doctrines to help all of us take a good honest look at how the beliefs we hold can shape our relationships with God and our fellow humans and to make sure that love has the last loudest word
