Charlotte Shaw Emily Shackleton Annette Carson Sin ad de Valera Margaret Clarke George Yeats and Beatrice Behan The men in this book are household names from Wolfe Tone and Daniel O Connell to Oscar Wilde and Brendan Behan and they all have one thing in common they married women who enabled them to pursue their dreams even if that meant courting death or outrage Nicola Pierce tells the stories of these truly remarkable women Women and Relationships in Contemporary Irish Women's Short Stories [PDF],2021-07-01 This book examines archetypal motifs related to aspects of human relationships in contemporary Irish women's short stories from the late 1960s to the present These relationships examined embrace not only relationships between men and women as married couples and lovers but also women to women relationships as mothers daughters sisters or lovers This book has uncovered certain recurrent motifs which may be construed as archetypal and are employed as a narrative device to express a certain level of feminist awareness by Irish female writers in their stories against the backdrop of Irish feminism emerged in the late 1960s This feminist aspect of Irish women's stories appears to address the paradoxes of patriarchal ideology underlying male domination in male female courtship and marriages the conflict between patriarchally loyal mothers and rebellious daughters powerless but rival female siblings and peers competing for limited resources and male attention under the Father's law Motifs of resistance and subversion serve in these stories as metaphors unveiling female protests against an ideology which defines and confines women in the Irish patriarchal context This book demonstrates a process of transition during which Irish female writers progress from the depiction of women who struggle and fight against unfairness and distortion within an androcentric culture to a new direction in which such writers describe a situation where women recognise the internalisation of the false consciousness of patriarchy and out of this recognition may be eventually able to develop further their sense of self and individuality The archetypal motifs in Irish women's stories also illustrate a kind of continuity of an ancient female archetype of female rebellious powers which in female literary imagination never ceases to resurface in the face of patriarchal suppression **1921** Morgan Llywelyn,2011-02-15 The life of Irish journalist Henry Mooney who struggles to report fairly on the failed 1916 Rising the creation of the Irish Free State and the Irish Civil War The Little Book of Donegal Cathal Coyle,Adam Kee,2016-07-04 The Little Book of Donegal is a compendium of fascinating obscure strange and entertaining facts about County Donegal Here you will find out about Donegal's folklore and customs its proud sporting heritage its castles forts and stone circles its famous and occasionally infamous men and women Through quaint villages and historic towns and along the Wild Atlantic Way this book takes the reader on a journey through County Donegal and its vibrant past A reliable reference book and a quirky guide this can be dipped into time and time again to reveal something new about the people the heritage and the secrets of this ancient county A New History of Ireland Volume VII J.
