himself enough to follow the rules Practicing law in a small town leads to cases overlapping After learning a devastating secret in complete confidence about Katelyn from another client Gary has to choose whether or not he wants to risk his career for a woman he barely knows in a situation her never thought he would find himself in Does he break the new client's confidence and tell Katelyn Does he say nothing to Katelyn and hide the devastating truth forever Does he take matters into his own hands Should he even be thinking about these things as a married man As Gary's life collapses around him it becomes apparent that there is no longer simply one right answer and one wrong answer No matter what choice he makes next Gary must begin to go off script as his personal and professional lives collide
