Nikolai I I Ego Epokha

Maxim Trudolyubov

Nikolai I I Ego Epokha:

Phantom Terror Adam Zamoyski, 2015-02-10 For the ruling and propertied classes of the late eighteenth century the years following the French Revolution were characterized by intense anxiety Monarchs and their courtiers lived in constant fear of rebellion convinced that their power and their heads were at risk Driven by paranoia they chose to fight back against every threat and insurgency whether real or merely perceived repressing their populaces through surveillance networks and violent secretive police action Europe and the world had entered a new era In Phantom Terror award winning historian Adam Zamoyski argues that the stringent measures designed to prevent unrest had disastrous and far reaching consequences inciting the very rebellions they had hoped to quash The newly established culture of state control halted economic development in Austria and birthed a rebellious youth culture in Russia that would require even harsher methods to suppress By the end of the era the first stirrings of terrorist movements had become evident across the continent making the previously unfounded fears of European monarchs a reality Phantom Terror explores this troubled fascinating period when politicians and cultural leaders from Edmund Burke to Mary Shelley were forced to choose sides and either support or resist the counterrevolutionary spirit embodied in the newly omnipotent central states The turbulent political situation that coalesced during this era would lead directly to the revolutions of 1848 and to the collapse of order in World War I We still live with the legacy of this era of paranoia which prefigured not only the modern totalitarian state but also the now preeminent contest between society's haves and have nots These tempestuous years of suspicion and suppression were the crux upon which the rest of European history would turn In this magisterial history Zamoyski chronicles the moment when desperate monarchs took the world down the path of revolution terror and world war

Scenarios of Power: From Alexander II to the abdication of Nicholas II Richard Wortman, 1995 V 1 From Peter the Great to the death of Nicholas I

The Uncensored Boris Godunov Chester Dunning, Caryl Emerson, Sergei Fomichev, Lidiia Lotman, 2006-04-15 Includes the original Russian text and for the first time an English translation of that version Antony Wood's translation is fluent and idiomatic analyses by Dunning et al are incisive and the case they make is skillfully argued Highly recommended Choice

The Winter Palace and the People Susan McCaffray, 2018-09-21 St Petersburg's Winter Palace was once the supreme architectural symbol of Russia's autocratic government Over the course of the nineteenth and early twentieth centuries it became the architectural symbol of St Petersburg itself The story of the palace illuminates the changing relationship between monarchs and their capital city during the last century and a half of Russian monarchy In The Winter Palace and the People Susan McCaffray examines interactions among those who helped to stage the ceremonial drama of monarchy those who consumed the spectacle and the monarchs themselves In the face of a changing social landscape in their rapidly growing nineteenth century capital Russian monarchs reoriented their display of imperial and national representation away from courtiers and toward the urban public When attacked at mid century monarchs retreated from the palace As they receded

the public claimed the square and the artistic treasures in the Imperial Hermitage before claiming the palace itself By 1917 the Winter Palace had come to be the essential stage for representing not just monarchy but the civic life of the empire nation What was cataclysmic for the monarchy presented to those who staffed the palace and Hermitage not a disaster but a new mission as a public space created jointly by monarch and city passed from the one to the other This insightful study will appeal to scholars of Russia and general readers interested in Russian history

Diplomatic Dispatches about Circassia from the Consulate of France in Odessa, 1836-1840 Azamat Kumykov, Georges Mamoulia, Sophie Daniel, 2024-04-22

As the first in a larger series of publications which preserve and make accessible primary sources from various archives and other materials related to the history of Circassia this volume contains the relevant dispatches of A A Challaye the Consul of France in Odessa for the years 1836 to 1840 It offers a rare glimpse into the way French diplomacy was making sense of events in and around the North Caucasus and the eastern shore of the Black Sea at the time of increased tensions between Russia and Great Britain over the Circassian question the political status of nations which inhabited the western part of the North Caucasus and of the North Caucasus in general

Nikolay Andreevich Rimsky-Korsakov Gerald Seaman, 2014-12-17
Nikolay Andreevich Rimsky Korsakov A Research and Information Guide Second Edition is an annotated bibliography of all substantial relevant published resources relating to the Russian composer First published in 1988 this revised and expanded volume incorporates new information about the composer appearing over the last two decades including literary publications articles and reviews Other sections provide a brief biographical sketch selective discography chronology and list of Rimsky Korsakov s works

