Religious Fundamentalisms And Global Conflicts Headline Series:

Religious Fundamentalisms and Global Conflict R. Scott Appleby, 1994 Religion in World Conflict Jonathan Fox, Shmuel Sandler, 2014-02-04 This new book tackles two crucial questions First how does religion in its various forms and manifestations influence world politics Second how will adding religion to the discourse on international relations modify our theoretical understanding Each of these leading authors addresses different aspects of these questions in different contexts providing a diverse and multifaceted view of the topic Susanna Pearce and Tanja Ellingsen examine the religious causes of conflict on the macro level Several of the contributors focus on specific conflicts The Gaurav Ghose and Patrick James examine the Kashmir conflict from the Pakistani perspective and Carolyn James and Ozgur Ozdamar examine it from the Indian perspective Similarly Hillel Frisch examines the Palestinian Israeli conflict from the Palestinian perspective and Jonathan Rynhold examines it from the Israeli perspective Finally two of the authors examine other important issues Stuart Cohen examines the evolution of the religious view of war in the Jewish tradition and Yehudit Auerbach examines whether can play a role in conflict resolution and reconciliation These assessments deliver fascinating conclusions This book was previously published as a Special Issue of *Terrorism and Violence*

Religion & Identity Politics: Global Trends And Local Realities Mathews Mathew, Melvin Tay, 2021-06-18 Discourse on fundamentalism has gained much attention in recent years particularly in a post 9 11 context where extremist or terrorist threats are more prominent perilous and pervasive This edited volume seeks to spotlight the perspectives of academics and practitioners vis vis global trends in religious fundamentalism and right wing extremism over the past decade It presents a collection of works from notable academics and practitioners including a selection of case studies from Asia to illustrate the contemporary interplay of religion politics and identity alongside broader global trends of religious fundamentalism The chapters that follow attempt to trace the sources and factors that led to the dramatic rise in these powerful forces of faith which influence societies and politics around the world Together they present a carefully curated narrative of the interplay of religion and identity politics globally and across Asia The prevailing differences in demographics history and the extent of ethno religious diversity across country contexts are perused across each chapter and the ensuing circumstances deliberated upon As these circumstances change the ways people interpret their identities engage in politics and navigate their religion will also evolve How we manage the effects of religious fundamentalism must hence begin with an understanding of how religion identity and politics interact and this is what the upcoming chapters seek to illustrate

The Wiley-Blackwell Companion to Inter-Religious Dialogue Catherine Cornille, 2020-06-08 This comprehensive volume brings together a distinguished editorial team including some of the field s pioneers to explore the aims practice and historical context of interfaith collaboration Explores in full the background history objectives and discourse between the leaders and practitioners of the world s major religions Examines relations between religions from around the world moving well beyond the common focus on Christianity to also cover over 12 major religions

Features a wealth of case studies on contemporary interreligious dialogue Charts a long term shift away from a competitive rivalry between belief systems and a change in focus towards the more respectful cooperative approach reflected in institutions such as the World Council of Churches Includes up to date commentary on the growing dialogue of recent years written by some of the leading figures working in the field of interfaith discourse **Political Secularism, Religion, and the State** Jonathan Fox, 2015-04-27 This book examines how the competition between religious and secular forces influenced state religion policy between 1990 and 2008 While both sides were active the religious side had considerably more success The book examines how states supported religion as well as how they restricted it Ethnoreligious Conflict in the Late Twentieth Century Jonathan Fox, 2002-01-01 Jonathan Fox's new work provides the first systematic empirical study of the role that religion plays in ethnic violence Ethnoreligious Conflict in the Late Twentieth Century critiques the existing literature on religion and ethnic conflict then presents and analyzes original quantitative data gathered from a variety of sources Fox draws upon the Minorities at Risk model of ethnic conflict to develop and test a dynamic and comprehensive theory of religion and conflict He applies this theory to resurgent conflicts between ethnic groups of different religions from the Iranian revolution and the Afghan struggle against the Soviets in the 1980s to the ongoing Middle East conflict to pinpoint the ways in which religion has become intertwined in and lent legitimacy to conflicts in the contemporary world

The SAGE Handbook of Conflict Resolution Jacob Bercovitch, Victor Kremenyuk, I William Zartman, 2008-12-03 The SAGE Handbook of Conflict Resolution demonstrates the range of themes that constitute modern conflict resolution It brings out its key issues methods and dilemmas through original contributions by leading scholars in a dynamic and expanding field of inquiry This handbook is exactly what it sets out to be an indispensable tool for teaching research and practice in conflict resolution Peter Wallensteen Professor of Peace and Conflict Research Uppsala University and University of Notre Dame Bercovitch Kremenyuk and Zartman are among the most important figures in the conflict resolution field They have pieced together with the help of more than 35 colleagues from numerous countries a state of the art review of the sources of international conflict available methods of conflict management and the most difficult challenges facing the individuals and organizations trying to guide us through these conflict ridden times The collection is brimming with penetrating insights trenchant analyses compelling cases and disciplined speculation They help us understand both the promise of as well as the obstacles to theory building in the new field of conflict resolution Lawrence Susskind Professor and Director of the MIT Harvard Public Disputes Program The last three sentences of this persuasive book We conclude this volume more than ever convinced that conflict resolution is not just possible or desirable in the current international environment It is absolutely necessary Resolving conflicts and making peace is no longer an option it is an intellectual and practical skill that we must all possess If you are part of that we intellectually or professionally you will find this book a superb companion Thomas C Schelling Professor Emeritus Harvard University and University of Maryland Conflict resolution is one of the fastest growing

academic fields in the world today Although it is a relatively young discipline having emerged as a specialized field in the 1950 s it has rapidly grown into a self contained vibrant interdisciplinary field The SAGE Handbook of Conflict Resolution brings together all the conceptual methodological and substantive elements of conflict resolution into one volume of over 35 specially commissioned chapters The Handbook is designed to reflect where the field is today by drawing on the contributions of experts from different fields presenting in a systematic way the most recent research and practice Jacob Bercovitch is Professor of International Relations and Fellow of the Royal Society at the University of Canterbury in Christchurch New Zealand Victor Kremenjuk is deputy director of the Institute for USA and Canada Studies Russian Academy of Sciences Moscow He is also a research associate at IIASA I William Zartman is Jacob Blaustein Professor of Conflict Resolution and International Organization at the Nitze School of Advanced International Studies of Johns Hopkins University

Palestine's Christians and the Nationalist Cause Erik Freas,2024-12-23 This book provides an historical overview of Palestine s Christian communities and their role in the

Palestinian nationalist movement during the late Ottoman and British mandatory periods More than being a history of Palestine s Christian Arabs the book focuses on Palestine s Christians during the formative period of Palestinian Arab national identity attentive to the broader topic of the relationship between nationalism and religion in this case between Arab identity and Islam Whereas until recently historians have tended to assume that national and religious identities are distinct and mostly mutually exclusive things more recent scholarship has addressed the fact that often there exists considerable overlap between the two though it should be noted often in ways that are not by any means inherently exclusive of those not belonging to the majority faith as is the case here The relationship is also an ever changing one hence the final chapter of the book which functions as something of an epilogue regarding the current status of Palestine s Christians vis vis their place in the nationalist cause and relationship with the broader Muslim population The book will be of interest to historians and scholars focused on the modern Middle East Palestinian history Muslim Christian inter communal relations and the relationship between nationalism and religion
