about my special love for Jesus Christ and his children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to mothers newborns and little children While my soul is grieving a section is centered on the ongoing Christian persecution especially the genocide of Christians in my country Egypt which is also the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason or another such as neuroscience in aerospace and some of the timely and touching subjects such as drug overdose human trafficking and health care crises Few chapters are included about my personal views about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about

Whatever the Cost David Benham, Jason Benham, 2015-02-17 Two nationally acclaimed real estate entrepreneurs share biblical principles to revolutionize your work and family life and give you the courage to stand up for what is right This book follows the story of highly motivated and entrepreneurial twin brothers David and Jason Benham from their formative years and ventures into professional baseball to their rise as owners of a multi million dollar business empire and securing an HGTV reality series It's a journey where the brothers learned how they must die to their dreams not just once but twice as they walked away from baseball before being called up to the Big Show and later as their TV series was stripped away from them just before airing when the network succumbed to media pressures surrounding their faith These experiences only helped them realize that the key to powerful living is found when you die to your dreams and face your fears and choose to live powerfully through it all The biblical principles they implemented to guide their work and families are revealed in practical terms to apply to our daily lives and give us courage to stand for what is right The book will expand on principles such as Show that You are Faithful in Little Be a Fountain to Others and not a Drain Produce More in Value than You Receive Work to Your Ability and not Your Pay Breathe Life into All Situations Remember that You are Human Beings not Human Doings Hold to a Standard of Disciplined Living Don't Swing at Every Pitch Find Your Greatest Blessings on the Other Side of Your Greatest Fears
