Having Fun with Words of Wit and Wisdom Tom McMorrow, 2009-10 something here

Fighting Talk Bob Jones, 2013-08-16 From A Low Blow to Went the Distance a fascinating and lively examination of the regular use of terms from the boxing ring in our everyday language Have you ever stopped to notice how often your local newspaper or favourite magazine uses the terms On the Ropes The Gloves Are Off and Knockout Punch How often TV newsreaders will say that a politician has Thrown His hat in the Ring is a Big Hitter is Taking it on the Chin is Down for the Count or has the Killer Instinct Knight of the realm leading businessman colourful and controversial commentator and boxing aficionado Sir Robert Bob Jones certainly has Over a period of years he made careful note of how often terms cropped up and then retraced their etymological origins in boxing history The result is a lively entertaining and thought provoking miscellany of boxing terms that are now part of our everyday English language

Some have strayed far from their original meanings others are more frequently in use now than at any other time Jones asks why that might be and his answers are well a knockout

Return of the Believer Terry L. Burden,2023-06-05 Return of the Believer Studies in the Prayer of Jesus from the Gospel of John is a theological study of the Prayer of Jesus specifically the Gospel of John in general and relevant topics in the Synoptic Gospel The Prayer of Jesus contains twenty six verses with each verse prompting broader applications for the Christian faith The main title Return of the Believer implies an original express of faith in Jesus Christ by John the writer of the Gospel The study accepts an apologetic value to the Gospel of John as it argues the importance of true faith through the acceptance of John s interpretation of Jesus Christ The Prayer of Jesus is a summary of John s views of Jesus The return of the believer is a call for a renewal of faith in the New Testament especially the Gospel of John This study reveals the Apostle John as the true believer and model for the Christian faith and the Prayer of Jesus provides a summary of John s teachings and the expressed will of God for the Church Each verse is explained in the context of its surrounding verses and important topics are addressed The special feature of the Prayer is its prompting of related issues that appear elsewhere in the New Testament and the teachings of the Church For example the Prayer and the Gospel itself does not mention the birth of Jesus but instead focuses on the pre existence of the Son as the eternal Logos or God This study requires an explanation of the difference Discussions of each verse invite the reader to engage in contemporary related issues

The Song Remains the Same Andrew Ford, Anni Heino, 2019-12-02 An illuminating history of the song for every kind of music lover Often today the word song is used to describe all music A free jazz improvisation a Hindustani raga a movement from a Beethoven symphony apparently they're all songs But they're not From Sia to Springsteen Archie Roach to Amy Winehouse a song is a specific musical form It's not so much that they all have verses and choruses though most of them do but that they are all relatively short and self-contained they have beginnings middles and ends they often have a single point of view message or story and crucially they unite words and music Thus a Schubert song has more in common with a track by Joni Mitchell or Rihanna than with one of Schubert's own symphonies The Song Remains the Same traces these connections through seventy-five songs from different cultures and times love songs anthems protest songs lullabies folk songs jazz standards lieder and pop hits When You Wish Upon a Star to We Will Rock You Jerusalem to Jolene Unpicking their inner workings makes familiar songs strange again explaining and restoring the wonder joy or possibly loathing the reader experienced on first hearing As much about singing musicianship and recording as it is about songwriting this eclectic ride through a unique choice of songs everyone will argue for alternatives is cleverly curated and littered with intriguing details about the creators and their times filled with loving cross references to other songs and deft musical analysis I defy anyone not to leap online to listen to the unfamiliar or re-listen to old favourites in light of new detail One of the best games in this book is figuring out why one song follows the other there's always an intelligent often very funny link