Imperial Visions Mark Bassin, 1999-06-24 In the middle of the nineteenth century the Russian empire made a dramatic advance on the Pacific by annexing the vast regions of the Amur and Ussuri rivers Although this remote realm was a virtual terra incognita for the Russian educated public the acquisition of an Asian Mississippi attracted great attention nonetheless even stirring the dreams of Russia s most outstanding visionaries Within a decade of its acquisition however the dreams were gone and the Amur region largely abandoned and forgotten In an innovative examination of Russia s perceptions of the new territories in the Far East Mark Bassin sets the Amur enigma squarely in the context of the Zeitgeist in Russia at the time *Imperial Visions* demonstrates the fundamental importance of geographical imagination in the mentality of imperial Russia This 1999 work offers a truly novel perspective on the complex and ambivalent ideological relationship between Russian nationalism geographical identity and imperial expansion

The Tragedy of Property Maxim Trudolyubov, 2018-08-08 Russian novels poetry and ballet put the country squarely in the European family of cultures and yet there is something different about this country especially in terms of its political culture What makes Russia different Maxim Trudolyubov uses private property as a lens to highlight the most important features that distinguish Russia as a political culture In many Western societies private property has acted as the private individual s bulwark against the state in Russia by contrast it has mostly been used by the authorities as a governance tool Nineteenth century Russian liberals did not

consider property rights to be one of the civil causes worthy of defending Property was associated with serfdom and even after the emancipation of the serfs the institution of property was still seen as an attribute of retrograde aristocracy and oppressive government It was something to be destroyed and indeed it was in 1917 Ironically it was the Soviet Union that with the arrival of mass housing in the 1960s gave the concept of private ownership a good name After forced collectivization and mass urbanization people were yearning for a space of their own The collapse of the Soviet ideology allowed property to be called property but not all properties were equal You could own a flat but not an oil company which could be property on paper but not in reality This is why most Russian entrepreneurs register their businesses in offshore jurisdictions and park their money abroad This fresh and highly original perspective on Russian history will be of great interest to anyone who wants to understand Russia today *Review of Russian Emigré Books* ,1984 Abstracts of Soviet and East European Emigré Periodical Literature ,1981 **Philosophical Thought in Russia in the Second Half of the Twentieth Century** Vladislav Lektorsky, Marina F. Bykova, 2019-01-10 Philosophical Thought in Russia in the Second Half of the 20th Century is the first book of its kind that offers a systematic overview of an often misrepresented period in Russia's philosophy Focusing on philosophical ideas produced during the late 1950s early 1990s it reconstructs the development of genuine philosophical thought in the Soviet period and introduces those non dogmatic Russian thinkers who saw in philosophy a means of reforming social and intellectual life Covering such areas of philosophical inquiry as philosophy of science philosophical anthropology the history of philosophy activity approach as well as communication and dialogue studies the volume presents and thoroughly discusses central topics and concepts developed by Soviet thinkers in that particular fields Written by a team of internationally recognized scholars from Russia and abroad it examines the work of well known Soviet philosophers such as Mikhail Bakhtin Evald Ilyenkov and Merab Mamardashvili as well as those important figures such as Vladimir Bibler Alexander Zinoviev Yuri Lotman Georgy Shchedrovitsky Genrich Batishchev Sergey Rubinstein and others who have often been overlooked By introducing and examining original philosophical ideas that evolved in the Soviet period the book confirms that not all Soviet philosophy was dogmatic and tied to orthodox Marxism and the ideology of Marxism Leninism It shows Russian philosophical development of the Soviet period in a new light as a philosophy defined by a genuine discourse of exploration and intellectual progress rather than stagnation and dogmatism In addition to providing the historical and cultural background that explains the development of the 20th century Russian philosophy the book also puts the discussed ideas and theories in the context of contemporary philosophical discussions showing their relevance to nowadays debates in Western philosophy With short biographies of key thinkers an extensive current bibliography and a detailed chronology of Soviet philosophy this research resource provides a new understanding of the Soviet period and its intellectual legacy 100 years after the Russian Revolution **The Emergence of Modern Russia: 1801-1917** Sergei Pushkarev, 1985 Reprint with new introd biography and rev bibliography Originally published New York Holt Rinehart and Winston 1963

