History of the Jews in Quebec Pierre Anctil, 2021-09-07 The presence of Jews in Quebec dates back four centuries Quebec Jewry in Montreal in particular has evolved over time thanks to successive waves of migration from different regions of the world The Jews of Quebec belong to a unique society in North America which they have worked to fashion The dedication with which they have defended their rights and their extensive achievements in multiple sectors of activity have helped foster diversity in Quebec This work recounts the different contributions Jews have made over the years along with the cultural context that encouraged the emergence in Montreal of a Jewish community like no other in North America This is the first overview of a history that began during the French Regime and continued through many twists and turns up to the turn of the twenty first century

Quebec in a Global Light Robert Calderisi, 2019-07-15

To the outside world Quebec is Canada s most distinctive province To many Canadians it has sometimes seemed the most troublesome But over the last quarter century quietly but steadily it has wrestled successfully with two of the West s most daunting challenges protecting national values in the face of mass immigration and striking a proper balance between economic efficiency and a sound social safety net Quebec has also taken a lead in fighting climate change Yet many people

including many Quebecers are unaware of this progress and much remains to be done These achievements and the tenacity that made them possible are rooted in centuries of adversity and struggle In this masterful survey of the major social and economic issues facing Quebec Robert Calderisi offers an intimate look into the sensitivities and strengths of a society that has grown accustomed to being misunderstood In doing so he argues that the values uniting Quebecers their common sense courtesy concern for the downtrodden aversion to conflict and mild form of nationalism linked to a firm refusal to be homogenized by globalization make them the most Canadian of all Canadians **Bulletin - Canadian Library Association**
