New Age Capitalism Kimberly J. Lau,2015-11-10 The pursuit of health and wellness has become a fundamental and familiar part of everyday life in America We are surrounded by an enticing world of products practices and promotions assuring health and happiness cereal boxes claim that their contents can reduce the risk of heart disease bars of aromatherapy soap seek to wash away our stresses newspapers celebrate the wonders of the latest superfoods and herbal remedies No longer confined to the domain of Western medicine suggestions for healthy living often turn to alternatives originating in distant times and places in cultures very different from our own Diets from ancient or remote groups are presented as cures for everything from colds to cancer exercise regimens based on Eastern philosophies are heralded as paths to physical health and spiritual wellbeing In *New Age Capitalism* Kimberly Lau examines the ideological work that has created this billion dollar business and allowed Eastern and other non Western traditions to be coopted by Western capitalism Extending the orientalist logic to the business of health and wellness American companies have created a lucrative and competitive market for their products encouraging consumers to believe that they are making the right choices for personal as well as planetary health In reality alternative health practices have been commodified for an American public longing not only for health and wellness but also for authenticity tradition and a connection to the cultures of an imagined Edenic past Although consumers might prefer to buy into authentic non Western therapies *New Age Capitalism* argues that the market economy makes this goal unattainable

The Cancer Prevention Diet Michio Kushi,Alex Jack,1994-12-15 Michio Kushi s macrobiotic blueprint for the prevention and relief of disease Revised and updated with the latest research new recipes and practical suggestions for relieving 25 types of cancer Drawing on the most up to date cancer and heart research Michio Kushi presents a ground breaking dietary program that can be implemented safely and simply in the home at a fraction of the cost of usual meals and medical care As the risk and incidence of cancer increases *The Cancer Prevention Diet* continues to be essential reading for anyone seeking to maintain or regain optimum health through natural means
