memories and a new whole Being of Light **The devil is in the detail** Dr. Phillip Botha, 2012-10-21 It is time someone told the truth about the devil no holds barred Everything that we see touch smell hears taste eat or drink has an influence over us Whether it is a innocent enough CD we buy from the Music Store or a hamburger from the corner shop each and every thing that we are exposed to influence the way in which we think and act whether we want to believe it or not This book is written with the intention of creating awareness around the devil and his plan to lead us astray to make us believe in him rather than God The devil plans on winning us over by exposing us to literally endless accounts of manipulative techniques and brainwashing which I will discuss in full detail in this book after all the devil is in the detail **In God's Love** Janet Hurlow, 2010-03-25 In Gods Love contains all 532 passages that were revealed to me The passages of In Gods Love contain wisdom truth knowledge challenges and most importantly love Some of the themes of In Gods Love are God the universe creation freewill suffering Satan morality Jesus prayer wealth sexuality death hell heaven the messengers and their mission This is just a little taste of what In Gods Love says about these topics What does In Gods Love say about God His nature is kind and gentle Look at a flower Turn it in your hand How does it feel Is it soft velvety and rich in color How does that fragile petal make you feel Gods nature is like that He is as gentle as the soft petal from the flower you are holding in your hand He is such a delight and so much more Your God is an awesome Being His merriment is beyond what any creation has ever known God shall nourish the spirit and satisfy the thirst of the soul All else is in vain His beauty is all beauty His love is all love His life is all life Have you heard the most wonderful music on Earth Mmm Hold your baby with love and tenderness Gods love is like this only a zillion of times more intensified This is what its all about God loves you all In His creation is the most wicked sinner whom no man in his pain could forgive This sinner cried out to God with a contrite and loving heart In this cry compassion and mercy bore his spirit up to God forever What does In Gods Love say about the universe Signs of life are in the Heavens beyond your sun and there is a Creator who is your God Can these little ones God has made be all Look at the heavens at night Has God made all this for no reason A God who has a reason for everything Such wonders are very real Right and strong are many worlds and many people What does In Gods Love say about Creation Without God creation would not exist This is the Spirit of all life He is why things are He chose you to be His adopted child What a marvelous gift Blessings of life are sent to you from God He chose you because He wanted you He wanted you to live forever and share in His gifts and mysteries of eternal life Earth people could have roamed the Earth as senseless as the wild boar On Earth animals are made for mankind This is a God who honored you and made you human instead of a wild dog that roams the forest in search of prey What a gift He made you human He chose you to share in His delights forever God made mankind and gave him her a mind a consciousness a reality God made mankind and woke His creation up What does In Gods Love say about our freewill Make your choice Will you choose an eternity of happiness or will you choose an eternity of pain Select Make your decision Spirit of truth and love or spirit of deception and hate Bitter is the cup set before the wicked Would you

Thomas Johnson-Medland, Glinda G. Johnson-Medland, 2013-11-11 Having grown up in the shadow of the Bomb and having provided supportive care to post Cold War generations of children and their parents both in crisis I have seen a lot of distrust and instability in people individually and in communities I have seen how the shadow of impending doom can rewrite a way that people live This distrust and instability is not a personal issue It is a sign and symptom of having lived in a time when the imagination can harbor not simply notions of tribal decay and destruction but the decay and destruction of all tribes in all places and throughout all future time We can wipe out everything that exists within the realm of our planet in an instant This changes who people are This changes how people grow and develop The current earth crisis is large It looms overhead and in our homes It is more visible and prevalent than the crisis of the Bomb Everything we pick up and discard is a reminder that we have a problem In many ways this crisis is more severe than the Bomb In this crisis everyone has a button they can push to bring destruction We have more madmen to worry about Everyone Everyone has an impact on global ecologic and climate issues Here are poets songs on the beauty of the earth lest we forget *Love Letter to the Earth* Thich Nhat Hanh, 2013-06-17 World renowned Zen monk Thich Nhat Hanh champions a more mindful spiritual approach to protecting nature and limiting climate change one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point He believes that we need to move beyond the concept of the environment as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them Here Thich Nhat Hanh points to the lack of meaning and connection in peoples lives as being the cause of our addiction to consumerism He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive Rejecting the conventional economic approach Thich Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change *Love Letter to the Earth* is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the

planet are ultimately one and the same Love Is Crazy Lessons In Love: Creating Your Own Happy Ever After Love Guru Uma,2018-01-24 Michael Bernard Beckwith says Uma is not merely a seeker of love a writer about love she IS Love And that s what makes this a trustworthy guide through the labyrinth of love with its twists and turns A beautiful quirky love weary single mom is mugged in South Central LA chases him down and wonders how she got there an unbelievable fictional tale based on a true story Our heroine follows her heart from Sedona to Seattle with two sons in tow Her fianc suffers from an incurable disease seriously She learns invaluable love lessons while singing her heart out in this riotous topsy turvy adventure in love She deals with a pathological liar her fianc on hallucinogenic prescription drugs and his teenage brat and survives Sexaholics Anonymous and powerfully positive self help groups while doing whatever it takes to find and keep love but is it enough Love Is the Greatest Conqueror Ray Fourie,2009-07 Brad Fisher came from a strict Christian home His parents were concerned that Brad s relationship with his non Christian girlfriend had become a stumbling block and he was no longer committed to God as he used to be For his seventeenth birthday they gave him an air ticket to visit Brad s fathers brother a missionary in Southern Africa With much trepidation and anger he departs to Africa This is a story of a teenager who is exposed to a relationship with the Lord and learns to trust God Set in the Zambezi Valley Brad comes face to face with Africa s fiercest wild animals and when his uncle and cousin take him on a trip to deliver bibles to a mission station in Mozambique they are captured by blood thirsty bandits The three of them experience God s love as never before Near death the three of them put their trust in God and watch as God s love defeats the enemy and after witnessing so many miracles Brad sees God s power at work Brad left America an immature teenager and returns a young man Ray Fourie was born and educated in Rhodesia which is now called Zimbabwe He spent years in the Territorial Army fighting against communist guerrillas Ray as well as being in secular work where he had his own company now works for an International Christian Ministry He has spent twenty two years working with the same ministry He now lives in England Love & Light Clayton Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth Love is Not Love Jon Reagan,2025-07-29 Love Is Not Love Contending for a Pure Gospel in a Compromised Church delivers a bold defense of biblical truth in an era of theological compromise With passion and clarity
