shipboard life Very few diaries from the inland navy have survived and this is the first journal from the ironclad Essex to be published Jeffrey has read it alongside several unpublished accounts by Park's crewmates as well as a later memoir composed by Park in his declining years It provides rare insight into the culture of the ironclad fleet and equally rare firsthand commentary by an ordinary sailor on events such as the sinking of CSS Arkansas and the prolonged siege of Port Hudson Jeffrey provides detailed annotation and context for the Repp and Park journals filling out the biographies of both writers before and after the Civil War In Celeste's case Jeffrey uncovers surprising connections to such prominent Baton Rouge residents as the diarist Sarah Morgan and explores the complexity of wartime allegiances in the South through the experiences of Matilda Victor and Darius Hubert She also unravels the mystery of how a southern youngster's school scribbler found its way into the hands of a Union sailor In so doing she provides a richly detailed picture of occupied Baton Rouge and especially of events surrounding the Battle of Baton Rouge in August 1862 These two unusual personal journals linked by curious happenstance in a single notebook open up intriguing provocative and surprisingly complementary new vistas on antebellum Baton Rouge and the Civil War on the Mississippi

Black Stereotypes in Popular Series Fiction, 1851-1955 Bernard A. Drew,2015-04-28 Even well meaning fiction writers of the late Jim Crow era 1900 1955 perpetuated racial stereotypes in their depiction of black characters From 1918 to 1952 Octavus Roy Cohen turned out a remarkable 360 short stories featuring Florian Slappey and the schemers romancers and ditzes of Birmingham s Darktown for The Saturday Evening Post and other publications Cohen said I received a great deal of mail from Negroes and I have never found any resentment from a one of them The black readership had to be satisfied with any black presence in the popular literature of the day The best known white writers of black characters included Booth Tarkington Herman and Verman in the Penrod books Irvin S Cobb Judge Priest s houseman Jeff Poindexter Roark Bradford Widow Duck the plantation matriarch Hugh Wiley Wildcat Marsden the war veteran who traveled the country in the company of his goat and Charles Correll and Freeman Gosden radio s Amos n Andy These writers deservedly declined in the civil rights era but left a curious legacy that deserves examination This book focusing on authors of series fiction and particularly of humorous stories profiles 29 writers and their black characters in detail with brief entries covering 72 others

Yuletide in Dixie Robert E. May,2019-10-15 How did enslaved African Americans in the Old South really experience Christmas Did Christmastime provide slaves with a lengthy and jubilant respite from labor and the whip as is generally assumed or is the story far more complex and troubling In this provocative revisionist and sometimes chilling account Robert E May chides the conventional wisdom for simplifying black perspectives uncritically accepting southern white literary tropes about the holiday and overlooking evidence not only that countless southern whites passed Christmases fearful that their slaves would revolt but also that slavery s most punitive features persisted at holiday time In Yuletide in Dixie May uncovers a dark reality that not only alters our understanding of that history but also sheds new light on the breakdown of slavery in the Civil War and how false assumptions about slave Christmases afterward became harnessed to myths undergirding white supremacy in

the United States By exposing the underside of slave Christmases May helps us better understand the problematic stereotypes of modern southern historical tourism and why disputes over Confederate memory retain such staying power today A major reinterpretation of human bondage Yuletide in Dixie challenges disturbing myths embedded deeply in our culture

The Unionist's Daughter Metta Victoria Fuller Victor, 1862 Hardships of Union people in eastern Tennessee

The Imagined Civil War Alice Fahs, 2010-03-15 In this groundbreaking work of cultural history Alice Fahs explores a little known and fascinating side of the Civil War the outpouring of popular literature inspired by the conflict From 1861 to 1865 authors and publishers in both the North and the South produced a remarkable variety of war related compositions including poems songs children's stories romances novels histories and even humorous pieces Fahs mines these rich but long neglected resources to recover the diversity of the war's political and social meanings Instead of narrowly portraying the

Civil War as a clash between two great white armies popular literature offered a wide range of representations of the conflict and helped shape new modes of imagining the relationships of diverse individuals to the nation Works that explored the war's devastating impact on white women's lives for example proclaimed the importance of their experiences on the home front while popular writings that celebrated black manhood and heroism in the wake of emancipation helped readers begin to envision new roles for blacks in American life Recovering a lost world of popular literature The Imagined Civil War adds immeasurably to our understanding of American life and letters at a pivotal point in our history **The Dime Novel**

crime novel Publishers Weekly The sixth book in the Library of Congress Crime Classics an exciting new classic mystery series created in exclusive partnership with the Library of Congress This classic crime fiction mystery features a love triangle with a murderous twist An undelivered letter with a cryptic message holds the key to an unsolved murder When Henry Moreland is found dead on a lonely New York road after a violent storm it seems he died of natural causes while walking to the home of his betrothed Eleanor Argyll An examination of the corpse reveals however that he was killed by a single powerful stab wound His wallet was untouched eliminating robbery as the motive but who would want to murder the well liked and respected man Richard Redfield an old family friend who harbors a secret love for Eleanor vows to bring Henry's killer to justice Richard soon finds himself out of his element Together with a legendary detective named Mr Burton he embarks on an unsuccessful mission to find the murderer When suspicion turns to Richard himself he leaves the family behind and goes to work in the Dead Letter office in Washington Then a mysterious letter from the past turns up and a new hunt begins This twisting tale is the first full length American detective novel written under a pseudonym by Metta Victor in the 1860s It revived American crime fiction which had languished after Edgar Allan Poe's short stories of the 1840s Combining elements of Wilkie Collins's The Moonstone and the sensation novels popular in England it opened the doors for generations of American crime writers to follow **Gender and Race in Antebellum Popular Culture** Sarah N.

Roth, 2014-07-21 In the decades leading to the Civil War popular conceptions of African American men shifted dramatically The savage slave featured in 1830s novels and stories gave way by the 1850s to the less threatening humble black martyr This radical reshaping of black masculinity in American culture occurred at the same time that the reading and writing of

popular narratives were emerging as largely feminine enterprises In a society where women wielded little official power white female authors exalted white femininity using narrative forms such as autobiographies novels short stories visual images and plays by stressing differences that made white women appear superior to male slaves This book argues that white women as creators and consumers of popular culture media played a pivotal role in the demasculinization of black men during the antebellum period and consequently had a vital impact on the political landscape of antebellum and Civil War era America through their powerful influence on popular culture
