Born Breech into Covenant: the Experience of Mother Carol Bosworth,2009-07-23 Each of us has a lifetime in which to discover our way to belong within our particular experience of times and events Instead of an operating manual our families and cultures give us expectations for who we are and what is our place in the world This is the story of my journey into the calling of motherhood that I did not understand and struggled to reject Conscientious wrestling with the experiences of motherhood eventually taught me how entangled love and anger can be and how suffering is inseparable from both Finally a deeper call to love confronted me

Decreation and the Ethical Bind Yoon Sook Cha,2017-06-01 In Simone Weil s philosophical and literary work obligation emerges at the conjuncture of competing claims the other s self affirmation and one s own dislocation what one has and what one has to give a demand that asks for too much and the extraordinary demand implied by asking nothing The other s claims upon the self which induce unfinished obligation unmet sleep hunger drive the tensions that sustain the scene of ethical relationality at the heart of this book Decreation and the Ethical Bind is a study in decreative ethics in which self dispossession conditions responsiveness to

a demand to preserve the other from harm In examining themes of obligation vulnerability and the force of weak speech that run from Levinas to Butler the book situates Weil within a continental tradition of literary theory in which writing and speech articulate ethical appeal and the vexations of response It elaborates a form of ethics that is not grounded in subjective agency and narrative coherence but one that is inscribed at the site of the self's depersonalization **Day by Day** Chaim Stern,2000-09 A spiritual source for daily reflections the poems proverbs quotations and excerpts from various spiritual and philosophical texts in this book have been selected to inspire and comfort They include writings from such diverse sources as the Talmud the psalms Einstein and Susan Sontag **Flow Notes** Tamara Jo Cortez,2013-01-24 The little inspirational book that can change your life and open your Self to your Spirit Once again your flow notes struck a deep chord for me I have been struggling to deal with anger and hurt But when I read your flow notes this morning I had a minor breakdown because it is just what I needed to hear THANK YOU _ Sue Pr Educator A new perspective for the growth periods of your life and how changing the way we view something can change the reality we see *The Poet's Work* Leonard Nathan,Arthur Quinn,1991 Born eighty years ago in Lithuania Czeslaw Milosz has been acclaimed one of the greatest poets of our time perhaps the greatest Joseph Brodsky This self-described connoisseur of heavens and abysses has produced a corpus of poems essays memoirs and fiction of such depth and range that the reader's imagination is moved far beyond ordinary limits of consciousness In *The Poet's Work* Leonard Nathan and Arthur Quinn follow Milosz's wanderings in exile from Poland to Paris to Berkeley as they chart the singular development of his art Relating his life and his works to the unfolding of his thought they have crafted a lucid reading of Milosz that far surpasses anything yet written on this often enigmatic poet *The Poet's Work* is not only a solid introduction to Milosz it is also a unique record of the poet's own interpretations of his work As colleagues of Milosz at Berkeley Nathan and Quinn had long detailed discussions with the poet It is this spirit of collaboration that brings a sense of immediacy and authority to their seamless study Nathan and Quinn reveal as never before why Milosz is a true visionary a poet of ideas in history And they show how the influence of Blake Simone Weil Dostoevsky Lev Shestov and Swedenborg together with Henry Miller Allen Ginsberg and Robinson Jeffers has enriched his vision Milosz's lifelong experience of totalitarian regimes that exalt science and technology over individual needs and aspirations his acute sense of alienation as an migr and his humanistic zeal and belief in the primacy of living have brought a prismatic quality to his poetry At seventy Milosz spoke of himself as an ecstatic pessimist In their sensitive mapping of his art Nathan and Quinn skillfully demonstrate that Milosz's global influence has been achieved by the ever shifting balance he strikes between ecstasy and pessimism Irony and humor are never far from this book which not only communicates Milosz's polyphonic message but also evokes his uniquely humane sensibility *The Poet's Work* is an illuminating introduction to Milosz that will inform and engage scholars and general readers for years to come **Collage in Twenty-First-Century Literature in English** Wojciech Drag,2019-11-12 Collage in Twenty First Century Literature in English Art of Crisis considers the phenomenon of the

continued relevance of collage a form established over a hundred years ago to contemporary literature It argues that collage is a perfect artistic vehicle to represent the crisis ridden reality of the twenty first century Being a mixture of fragmentary incompatible voices collage embodies the chaos of the media dominated world Examining the artistic sociopolitical and personal crises addressed in contemporary collage literature the book argues that the 21st Century has brought a revival of collage like novels and essays

Back Roads to Israel Maxwell Thurston,2019-02-07 The origin and emphasis of the Judeo Christian faith began with the call of Abram Concerning salvation have you ever asked why there s a need or a purpose for a call in the first place And besides who was God actually talking to in the land of Ur Back Roads to Israel is a study of Jesus s spiritual ancestry and background Author Maxwell Thurston helps explain how Abraham a man of flesh and bones has a direct ancestral lineage to Jesus because if Jesus is the Son of God then there must be spiritual DNA that connects him with the Lord our God who is in heaven Knowing the spiritual avenues taken by Abraham will take us to the beginning of creation when the living word was with God If you are able to travel the unbeaten path the back roads of Abraham then it will help clear up confusion about Jesus especially the part where we read From thy father s house

Insanity and Genius Harry Eiss,2014-06-02 In his book about the discovery of the structure of DNA James Watson wrote So we had lunch telling ourselves that a structure this beautiful just had to exist Indeed the quest most often asked by scientists about a scientific theory is Is it beautiful Yes beauty equals truth Scientists know mathematicians know But the beauties the truths of mathematics and science were not the truths that inspired the author as a child and he intuitively knew that the truths he needed come from a different way of knowing a way of knowing not of the world of logic and reason and explanation though they have a value but rather a way of knowing that is of the world expression a world that enters the truths beyond the grasp of logic That is what this book is all about It is an exploration of the greatest minds of human existence struggling to understand the deepest truths of the human condition This second edition updates the previous one incorporating new publications on Van Gogh recent discoveries in neurology psychology and the rapid developments in understanding DNA and biotechnology We ve come a long way already from that original discovery by Watson and his coauthor Francis Crick
