Love Liberation And Marriage:

Love, Liberation, and Marriage Dorothy T. Samuel, 1976 Eschatology and Ethics Carl E. Braaten, 2017-12-28 Carl Braaten has written an interesting book applying the eschatological perspective to different dimensions of the Christian faith of the life of the church and of Christian ethics His extremely readable style leads to profound insight I particularly like the chapter on the ministry and the wisdom of his reflections on ethical questions Wolfhart Pannenberg University of Munich More than any other theologian today Braaten successfully relates biblical faith and ethics to the whole spectrum of urgent current concerns Richard H Hiers Dept of Religion University of Florida Braaten rightly insists that the church has lost its eschatological bite and he does much toward recovering that loss Gerhard O Forde Luther Theological Seminary St Paul Minnesota This book continues Braaten's persistent effort to interpret vital human concerns by the promise that the Lord lives Robert W Jenson Lutheran Theological Seminary Gettysburg Pennsylvania The sexual life of our time: a complete encyclopaedia of the sexual Iwan Bloch, 1937 *The Sexual Life of Our Time in Its Relation to Modern Civilization* Iwan Bloch, 1912 **The Sexual Life of Our Time in Its Relations to Modern Civilization** Iwan Bloch, 1909 *The Sexual Life of Our Time in Its Relations to Modern Civilization* Ivan Bloch, 2021-04-22 The author's aim in writing this book was to write a complete Encyclopaedia on the sexual sciences and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly manner and in such form as to be of great value to the professions for whom this translation is intended The subject is no doubt one which appeals to and affects the interests of all adult persons but the publishers have after very serious and careful consideration come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormals should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings It is the first time that the subject has been so carefully and fully gone into in the English language and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi criminal matters and probably in matrimonial disputes and cases of insanity *Autonomy and Dependence in the Family* Rita Liljestrom, 2003-09-02 The width of this problematic is skillfully illustrated in this volume where scholars sociologists and psychologists from countries at the opposite edges of the European continent Turkey and Sweden discuss the structural conditions and moral **The School in the Social Setting** Alan Gorr, 1974-08 Love Lives Carol Dyhouse, 2021 This book is about the reshaping of women's lives loves and dreams It tells the story of how expectations and emotional landscapes have shifted since 1950 when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings **The Sexual Life of Our**

Book of Wisdom Benjamin Meyer, 2011

The Secret Success of Marriage BRANFORD B YEBOAH, 2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray

Contemporary Anarchism Terry M. Perlin, Anarchism literally a society without government is less a political philosophy than it is a temperament Anarchists are defiant people who seek to organize for the purpose of destroying organization For its adherents anarchism means a grand struggle against evil a plea for the new a secular crusade against the debasement of self a fight against the degradation of mankind that organized society seems to represent Anarchism is anti politics anti economics anti authoritarianism in all forms Anarchism is a mood of perpetual rebellion The decade of the sixties witnessed a revival in the anarchist temperament which Perlin finds evident in such diverse efforts as the women s liberation movement student demonstrations civil rights marches free schools the back to the land movement demands for birth control and other usually controversial causes and activities This new anarchism had

few conscious links with the old anarchism It was instead a response to changed conditions in the social fabric of American and European life a reflex to the structural cultural and psychological tensions that made those years turbulent strife filled and rebellious Perlin concludes that while a revolution was not made in the sixties a revolutionary life style became a possibility The spokesmen for the marginal groups whose interests achieved a new kind of legitimacy during the sixties were anarchists or their sympathizers A representative cross section of their writings is included in this volume Marriages and Families in the 21st Century Tasha R. Stearns, 2022-08-09 The Routledge History of Emotions in the Modern World brings together a diverse array of scholars to offer an overview of the current and emerging scholarship of emotions in the modern world Across thirty six chapters this work enters the field of emotion from a range of angles Named emotions love anger fear highlight how particular categories have been deployed to make sense of feeling and their evolution over time Geographical perspectives provide access to the historiographies of regions that are less well covered by English language sources opening up global perspectives and new literatures Key thematic sections are designed to intersect with critical historiographies demonstrating the value of an emotions perspective to a range of areas Topical sections direct attention to the role of emotions in relations of power to intimate lives and histories of place as products of exchanges across groups and as deployed by new technologies and medias The concepts of globalisation and modernity run through the volume acting as foils for comparison and analytical tools The Routledge History of Emotions in the Modern World is the perfect resource for all students and scholars interested in the history of emotions across the world from 1700 Hegel, Freedom, and Modernity Merold Westphal, 1992-07-01 This book studies the intersection of Hegel's political theory as developed in the Philosophy of Right with his philosophy of religion and his dialectical holistic theory of knowledge It explores both the methodological and theological dimensions of Hegel's politics by placing him in dialogue with such traditions as Hinduism the Protestant Reformation and the contemporary Religious Right and with such individual thinkers as Husserl Gadamer Pannenberg and Tillich The author shows that Hegel's philosophy outlines the dilemma of religion and society perhaps more clearly than any other modern thinker's perspective Namely that a religiously based society tends to be sectarian exclusive and intolerant while a fully secular society tends to lose the conditions which make community in any meaningful sense possible Hegel's search for a nonsectarian spirituality of community poses the problem the contemporary world must solve if we are to uncover a humane society *Marriage for a Lifetime* Floyd W. Thatcher, Harriett Thatcher, 1995 Why do some marriages get better as time goes by while others fall apart Through fascinating interviews and personal observations the Thatchers discovered key ingredients to enjoying a long lasting marriage By listening to the candid stories of dozens of couples who have been there all married for over 20 years you will

find help and hope for making your marriage stronger **A Women's Lectionary for the Whole Church Year A** Wilda C. Gafney, 2021-08-17 What would it look like if women built a lectionary focusing on women's stories What does it look like to tell the good news through the stories of women who are often on the margins of scripture and often set up to represent bad news How would a lectionary centering women's stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching The scriptures are androcentric male focused as is the lectionary that is dependent upon them As a result many congregants know only the biblical men's stories told in the Sunday lectionary read in their churches A more expansive more inclusive lectionary will remedy that by introducing readers and hearers of scripture to women's stories in the scriptures A Women's Lectionary for the Whole Church when completed will be a three year lectionary accompanied by a stand alone single year lectionary Year W that covers all four gospels Year A features the Gospel of Matthew with John interwoven as is the case in the Revised Common Lectionary RCL and Episcopal Lectionary
