Love and Politics Jeffery L. Nicholas,2021-06-07 In Love and Politics Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre s Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle s metaphysics to defend a philosophical anthropology based on Eros Love and Politics Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre s Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers

God and the Problems of Love Kelly James Clark, 2023-12-06 Religious believers are often commanded to love like God On classical accounts God seems a poor model for human beings an immutable and impassable being seems incapable of the kind of episodic emotion sympathy empathy that seems required for the best sorts of human love Models more conducive to human love on the other hand are often rejected because they seem to limit God's power and glory This Element looks first at God and then divine love within the Abrahamic traditions Islam Christianity and Judaism It will then turn to love and the problem of hell which is argued as primarily a problem for Christians The author discusses the kind of love each tradition asks of humans and wonders given recent work in the relevant cognitive and social sciences if such love is even humanly possible This title is also available as Open Access on Cambridge Core

Atonement and Ethics in 1 John Christopher Armitage, 2021-06-17 Christopher Armitage considers previous theological perception of 1 John as a text advocating that God abhors violence contrasted with biblical scholarship analysis that focuses upon the text's birth from hostile theological conflict between insiders and outsiders with immensely hostile rhetoric directed towards antichrists and those who have left the community Armitage argues that a peace oriented reading of 1 John is still viable but questions if the commandment that the community loves each other is intended to include their opponents and whether the text can be of hermeneutic use to advocate non violence and love of one's neighbour This book

examines five key words from 1 John hilasmos sfazo anthropoktonos agape and adelphos looking at their background and use in the Old Testament in both Hebrew and the LXX arguing that these central themes presuppose a God whose engagement with the world is not assuaging divine anger nor ferocious defence of truth at the expense of love but rather peace and avoidance of hatred that inevitably leads to violence and death Armitage concludes that a peacemaking hermeneutic is not only viable but integral to reading the epistle *God Is Stranger* Krish Kandiah,2017-12-05 Have we missed the Bible's consistent teaching that God is other higher stranger Krish Kandiah offers us a fresh look at some of the difficult awkward and even troubling Bible passages challenging us to replace our sanitized concept of God with a more awe inspiring true to the Bible God Allow yourself to be surprised by God as you find him in unexpected places doing the unexpected **Love Is the Point** Carlos PenaVega,Alexa PenaVega,2023-08-22 Love in action is what life is all about Take a 100 day journey to recognize the ways that God shows love in your life and discover opportunities to share that love with those around you in this daily devotional In What If Love Is the Point Carlos and Alexa PenaVega shared how putting God at the center of their marriage parenting and career choices dramatically changed their lives and brought real fulfillment Now in Love Is the Point they've created a 100 day devotional inviting you to join them on the adventure of experiencing God's love and boldly sharing that love with others This relevant and inspirational devotional will inspire you to focus on God and his love in their everyday lives encourage you to see all of the ways that God shows his love whenever we seek him and Challenge you to put God's love into action through reflection questions tips for how to love people we don't automatically connect with A practical and moving follow up to their first book this devotional reminds you that whether you are facing hardships or celebrating happy occasions you can hear God's quiet voice that encourages and empowers you to live with hearts full of love Because love is the point *Jesus or Nietzsche* Raymond Angelo Belliotti,2013 This book reconstructs the cornerstones of Jesus's moral teachings about how to lead a good even exemplary human life It does so in a way that is compatible with the most prominent competing versions of the historical Jesus The work also contrast Jesus understanding of the best way to lead our lives with that of Friedrich Nietzsche Both Jesus and Nietzsche were self consciously moral revolutionaries Jesus refashioned the imperatives of Jewish law to conform to what he was firmly convinced was the divine will Nietzsche aspired to transvalue the dominant values of his time which themselves were influenced greatly by Christianity in service of what he took to be a higher vision The interplay of these radical versions of the good human life seasoned with critical commentary emerging from modern findings in the sciences and humanities opens possibilities and lines of inquiry that can inform our choices in answering that enduring paramount question How should we live our lives *Services For Special Days* Mary Lu Warstler,2006 Looking for worship material specifically tailored for holidays and other special out of the ordinary occasions If so then you'll draw on this compendium of services for fresh ideas throughout the year Each of these 13 services actively involves the congregation through the singing of several hymns as well as scripture and dramatic readings that can be

Balboni, Tracy A. Balboni, 2018-09-18 Spiritual sickness troubles American medicine Through a death denying culture medicine has gained enormous power an influence it maintains by distancing itself from religion which too often reminds us of our mortality As a result of this separation of medicine and religion patients facing serious illness infrequently receive adequate spiritual care despite the large body of empirical data demonstrating its import to patient meaning making quality of life and medical utilization This secular sacred divide also unleashes depersonalizing social forces through the market technology and legal bureaucratic powers that reduce clinicians to tiny cogs in an unstoppable machine Hostility to Hospitality is one of the first books of its kind to explore these hostilities threatening medicine and offer a path forward for the partnership of modern medicine and spirituality Drawing from interdisciplinary scholarship including empirical studies interviews history and sociology theology and public policy the authors argue for structural pluralism as the key to changing hostility to hospitality **Liberal Judaism and Hellenism** Claude Goldsmid Montefiore, 1918
