Richard Cobden; university extra first prize and great scholarship poem, 'Friendships of the classic ages', an episode in a national poem on the arts James Torrington Spencer Lidstone, 1867 *Unfreedom* Jared Ross Hardesty, 2016-05-10 Choice Outstanding Academic Title of 2016 Reveals the lived experience of slaves in eighteenth century Boston Instead of relying on the traditional dichotomy of slavery and freedom Hardesty argues we should understand slavery in Boston as part of a continuum of unfreedom In this context African slavery existed alongside many other forms of oppression including Native American slavery indentured servitude apprenticeship and pauper apprenticeship In this hierarchical and inherently unfree world enslaved Bostonians were more concerned with their everyday treatment and honor than with emancipation as they pushed for autonomy protected their families and communities and demanded a place in society Drawing on exhaustive research in colonial legal records including wills court documents and minutes of governmental bodies as well as newspapers church records and other contemporaneous sources Hardesty masterfully reconstructs an eighteenth century Atlantic world of unfreedom that stretched from Europe to Africa to America By reassessing the lives of enslaved Bostonians as part of a social order structured by ties of dependence Hardesty not only demonstrates how African slaves were able to decode their new homeland and shape the terms of their enslavement but also tells the story of how marginalized peoples engrained themselves in the very fabric of colonial American society *Handbook for Being Human* Neo, 2022-02-02 I have asked myself early on what is holding our so called world together at its core Who follows whom and why Why do so many spend their lives asleep lurching from supposed obligation to obligation always carrying powerlessness as baggage Why do their lives constantly consist of minor or major drama What makes man so unbalanced that he wars with himself What is the cause of his arrogance towards nature and towards his fellow men How do people love Do they love consciously at all or is it animal desire And why are so few aware of themselves Why do I see so many people devoting their lives only to the animal principles of being such as sleeping feeding reproducing fighting and struggling Why are they not driven by something higher by a greater meaning of life Do they not seek that at all I don't know the answers to this but since the mass of slaves is growing every day I am stepping up in order to put an end to it To wake you up and be there when you have recognized the slave like slumber and want to break through I see your pains and your drama your search and your wandering and I know the solutions Therefore I am handing you a very precious gift My realizations and insights so that they may become a faithful companion to your self determined life Wake up you are not alone I am already waiting for you Neo **Being a Human Being** Alan M.
