Religious Liberty and Human Rights in Nations and in Religions Leonard J. Swidler, 1986 Religious Liberty in Western and Islamic Law Kristine Kalanges, 2012-04-19 Weaves together international and comparative law religion international relations comparative politics and legal history to illuminate and address the theoretical and practical dimensions of a significant human rights problem *Freedom of Religion and Religious Pluralism* Md. Jahid Hossain Bhuiyan, Carla M. Zoethout, 2023-03-20 Religious pluralism is an important aspiration of contemporary societies meaning that religious diversity is permitted and everyone has the freedom of religion or belief or not to believe The peaceful coexistence of people of a myriad of faiths is indispensable for securing peace in the modern era of political upheaval and economic dissonance This book brings together a variety of religious and non religious perspectives on religious pluralism It explores the key philosophical and legal issues associated with religious freedom and social harmony Freedom of Religion and Religious Pluralism intends to serve as a valuable resource for scholars specialising in religion citizenship and migration studies It will also act as a reference for courses on law religion and human rights Freedom of Religion and Belief: A World Report Kevin Boyle, Juliet Sheen, 2013-03-07 This report the first of its kind yet to be published provides a detailed and impartial account of how the individual's right to hold beliefs is understood protected or denied throughout the world Consisting of accessible short edited entries based on drafts commissioned from experts living in the countries surveyed it exposes persecution and discrimination in virtually all world regions The book provides an analysis of United Nations standards of freedom of religion and belief covers over fifty countries divided into regions and introduced by a regional overview covers themes including the relationships between belief groups and the state freedom to manifest belief in law and practice religion and schools religious minorities new religious movements the impact of beliefs on the status of women and the extent to which conscientious objection to military service is recognised by governments draws on examples of accommodation and co operation between different religions and beliefs and identifies the main challenges to be overcome if the diversity of human conviction is to be established **Religion, Law, and Freedom** Yahya Kamalipour, Joel Thierstein, 2000-09-30 Religion Law and Freedom A Global Perspective introduces readers to diverse perspectives on the interplay of religion law and communications freedom in different cultures around the world Through discussion and analysis of the religious mores and cultural values that a nation adheres to a greater understanding of that nation its laws and its freedoms can be cultivated Rather than suggesting that harmony can be achieved without conflict the essays in this volume seek to present the reader with a variety of perspectives from which to view and understand the relationships among religion law and freedom in various cultures This multifaceted analysis therefore helps readers draw their own conclusions as to the best way to resolve cultural conflict brought about by the growing global community The book consists of fifteen chapters authored or coauthored by 17 international scholars representing China Germany Israel Iran Japan Latvia Nigeria Singapore

the United Kingdom and the United States The chapters are organized into four parts Perspectives on Eastern and Western Religions Press Freedom in Religious and Secular Societies Journalism Advertising and Ethical Issues and Religion Politics Media and Human Rights This important contribution will especially appeal to researchers and students in such fields as mass communications legal studies cultural studies political science religion intercultural communications international communications and journalism

Freedom of Religion or Belief Bahiyyih G. Tahzib, 2021-09-27

Religious Human Rights in Global Perspective John Witte, Johan D. van der Vyver, 1996 The legal traditions of Christianity Judaism and Islam have contributed much to the cultivation and violation of religious human rights around the world In this volume Desmond Tutu Martin Marty and twenty leading scholars offer an authoritative assessment of these contributions and challenge people of all faiths to adopt golden rules of religious liberty

State Security Regimes and the Right to Freedom of Religion and Belief Karen Murphy, 2013-01-25 The question of to what extent manifestations of religious beliefs should be permitted in the European public sphere has become a salient and controversial topic in recent years Despite the increasing interest however debates have rarely questioned the conventional wisdom that an increase in the range of security measures employed by a government inevitably leads to a decrease in the human rights enjoyed by individuals This book analyses the relationship between state security regime changes and the right to religious freedom in the EU It presents a comparative analysis of the impact these regime changes have had on the politics policies and protections of religious freedom across the EU member states in the post 2001 environment The book provides a timely investigation into the role of national legislation the European Court of Human Rights and societal trends in the protection of religious freedom and in so doing demonstrates why the relationship between state security and religious freedom is one of the most socially significant challenges facing policymakers and jurists in Europe at the present time

Controversies in Contemporary Religion Paul Hedges, 2014-09-09 Religious or spiritual beliefs underpin many controversies and conflicts in the contemporary world Written by a range of scholarly contributors this three volume set provides contextual background information and detailed explanations of religious controversies across the globe Controversies in Contemporary Religion Education Law Politics Society and Spirituality is a three volume set that addresses a wide variety of current religious issues analyzing religion s role in the rise of fundamentalism censorship human rights environmentalism and sustainability sexuality bioethics and other questions of widespread interest Providing in depth context and analysis far beyond what s available in the news or online this work will enable readers to understand the nature of and reasons for controversies in current headlines The first volume covers theoretical and academic debates the second looks at debates in the public square and ethical issues while the third examines specific issues and case studies These volumes bring detailed and careful debate of a range of controversies together in one place including topics not often covered for example how religions promote or hinder social cohesion and peace the relationship of religions to human rights and the intersection of Buddhism and violence Written by a range of

experts that includes both established and emerging scholars the text explains key debates in ways that are accessible and easy to understand for lay readers as well as undergraduate students researching particular issues or global religious trends
