Life, Rituals and Practice

The Sacrament of Reconciliation, also known as Penance or Confession, is one of the 7 Sacraments of the Catholic Church in which a person confesses their sins to a priest and receives absolution for those sins. It is a Sacrament of Healing and should be done at least once a year.

The origin of the sacrament of Reconciliation can be traced back to the early Christian communities where the practice of confessing sins to a bishop or elder and receiving absolution was common. This practice is rooted in the teachings of Jesus Christ as found in the New Testament of the Bible.

Catechism of the Catholic Church references the biblical foundation of the sacrament in the following way:

- Jesus Christ, in his teaching and actions, forgave sins and entrusted the power to forgive sins to his apostles (cf. Jn 20:21-23, Mt 18:18, 20:23).
- In the early Christian communities, the faithful would confess their sins to a bishop or elder who would grant absolution and assign a penance (cf. James 5:16, 1 John 1:9).
- Through the development of the sacrament of Reconciliation, the Church formalized this practice with the Council of Trent (1545-1563) defining the specific form and matter of the sacrament.

In the scriptures, Jesus Christ himself gave the authority to forgive sins to his disciples:

- In John 20:21-23 Jesus breathed on them and said to them, "Whosoever you forgive the sins of any, they are forgiven; if you retain the sins of any, they are retained."
- In Matthew 18:18 Jesus said "whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed in heaven."
- In Matthew 18:20 Jesus said "whatever you bind on earth shall be bound in heaven, and whatever you loose on earth shall be loosed in heaven."

Religion In Life:

Christian Faith and Life ,1926 **What Is Life All About?** Alan P. Gill,2009-07-31 What Is Life All About Is life A Grand Conspiracy A Marvelous Mystery An Incredible Accident Or Something Else The surprise is that you can know the truth about life and be 100% confident in that knowledge You will know what is on the other side of death Amazingly your success or failure in life has to do with your attitude The person with the wrong attitude can read see hear the truth and deny it vehemently while the person with right attitude will understand appreciate and believe the truth Life is a perfect and difficult test The process of life itself sorts out good from evil right from wrong and you will succeed or fail depending on your attitude The book defines the attitude you need to succeed and provides evidence and examples to convince What is life really all about It may be true that most people do not care but what is the reason for not caring Generally it is because people DOUBT ANYONE REALLY KNOWS and thus why should anyone care In addition the world brings great confusion to this subject There are scams and frauds around every corner and even honest people push the limits of the truth with exaggeration which is really a lie Greed selfishness covetousness envy and power are behind a lot of the deceit The wonder of heaven will provide infinitely more than people could ever achieve on earth but people want everything NOW and deceit is a frequent companion to achieving earthly desires There are 45 chapters in the book What Is Life All About and then some extensive helpful appendices another 163 pages The single most influential deceit is in the area of religion The single most prominent reason for being an atheist or agnostic is religion The past 2000 years of religious history includes unspeakable cruelty wars terrorism indoctrination lies and deception and this rightly leads to opposition but also strangely to acceptance indifference excuses by others The critical missing fact is that God had nothing to do with these religions but abhors them What a pathetic assumption to blame God The truth about God and these religious groups could quickly clarify the situation Chapter 16 is a chapter that begins to sort out HOW all this religious mess occurred Here is a partial outline for chapter 16 16 1 What Is Seriously Wrong with Judaism 16 2 What Is Seriously Wrong with Roman Catholicism 16 3 What Is Seriously Wrong with Protestant Groups 16 4 What Is Seriously Wrong with Islam 16 5 What Is Seriously Wrong with Mormonism 16 6 What Is Seriously Wrong with the Jehovahs Witnesses 16 7 What Is Seriously Wrong with Atheism Agnosticism Seriously Wrong means there is NO eternal value in these religions These belief systems were the fabrication of men and or women and did NOT come from God The evidence is overwhelming and deceit runs through these religions like vultures going through a carcass You do not need a forensic analysis but you can do a complete autopsy if you wish The damaging evidence regarding these groups is clearly seen and very logical and understandable from the book This is because AS YOU UNDERSTAND GOD a significant subject in the book you do not need to go very far into these beliefs to see huge problems One of the attitudes you need is a LOVE OF THE TRUTH more than the love of what you currently believe You can understand God His purpose His plan inasmuch as He has revealed Himself Incredibly one major obstacle to overcome will

be the MAGNITUDE OF THE DECEIT Lies on top of lies often for many centuries define today's religions Religion has become man's idea of God and there is no consistency just random unrelated doctrines The truth is infinitely different with everything perfectly connected to a single purpose Ultimately your success or failure in life is simply a matter of where you place your trust Is your trust in God or is it in men women who say they are telling you

Marriage and Life After Death Anthony Onyekwe, 2015-01-29 In Africa the emphasis on family marriage and offspring suggest that there is a kind of an unwritten ancestral law that imposes on every male the duty of begetting a son The reason is because the core of African soteriology is centered on offspring The predicament of the childless couples therefore stems from the desire for immortality and salvation that culminates in the admission of the dead into the ancestral world This quest for salvation and immortality constitute social emotional psychological and spiritual problems for Christian
