The Memoirs of the Civil War Commanders is a rich tapestry of personal narratives that captures the tumultuous period of the American Civil War through diverse perspectives. The anthology weaves together a range of literary styles from the reflective and introspective to the commanding and strategic, providing a multifaceted view of one of history's most pivotal conflicts. The collection holds a dynamic tension between the deeply human experiences of the war and the broader socio-political reverberations it caused, featuring standout accounts that highlight not only the battles fought on the field but also the ideological struggles that defined the era. The authors contributing to this volume, such as Raphael Semmes, Abraham Lincoln, Jefferson Davis, William Sherman, and Ulysses Grant, were seminal figures whose lives were intricately tied to the Civil War's progression and outcome. These narratives reveal the authors' profound engagement with the principles and ideals they fought for, offering invaluable insights into both Union and Confederate viewpoints. The Papers And Writings Of Abraham Lincoln, Volume 2: 1860 - 1865 Abraham Lincoln, Lincoln the man became Lincoln the hero year by year more heroic until today his figure grows ever dimmer less real. This should not be. For Lincoln the man patient wise set in a high resolve is worth far more than Lincoln the hero vaguely glorious. Invaluable is the example of the man intangible that of the hero. And though it is not for us as for those who in awed stillness listened at Gettysburg with inspired perception to know Abraham Lincoln yet there is for us another way whereby we may attain such knowledge through his words uttered in all sincerity to those who loved or hated him. Cold unsatisfying they may seem these printed words while we can yet speak with those who knew him and look into eyes that once looked into his. But in truth it is

here that we find his simple greatness his great simplicity and though no man tried less so to show his power no man has so shown it more clearly This is volume two out of two of his papers and writings covering the years 1860 1865 The Political History of the United States of America, During the Great Rebellion Edward McPherson,1865 **The Political History of the United States of America, During the Great Rebellion, from November 6, 1860, to July 4, 1864** Edward McPherson,1865 **National Union Catalog** , Includes entries for maps and atlases **The Day-star of American Freedom, Or, The Birth and Early Growth of Toleration, in the Province of Maryland** George Lynn-Lachlan Davis,1855 **The Catholic Encyclopedia: Tournon-Zwirner.