Bibliographic Guide to Soviet and East European Studies ,1980 The Byzantine World Paul

Stephenson,2010-12-20 The Byzantine World presents the latest insights of the leading scholars in the fields of Byzantine studies history art and architectural history literature and theology Those who know little of Byzantine history culture and civilization between AD 700 and 1453 will find overviews and distillations while those who know much already will be afforded countless new vistas Each chapter offers an innovative approach to a well known topic or a diversion from a well trodden path Readers will be introduced to Byzantine women and children men and eunuchs emperors patriarchs aristocrats and slaves They will explore churches and fortifications monasteries and palaces from Constantinople to Cyprus and Syria in the east and to Apulia and Venice in the west Secular and sacred art profane and spiritual literature will be revealed to the reader who will be encouraged to read see smell and touch The worlds of Byzantine ceremonial and sanctity liturgy and letters Orthodoxy and heresy will be explored by both leading and innovative international scholars Ultimately readers will find insights into the emergence of modern Byzantine studies and of popular Byzantine history that are informative novel and unexpected and that provide a thorough understanding of both **The Writer in Petrograd and the House of Arts**

Martha Weitzel Hickey,2009-06-16 Founded by Maksim Gorky and Kornei Chukovsky in 1919 and disbanded in 1922 the Petrograd House of Arts occupied a crucial moment in Russia s cultural history By chronicling the rise and fall of this literary landmark this book conveys in greater depth and detail than ever before a significant but little studied period in Soviet literature Poised between Russian culture s past and her Soviet future between pre and post Revolutionary generations this once lavish private home on the Nevsky Prospekt housed as many as fifty six poets novelists critics and artists at one time during a period of great social and political turbulence And as such Hickey contends the House of Arts served as a crucible for a literature in transition Hickey shows how the House of Arts though virtually ignored by Soviet era cultural historians played a critical role in shaping the lively literature of the next decade a literature often straddling the border between fiction and non fiction Considering prose writers such as Yevgeny Zamyatin Olga Forsh the Serapion Brothers group Viktor Shklovsky Boris Eikhenbaum as well as poets including Alexander Blok Nikolay Gumilev Anna Radlova Osip Mandelstam and Vladislav Khodasevich she traces the comings and goings at the House of Arts the meetings and readings and lectures and most of all the powerful influence of these interactions on those who briefly lived and worked there In her work the Petrograd House of Arts appears for the first time in all its complexity and importance as a focal point for the social and cultural ferment of the day and a turning point in the direction of Russian literature and criticism Grand Duke Nikolai Nikolaevich

Paul Robinson,2014-08-15 Grand Duke Nikolai Nikolaevich Romanov 1856 1929 was a key figure in late Imperial Russia and one of its foremost soldiers At the outbreak of World War I his cousin Tsar Nicholas II appointed him Supreme Commander of the Russian Army From 1914 to 1915 and then again briefly in 1917 he was commander of the largest army in the world in the greatest war the world had ever seen His appointment reflected the fact that he was perhaps the man the

last Emperor of Russia trusted the most At six foot six the Grand Duke towered over those around him His fierce temper was a matter of legend However as Robinson s vivid account shows he had a more complex personality than either his supporters or detractors believed In a career spanning fifty years the Grand Duke played a vital role in transforming Russia s political system In 1905 the Tsar assigned him the duty of coordinating defense and security planning for the entire Russian empire When the Tsar asked him to assume the mantle of military dictator the Grand Duke instead of accepting persuaded the Tsar to sign a manifesto promising political reforms Less opportunely he also had a role in introducing the Tsar and Tsarina to the infamous Rasputin A few years after the revolution in 1917 the Grand Duke became de facto leader of the Russian migr community Despite his importance the only other biography of the Grand Duke was written by one of his former generals in 1930 a year after his death and it is only available in Russian The result of research in the archives of seven countries this groundbreaking biography the first to appear in English covers the Grand Duke s entire life examining both his private life and his professional career Paul Robinson s engaging account will be of great value to those interested in World War I and military history Russian history and biographies of notable figures

