LOVE'S LABOUR'S LOST

Love And Labours

William Shakespeare

Love And Labours:

Love's Labour's Lost Felicia Hardison Londré, 1997 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource.

Love's Labours Lost Illustrated William Shakespeare, 2021-05-26 Love's Labour's Lost is one of William Shakespeare's early comedies, believed to have been written in the mid 1590s and first published in 1598. The play opens with the King of Navarre and three noble companions, Berowne, Dumaine, and Longaville, taking an oath to devote themselves to three years of study, promising not to give in to the company of women. Berowne, somewhat more hesitantly than the others, joins the company. A king and his lords form an austere academy, swearing to have no contact with women for three years. But when the Princess of neighbouring France arrives with her female attendants, their pledge is quickly placed under strain. Soon all are smitten, and confusion abounds. In Shakespeare's hopeful, open-hearted and verbally dazzling comedy of deception, desire and mistaken identity, we are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand-curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience.

Love's Labours Lost Annotated William Shakespeare, 2019-03-03 Love's Labour's Lost is one of William Shakespeare's early comedies, believed to have been written in the mid 1590s and first published in 1598. The play opens with the King of Navarre and three noble companions, Berowne, Dumaine, and Longaville, taking an oath to devote themselves to three years of study, promising not to give in to the company of women. Berowne, somewhat more hesitantly than the others, joins the company.

Love's Labour's Lost William Shakespeare, 1995 I feel that I have spent half my career with one or another Pelican Shakespeare in my back pocket. Convenience, however, is the least important aspect of the new Pelican Shakespeare series. Here is an elegant and clear text for either the study or the rehearsal room, notes where you need them, and the distinguished scholarship of the general editors, Stephen Orgel and A. R. Braunmuller, who understand that these are plays for performance as well as great texts for contemplation. Patrick Stewart. The distinguished Pelican Shakespeare series.

which has sold more than four million copies is now completely revised and repackaged Each volume features Authoritative reliable texts High quality introductions and notes New more readable trade trim size An essay on the theatrical world of Shakespeare and essays on Shakespeare s life and the selection of texts *Love's labours lost. LOVES LABOURS LOSTA most excellent reason exists for Kenneth Branagh making the decision to turn William Shakespeare's Love's Labour's Lost into a musical comedy when he adapted it for the screen Although critics and the dozen or so people who actually paid to get into a theater to watch it may disagree Even without Branagh's transformation of the play into a 1930s Hollywood style musical Love's Labour's Lost could quite accurately be termed the Bard's attempt at writing a Broadway style musical comedy since a faithful presentation of the intact play with no cuts produces more singing than any other of his plays That being said it is worth pointing out that Branagh's filmed version of Love's Labour's Lost released in 2000 was the first feature film version of the play and not only was the setting updated by several centuries but roughly two thirds of the text was cut and additional characters not found in the original While the film was a flop that failure is not likely placed on those changes since perhaps more than any Shakespeare play Love's Labour's Lost seems to be directed toward the specific aesthetic characteristics of Elizabethan courtiers Very few people then now or ever have any real ability to relate to the aesthetic demands of those attending Renaissance court As a result this very early effort by Shakespeare perhaps his first attempt at a comedy has never been particularly popular once production of Shakespeare's plays moved outside the environs of the aristocracy and into the theater of the people from the Globe to the Cineplex **Love's Labours Lost by William Shakespeare (illustrated)** William Shakespeare,2020-05-24

Author William Shakespeare bapt 26 April 1564 23 April 1616 a was an English poet playwright and actor widely regarded as the greatest writer in the English language and the world's greatest dramatist He is often called England's national poet and the Bard of Avon or simply the Bard His extant works including collaborations consist of some 39 plays 154 sonnets two long narrative poems and a few other verses some of uncertain authorship His plays have been translated into every major living language and are performed more often than those of any other playwright Shakespeare was born and raised in Stratford upon Avon Warwickshire At the age of 18 he married Anne Hathaway with whom he had three children Susanna and twins Hamnet and Judith Sometime between 1585 and 1592 he began a successful career in London as an actor writer and part owner of a playing company called the Lord Chamberlain's Men later known as the King's Men At age 49 around 1613 he appears to have retired to Stratford where he died three years later Few records of Shakespeare's private life survive this has stimulated considerable speculation about such matters as his physical appearance his sexuality his religious beliefs and whether the works attributed to him were written by others Shakespeare produced most of his known works between 1589 and 1613 His early plays were primarily comedies and histories and are regarded as some of the best work produced in these genres Until about 1608 he wrote mainly tragedies among them Hamlet Othello King Lear and Macbeth all considered to be among the finest works in the English language In the last phase of his life he wrote tragicomedies also known as romances and collaborated with other playwrights Many of Shakespeare's plays were published in editions of varying quality and accuracy in his lifetime However

in 1623 two fellow actors and friends of Shakespeare's John Heminges and Henry Condell published a more definitive text known as the First Folio a posthumous collected edition of Shakespeare's dramatic works that included all but two of his plays The volume was prefaced with a poem by Ben Jonson in which Jonson presciently hails Shakespeare in a now famous quote as not of an age but for all time Throughout the 20th and 21st centuries Shakespeare's works have been continually adapted and rediscovered by new movements in scholarship and performance His plays remain popular and are studied performed and reinterpreted through various cultural and political contexts around the world About This Book

Love's Labour's Lost is one of William Shakespeare's early comedies believed to have been written in the mid 1590s and first published in 1598 The play opens with the King of Navarre and three noble companions Berowne Dumaine and Longaville taking an oath to devote themselves to three years of study promising not to give in to the company of women Berowne somewhat more hesitantly than the others
