Beyond A Love Supreme Tony Whyton, 2013-07-18 Recorded by his quartet in a single session in 1964 *A Love Supreme* is widely considered John Coltrane's magnum opus and one of the greatest jazz albums of all time In *Beyond A Love Supreme* Tony Whyton explores both the musical complexities of *A Love Supreme* and the album's seminal importance in jazz history Marking Coltrane's transition from the bebop and hard bop of his earlier recordings to the free jazz style perfected throughout the rest of his career the album also embodies the deep spirituality that characterized the final years of his life The titles of the four part suite Acknowledgment Resolution Pursuance and Psalm along with the poem Coltrane composed for inclusion in the liner notes which he recites instrumentally in Psalm reflect the religious aspect of the album a quality that contributes to its mystique and symbolic importance within the canon of major jazz recordings But Whyton also shows how *A Love Supreme* challenges many of the traditional unreflective assumptions that permeate jazz culture the binary oppositions between improvisation and composition black music and white music live performance and studio recording He critically examines many of the mythologizing narratives about how the album was conceived and recorded and about what it signifies in terms of the trajectory of Coltrane's personal life Sifting through the criticism of late Coltrane Whyton suggests ways of listening to these recordings that go beyond the conventional ideologies of mainstream jazz practice and open the music to a wider range of responses Filled with fresh insights into one of the most influential recordings in jazz history *Beyond A Love Supreme* is an indispensable resource for jazz scholars jazz musicians and fans and aficionados at all levels

Resurrection City Peter Goodwin Heltzel, 2012-11-23 In *Resurrection City* Peter Heltzel paints a prophetic picture of an evangelical Christianity that eschews a majority mentality and instead fights against racism inequality and injustice embracing the concerns of the poor and marginalized just as Jesus did Placing society's needs front and center Heltzel calls for radical change and collective activism modeled on God's love and justice In particular Heltzel explores the social forms that love and justice can take as religious communities join together to build beloved cities He proclaims the importance of improvising for justice likening the church's prophetic ministry to jazz music and develops a biblical theology of shalom justice His vision draws inspiration from the black freedom struggle and the lives of Sojourner Truth Howard Thurman and
