important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded Recovering the Love Feast Paul Fike Stutzman,2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In Recovering the Love Feast Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e g the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation feetwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today s Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship **Rhythms of Love - Jasmuheen's Travel Journal** Jasmuheen,2012-12-06 As a commitment to witness stimulate and record humanity s co creation of paradise on earth Jasmuheen shares her experiences and insights on this as she travels the globe during 2006 to 2012 From Russia and the Eastern Bloc countries through Europe to the jungles of Colombia and India Jasmuheen reports on her work with many open hearted groups that gather with her In this journal the reader gains insight on what life is like for someone who is in full time service with this paradise co creation agenda Spending nearly half of each year on the road living in hotel rooms airports and seminar halls constantly adjusting to continually changing weather patterns all the while being nourished only by prana Jasmuheen manages to keep herself healthy and happy regardless of the many challenges she faces for despite all of this she grows and learns and thoroughly enjoys meeting with all the beautiful light filled people that she now constantly meets in this world **God Loves You** Thomas Franckowiak,2012-04 Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift Often He has blessed you with many more His gift of love to you however is the most precious of them all If godly love is your one talent it is yours to continually refine throughout your life In order to continually grow in godly love God s Word must be your road map God Loves You Notes of His Love unearths