Russian Literary Politics and the Pushkin

Celebration of 1880 Marcus C. Levitt, 2018-09-05 In an event acknowledged to be a watershed in modern Russian cultural history the elite of Russian intellectual life gathered in Moscow in 1880 to celebrate the dedication of a monument to the poet Alexander Pushkin who had died nearly half a century earlier Private and government forces joined to celebrate a literary figure in a country in which monuments were usually dedicated to military or political heroes In this richly detailed narrative history of the Pushkin Celebration and the developments that led up to it Marcus C Levitt explores the unique role of literature in nineteenth century Russian intellectual life and puts Russian literary criticism and Pushkin s posthumous reputation into fresh perspective Drawing on Soviet archival materials not readily available in the West Levitt describes the preparations for the monument and the unfolding of the celebration His sustained discussions of Turgenev s role and of Dostoevsky s famous Pushkin Speech shed new light on what was for both a culminating moment in their careers In Levitt s view the Pushkin Celebration represented the articulation of liberal post Emancipation hopes for an independent Russian intelligentsia and culture His analysis of the problems faced by Russian liberalism illuminates the failure of concerted efforts to secure freedom of speech in nineteenth century Russia

"White Russians, Red Peril" Sheila Fitzpatrick, 2021-05-12 Over 20 000 ethnic Russians migrated to Australia after World War II yet we know very little about their experiences Some came via China others from refugee camps in Europe Many preferred to keep a low profile in Australia and some attempted to pass as Polish West Ukrainian or Yugoslavian They had good reason to do so to the Soviet Union Australia s resettling of Russians amounted to the theft of its citizens and undercover agents were deployed to persuade them to repatriate Australia regarded the newcomers with wary suspicion even as it sought to build its population by opening its door to more immigrants Making extensive use of newly discovered Russian language archives and drawing on a lifetime s study of Soviet history and politics

award winning author Sheila Fitzpatrick examines the early years of a diverse and disunited Russian Australian community and how Australian and Soviet intelligence agencies attempted to track and influence them While anti Communist White Russians dreamed a war of liberation would overthrow the Soviet regime a dissident minority admired its achievements and thought of returning home **The Frenzied Poets** Oleg A. Maslenikov, 2023-11-15 The Frenzied Poets Andrey Biely and the Russian Symbolists delves into the complexities of the Symbolist movement in Russia a pivotal yet often overlooked aspect of the nation s cultural history This study primarily focuses on Andrey Biely one of the leading figures of the Russian Symbolists offering a deep exploration of his life works and the Symbolist ideology Symbolism in Russia is shown not as a singular movement but as a collection of diverse intersecting currents making Biely s contributions all the more important in understanding the nuances of the era The work also reflects on how Biely s personal experiences shaped his creative output and influenced the broader Symbolist movement which sought to unveil the absolute truth through symbols and artistic intuition This study examines Biely s role within the larger Symbolist community highlighting his interactions with other key figures and providing insight into the inner workings of the movement Through the study of Biely s poetry and life the book attempts to illuminate the Symbolist mentality and its emphasis on rhythm intuition and rebellion against traditional forms The translated verses aim to capture the essence and rhythm of Biely s original Russian poetry focusing on the inner flow of the verse rather than conventional rhyme The book s nonchronological structure allows for a multifaceted view of Biely offering a more comprehensive portrait of his literary contributions and his impact on Russian culture during this turbulent period This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1952 **Nikolai Andreevich Rimsky-Korsakov** Gerald R. Seaman, 1988

Nikolai I I Ego Epokha Book Review: Unveiling the Power of Words

Nikolai I I Ego Epokha Introduction

In today's digital age, the availability of Nikolai I I Ego Epokha books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nikolai I I Ego Epokha books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nikolai I I Ego Epokha books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nikolai I I Ego Epokha versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nikolai I I Ego Epokha books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nikolai I I Ego Epokha books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nikolai I I Ego Epokha books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nikolai I I Ego Epokha books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nikolai I I Ego Epokha books and manuals for download and embark on your journey of knowledge?

FAQs About Nikolai I I Ego Epokha Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nikolai I I Ego Epokha is one of the best book in our library for free trial. We provide copy of Nikolai I I Ego Epokha in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nikolai I I Ego Epokha. Where to download Nikolai I I Ego Epokha online for free? Are you looking for Nikolai I I Ego Epokha PDF? This is definitely going to save you time and cash in something you should think about.
