Ritual and Religion in the Making of Humanity Roy A. Rappaport, 1999-03-25 Roy Rappaport argues that religion is central to the continuing evolution of life although it has been displaced from its original position of intellectual authority by the rise of modern science His book which could be construed as in some degree religious as well as about religion insists that religion can and must be reconciled with science Combining adaptive and cognitive approaches to the study of humankind he mounts a comprehensive analysis of religion s evolutionary significance seeing it as co extensive with the invention of language and hence of culture as we know it At the same time he assembles the fullest study yet of religion s main component ritual which constructs the conceptions which we take to be religious and has been central in the making of humanity s adaptation The text amounts to a manual for effective ritual illustrated by examples drawn from anthropology history philosophy comparative religion and elsewhere

Abraham Heschel and the Phenomenon of Piety Joseph Harp Britton, 2013-10-24 Piety is often regarded with a pejorative bias a pious person is thought to be overly religious supercilious even Yet historically the concept of piety has played an important role in Christian theology and practice For Abraham Heschel piety describes the contours of a life compatible with God s presence While much has been made of Heschel s concept of pathos relatively little attention has been given to the pivotal role of piety in his thought with the result that the larger methodological implications of his work for both Jewish and Christian theology have been overlooked Grounding Heschel s work in Husserl Dilthey Schiller and Heidegger the book explores his phenomenological method of penetrating the consciousness of the pious person in order to perceive the divine reality behind it The book goes on to consider the significance of Heschel s methodology in view of the theocentric ethics of Gustafson and Hauerwas and the post modern context reflected in the works of Levinas Vattimo Marion and the Radical Orthodoxy movement

The Theology of the Christian Life in J.I. Packer's Thought Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that

constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer's treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology

The Church of Stop Shopping and Religious Activism George González, 2024-12-17 Explores the religious activism of the Stop Shopping Church performance group Since the dawn of the new millennium the grassroots performance activist group the Stop Shopping Church has advanced a sophisticated anti capitalist critique in what they call Earth Justice Led by co founders Reverend Billy and Savitri D the Church of Stop Shopping have sung with Joan Baez and toured with Pussy Riot and Neil Young They performed at festivals around the world and been the subject of the nationally released documentary What Would Jesus Buy They opposed the forces of consumerism on the global stage and taken on the corporate practices of Disney Starbucks J P Morgan Chase Bank Walmart Amazon and many others While the Church maintains an anti consumerism stance at its core through performances street actions and social activism the community also prioritizes work for racial justice queer liberation justice and sanctuary for immigrants First Amendment issues the reclaiming of public space and in an increasingly central way environmental justice In The Church of Stop Shopping and Religious Activism George González draws on interviews participant observation and digital ethnography to offer insight into the Church its make up its activities and in particular how it has shifted over time from parody to a deep and serious engagement with religion Reverend Billy and the Church of Stop Shopping maintain that corporations and their celebrity spokespeople operate in much the same way churches do González uses the group's performance activism to showcase the links between religion the culture of capitalist consumerism and climate catastrophe and to analyze the ways in which consumers are ritualized into accepting capitalism and its consequences He argues that the members and organizers of the Church of Stop Shopping are serious theorists and users of religion in their own right and that they offer keen insights into our understanding of ritualistic consumerism and its indelible link to the rising sea levels that threaten to engulf us all
