Reluctant Psychic:

The Reluctant Psychic Suzan Saxman, Perdita Finn, 2015-01-27 We all as children saw imaginary friends and heard monsters in the closet But for Suzan Saxman those friends and monsters didn't go away and they weren't imaginary They were the dead who came to her from the time she was a little girl with urgent messages for the living Raised in a house filled with secrets she saw and spoke the truth as soon as she could talk alarming the nuns in her convent school with her revelations and terrifying her own mother with her strange visions Each night she woke to see a man with no eyes watching her and each day she kept watch by the window while her father was at work and Steve her real father a swarthy drifter rendezvoused with her mother It was the 1960s in suburban Staten Island and she tried to hide it all and be a daughter her mother could love Always skeptical of her tremendous gift she struggled to come to terms with her calling even as she revealed the destinies of everyone from housewives to hit men stockbrokers to rock and rollers She could witness everyone's future everyone's but her own Why was she visited by angels and demons Could she ever escape this strange fate Where was her own soul mate Now Suzan tells the story of her journey and tries to make sense of her family's buried secrets Through powerful readings of others' destinies interwoven with compelling narrative a reluctant psychic emerges from the shadows

The Reluctant Psychic Perdita Finn, Suzan Victoria Saxman, 2015-04-24 No matter where I move or how many times I change my name or what colour I dye my hair people find me I don't advertise I don't have a website I don't even answer the phone And still when I arrive at my used clothing store in town there are people lurking in the parking lot hoping to get a reading with me Born in suburban New York in the 1960s Suzan Saxman has spent a her life coming to terms with her extraordinary gifts As a child she saw things that terrified her and her uncanny insight alienated her from other children and her own mother But as an adult she slowly learnt to use her psychic ability to bring comfort to those in need She has connected the living with the dead brought messages of hope from one world to another and helped clients bring the shadow of their past into the light of the present Described as an uncanny and profoundly moving book by Proof of Heaven author Eben Alexander this is a gripping and sometimes unsettling portal into the life of a woman who lives in many worlds some wildly far from and some eerily near to our own

Reader of Hearts Darrin Owens, 2006 Darrin Owens calls himself a reluctant psychic because growing up in rural Arkansas he only wanted to fit in Darrin knew and experienced things that no one in his prosaic world was talking about especially not at the fundamentalist church he attended When he rented a movie based on Shirley MacLaine's *Out on a Limb* he discovered who and what he was A visit to a psychic who recognized his powers further opened his eyes to his own abilities and the spiritual journey that would be his destiny According to Darrin being a psychic isn't just about knowing things it is also a spiritual practice This lively entertaining book offers seven lessons of the spiritual path including spiritual awakening conscious creation attunement and inner guidance and relates stories from Darrin's life to illustrate them Each chapter addresses one of the lessons and includes exercises prayers guided meditations
