Religion And The State The Struggle For Legitimacy And Power:

Religion and the State Robert J. Myers, 1986 Since 1889 The American Academy of Political and Social Science has served as a forum for the free exchange of ideas among the well informed and intellectually curious In this era of specialization few scholarly periodicals cover the scope of societies and politics like The ANNALS Each volume is guest edited by outstanding scholars and experts in the topics studied and presents more than 200 pages of timely in depth research on a significant topic of concern <http://ann.sagepub.com> *Collectivistic Religions* Slavica Jakelic, 2016-05-23 *Collectivistic Religions* draws upon empirical studies of Christianity in Europe to address questions of religion and collective identity religion and nationalism religion and public life and religion and conflict It moves beyond the attempts to tackle such questions in terms of choice and religious nationalism by introducing the notion of collectivistic religions to contemporary debates surrounding public religions Using a comparison of several case studies this book challenges the modernist bias in understanding of collectivistic religions as reducible to national identities A significant contribution to both the study of religious change in contemporary Europe and the theoretical debates that surround religion and secularization it will be of key interest to scholars across a range of disciplines including sociology political science religious studies and geography

□□□□□□□□, 1986 **Sovereignty, Legitimacy, and Power in West African Societies** Emile Adriaan Benvenuto van Rouveroy van Nieuwaal, 1998 **Religious Ideology and the Roots of the Global Jihad** J. Turner, 2014-08-26 The events of 9 11 prompted questions as to the origins nature and purpose of international jihadist organisations In particular why had they chosen to target the US and the West in general Turner's book provides a unique holistic insight into these debates taking into account historical perceptions and ideology as key factors **Annual Review of Sociology**, 1994 [The Battle for the Soul of Islam](#) James M. Dorsey, 2024-07-02 This book describes the battle between major Middle Eastern and Asian Muslim majority states to control the definition of Islam in the 21st century Focusing on United Arab Emirates Saudi Arabia and Indonesia the book explores how the outcome of this battle will significantly empower the winner or winners to wield religious soft power secure leadership of the Islamic world and project strategic influence worldwide The result of the rivalry will determine which notions of a moderate Islam will prevail including the degree to which these notions embrace religious and political pluralism tolerance gender equality secularism and human rights as defined by the Universal Declaration of Human Rights or remain vague as in current Saudi and Emirate usage of the term moderation which is designed to mask these states failure to systematically integrate these values into their domestic and foreign policy agendas Ultimately the battle for the soul of Islam will significantly impact how Muslims worldwide understand and practice their faith Waged in diverse arenas across the globe this complex religious and geopolitical struggle will play a significant role in determining the prospects for peace and security not only in the vast region extending from the Atlantic coast of Africa to the Philippines but also in the United States and Europe *A Companion to the History of the Middle East* Youssef M. Choueiri, 2008-04-15 A
