MURRAY A. RUBENSTEIN

# Religion And The Formation Of Taiwanese Identities

**P. Katz, M. Rubenstein**

## **Religion And The Formation Of Taiwanese Identities:**

Religion and the Formation of Taiwanese Identities P. Katz,M. Rubenstein,2003-06-27 This volume centres on the creation of varied forms of individual and group identity in Taiwan and the relationship between these forms of identity both individual and collective and patterns of Taiwanese religion politics and culture The contributors explore the Taiwanese people s sense of who they are attempting to discern how they identify themselves as individuals and as collectives and then try to determine the identity roles individuals and groups construct for themselves Ranging from the local essays to the national level and within the larger Chinese cultural religious universe these essays explore the complex nature of identity role and the processes of identity formation which have shaped Taiwan s multileveled past and its many faceted present

**Religion and the Formation of Taiwanese Identities** P. Katz,M. Rubenstein,2003-06-27 This volume centres on the creation of varied forms of individual and group identity in Taiwan and the relationship between these forms of identity both individual and collective and patterns of Taiwanese religion politics and culture The contributors explore the Taiwanese people s sense of who they are attempting to discern how they identify themselves as individuals and as collectives and then try to determine the identity roles individuals and groups construct for themselves Ranging from the local essays to the national level and within the larger Chinese cultural religious universe these essays explore the complex nature of identity role and the processes of identity formation which have shaped Taiwan s multileveled past and its many faceted present

**Religion and the Formation of Taiwanese Identity** Paul R. Katz,Murray A. Rubinstein,2003      **Changing Taiwanese Identities** J. Bruce Jacobs,Peter Kang,2017-08-03 The peoples of Taiwan have been influenced by many different cultures and migrations throughout the island s history In the 20th and early 21st centuries especially it has been a stage for cultural and ethnic conflict not least because of the arrival of mainland Chinese fleeing the Chinese Communist Revolution The subsequent tensions between those who see Taiwan as a natural territory of China and those who would prefer to see it remain independent have brought to the fore questions of what it is to be Taiwanese This book addresses the question of how Taiwanese identities have changed after the Taiwanization process which began in the 1990s It also examines the impact of this process on cross strait relations between Taiwan and the People s Republic of China after the return of the Kuomintang to power after 2008 and the Sunflower movement in 2014 The various contributors between them cover a range of topics including the waves of migration to Taiwan changes of political regimes generational differences and social movements Taken as a whole this book presents a nuanced picture of the patchwork of identities which exist in contemporary Taiwan

*Taiwanese Identity and Democracy* O. Bedford,K. Hwang,2006-09-02 This book examines the issues of democracy nationalism and strengthening Taiwan consciousness in the light of the campaign strategies employed in Taiwan s 2004 presidential and legislative election from the perspective of the Taiwanese people and Taiwanese culture Particular attention is paid to the mindset of the opposition party      *Religion in Modern Taiwan* Philip Clart,Charles B. Jones,2003-09-30

Religion in Modern Taiwan takes a new look at Taiwan's current religious traditions and their fortunes during the twentieth century. Beginning with the cession of Taiwan to Japan in 1895 and the currents of modernization that accompanied it, the essays move on to explore the developments that have taken place as Buddhists, Daoists, Christians, non-Han aborigines, and others have confronted, resisted, and adapted to, even thrived in, the many upheavals of the modern period. An overview of Taiwan's current religious scene is followed by a comprehensive look at the state of religion in the country prior to the end of World War II and the return of Taiwan to Chinese sovereignty. The remaining essays probe aspects of change within individual religious traditions. The final chapter analyzes changes that took place in the scholarly study and interpretation of religion in Taiwan during the course of the twentieth century. Religion in Modern Taiwan will be read with interest by students and scholars of Chinese religion, religion in Taiwan, the modern history of Taiwan, and by those concerned with issues of religion and modernization.

**Contributors:** Chang Hsun, Philip Clart, Shiun-wei Huang, Christian Jochim, Charles B. Jones, Paul Katz, Andr   Lalibert  , Lee Fong-mao, Randall Nadeau, Julian Pas, Barbara Reed, Murray A. Rubinstein. **The Charismatic Movement in Taiwan from 1945 to 1995** Judith C.P. Lin, 2020-07-10. This book presents a comprehensive account of the historical development of the Charismatic Movement in Taiwan, placing it within the context of Taiwan's religious and political history. Judith C. P. Lin unearths invaluable sources of the Japan Apostolic Mission, the Full Gospel Business Men's Fellowship International, Formosa Chapter, and Jean Stone Willans' short stay in Taiwan in 1968. Lin describes and analyzes how the efforts of 1970s charismatic missionaries in Taiwan, including Pearl Young, Nicholas Krushnisky, Donald Dale Allen, J. Swanson, and Ross Paterson, shaped the theological convictions of later Taiwanese charismatic leaders. She also explores significant developments in the Taiwanese Church which contributed to the gradual and widespread recognition of the Charismatic Movement in Taiwan from 1980 to 1995. Lin offers a thorough treatment of history, reconfigures historiography from a Taiwanese perspective, and challenges the academic circle to take seriously the Taiwanese consciousness when engaging Taiwan's history.

**Language Choice and Identity Politics in Taiwan** Jennifer M. Wei, 2008-04-18. Jennifer M. Wei argues that construction and perceptions of language and identity parallel sociopolitical transformations, and language and identity crises arise during power transitions. Under these premises, language and identity are never well defined or well bounded. Instead, they are best viewed as political symbols subject to manipulation and exploitation during socio-historical upheavals. A choice of language from phonological shibboleth (Mandarin or Taiwanese) to choice of official language cuts to the heart of contested cultural notions of self and other, with profound implications for nationalism, national unity, and ethno-linguistic purism. Wei further argues that because of the Chinese Diaspora and Taiwan's connections to China and the United States, arguments and sentiments over language choice and identity have consequences for Taiwan's international and transnational status. They are symbolic acts of imagining Taiwan's past as she looks forward to the future.

**Routledge Handbook of Contemporary Taiwan** Gunter Schubert, 2024-12-31. This fully revised 2nd edition of the Routledge

Handbook of Contemporary Taiwan provides a comprehensive overview of both contemporary Taiwan and the Taiwan studies field. Written by an international team of Taiwan experts, the Handbook includes major topics in Taiwanese history, domestic politics, political economy, society, culture, and international relations. Each chapter summarises the major findings in the field and highlights long-term trends, recent observations, and potential future developments in Taiwan, revealing its long journey from a frontier island to a highly industrialised country struggling for international recognition. Up-to-date, interdisciplinary, and academically rigorous, the Handbook offers the reader an accessible and fascinating insight into contemporary Taiwan and will be of interest to students, academics, and policymakers with an interest in all things Taiwan.

Multiculturalism and Religious Identity Sonia Sikka, Lori G. Beaman, 2014-08-05. An examination of how religious identity is recognized and managed politically in two multicultural nations.
