**Marc Chagall** Marc Chagall, Evgeniia Andreevna Petrova, 2001 Published on the occasion of the opening of a groundbreaking exhibition at The Jewish Museum New York this volume presents a splendid collection of sixty early paintings drawings and murals by Marc Chagall dating from the artist's years in Russia up to 1910 and again from 1914 to 1922 The latter period which followed Chagall's departure from Paris and return to his native Vitebsk was of particular importance in the development of his major themes and ideas **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved Marc Chagall Marc Chagall, Aleksandra Semenovna Shatskikh, Evgenii Andreevna Petrova, Jewish Museum (New York, N.Y.), Jewish Theological Seminary of America, 2001 **Marc Chagall: Early Works from Russian Collection** Susan Tumarkin Goodman, 2001 *Marc Chagall* Fred Dallmayr, 2020-08-04 This book follows Chagall's life through his art and his understanding of the role of the artist as a political being It takes the reader through the different milieus of the nineteenth and twentieth centuries including the World Wars and the Holocaust to present a unique understanding of Chagall's artistic vision of peace in an age of extremes At a time when all identities are being subsumed into a national identity this book makes the case for a larger understanding of art as a way of transcending materiality The volume explores how Platonic notions of truth goodness and beauty are linked and mutually illuminating in Chagall's work A spiritual humanist interpretation of his life and work renders Chagall's opus more transparent and accessible to the general reader It will be essential reading for students of art and art history political philosophy political science and peace studies Big Nic - Volume 3 ENG Nicolas Iljine, Alexandra Sviridova, **Russian Life**, 2002 **Marc Chagall** Victoria Charles, 2011-07-01 Marc Chagall was born into a strict Jewish family for whom the ban on representations of the human figure had the weight of dogma A failure in the entrance examination for the Stieglitz School did not stop Chagall from later joining that famous school founded by the Imperial Society for the Encouragement of the Arts and directed by Nicholas Roerich Chagall moved to Paris in 1910 The city was his second Vitebsk At first isolated in the little room on the Impasse du Maine at La Ruche Chagall soon found numerous compatriots also attracted by the prestige of Paris Lipchitz Zadkine Archipenko and Soutine all of whom were to maintain the smell of his native land From his very arrival Chagall wanted to discover everything And to his dazzled eyes painting did indeed reveal itself Even the most attentive and partial observer is at times unable to distinguish the Parisian Chagall from the Vitebskian The artist was not full of contradictions nor was he a split personality but he always remained different he looked around and within himself and at the surrounding world and he used his present thoughts and recollections He had an utterly poetical mode of thought that enabled him to pursue such a complex course Chagall was endowed with a sort of stylistic immunity he enriched himself without destroying anything of his own inner structure Admiring the works of others he studied them ingenuously ridding himself of his youthful awkwardness yet never losing his authenticity for a moment At times Chagall seemed to look at the world through magic

crystal overloaded with artistic experimentation of the Ecole de Paris In such cases he would embark on a subtle and serious play with the various discoveries of the turn of the century and turned his prophetic gaze like that of a biblical youth to look at himself ironically and thoughtfully in the mirror Naturally it totally and uneclectically reflected the painterly discoveries of C zanne the delicate inspiration of Modigliani and the complex surface rhythms recalling the experiments of the early Cubists See Portrait at the Easel 1914 Despite the analyses which nowadays illuminate the painter s Judaeo Russian sources inherited or borrowed but always sublime and his formal relationships there is always some share of mystery in Chagall s art The mystery perhaps lies in the very nature of his art in which he uses his experiences and memories Painting truly is life and perhaps life is painting **Marc Chagall and His Times** Benjamin Harshav, Marc Chagall, Barbara Harshav, 2004 Renowned Israeli American scholar Harshav presents the first comprehensive investigation of Marc Chagall s life and consciousness after the classic 1961 biography by Chagall s son in law Franz Meyer *Federal Register*, 2001-03

**Federal Register Index**, 1998 **Like a Bomb Going Off** Janice Ross, 2015-01-28 Everyone has heard of George Balanchine Few outside Russia know of Leonid Yakobson Balanchine s contemporary who remained in Lenin s Russia and survived censorship during the darkest days of Stalin Like Shostakovich Yakobson suffered for his art and yet managed to create a singular body of revolutionary dances that spoke to the Soviet condition His work was often considered so culturally explosive that it was described as like a bomb going off Based on untapped archival collections of photographs films and writings about Yakobson s work in Moscow and St Petersburg for the Bolshoi and Kirov ballets as well as interviews with former dancers family and audience members this illuminating and beautifully written biography brings to life a hidden history of artistic resistance in the USSR through this brave artist who struggled against officially sanctioned anti-Semitism while offering a vista of hope **The Sun Rising Through Vapour** Paul Spencer-Longhurst, 2003 Central to Turner s early career was his series of oil paintings and works on paper depicting seascapes from around the British Isles **Modern Art Museum of Fort Worth 110** Modern Art Museum of Fort Worth, Michael Auping, 2002 Together they present a broad range of styles and media from oil acrylic and mixed media paintings and drawings to photography sculpture installation art and video and digital imagery **Art Beyond Isms** Eliza E. Rathbone, Phillips Collection, Johanna Halford-MacLeod, 2002 The Phillips Collection in Washington D C was the first museum of modern art in the United States and today stands as a legacy to its founder and creator Duncan Phillips *Looking Jewish* Carol Zemel, 2015-06-29 Thanks to Carol Zemel s provocative study we are invited to look at Jewish art in new ways provides a deeper understanding of the ordeal of diaspora Studies in American Jewish Literature Jewish art and visual culture art made by Jews about Jews in modern diasporic settings is the subject of Looking Jewish Carol Zemel focuses on particular artists and cultural figures in interwar Eastern Europe and postwar America who blended Jewishness and mainstream modernism to create a diasporic art one that transcends dominant national traditions She begins with a painting by Ken Aptekar entitled Albert Used to Be Abraham a double portrait of a man

which serves to illustrate Zemel's conception of the doubleness of Jewish diasporic art. She considers two interwar photographers: Alter Kacyzne and Moshe Vorobeichic; images by the Polish writer Bruno Schulz; the pre and postwar photographs of Roman Vishniac; the figure of the Jewish mother in postwar popular culture; Molly Goldberg and works by R. B. Kitaj, Ben Katchor, and Vera Frenkel that explore Jewish identity in a postmodern environment.

*The Collection*, 2019-07-30. A mysterious French nobleman arrives at Ekaterina Tuomonova's gallery in Chelsea, London. He is in search of an expert in early 20th-century Post-Impressionist art. Olivier de la Salle proposes John and Ekaterina visit his chateau in Provence in the South of France where he needs help in identifying a collection of paintings long forgotten in the recesses of his chateau. The story explores the world of art and art dealers with their immensely rich clients, collectors, and oligarchs; crooks and forgers; auction houses and museums; the vast sums of money that art attracts today; artists and their friends; their wealth and their misery; their mistresses and their patrons. It is the Belle Époque; then comes World War I; the Russian Revolution; followed by World War II and the looting by the Nazis of museums and Jewish families in 1940; and finally the arrival of Russian oligarchs who spend hundreds of millions of dollars to own the works of Picasso, Modigliani, and their fellow artists who lived when Paris was the cultural centre of the world at the beginning of the twentieth century.
