Global Politics and the Responsibility to Protect Alex J. Bellamy, 2010-12-14 This book provides an in depth introduction to and analysis of the

issues relating to the implementation of the recent Responsibility to Protect principle in international relations The Responsibility to Protect RtoP has come a long way in a short space of time It was endorsed by the General Assembly of the UN in 2005 and unanimously reaffirmed by the Security Council in 2006 Resolution 1674 and 2009 Resolution 1894 UN Secretary General Ban Ki moon has identified the challenge of implementing RtoP as one of the cornerstones of his Secretary Generalship The principle has also become part of the working language of international engagement with humanitarian crises and has been debated in relation to almost every recent international crisis including Sudan Sri Lanka Myanmar Georgia the Democratic Republic of Congo Darfur and Somalia Concentrating mainly on implementation challenges including the prevention of genocide and mass atrocities strengthening the UN s capacity to respond and the role of regional organizations this book introducing readers to contemporary debates on R2P and provides the first book length analysis of the implementation agenda The book will be of great interest to students of the responsibility to protect humanitarian intervention human rights foreign policy security studies and IR and politics in general

U.S. Army War College Guide to National Security Policy and Strategy J. Boone Bartholomees, 2001

While America Sleeps Donald Kagan, Frederick Kagan, 2014-09-30

In *While England Slept* Winston Churchill revealed in 1938 how the inadequacy of Britain s military forces to cope with worldwide responsibilities in a peaceful but tense era crippled its ability to deter or even adequately prepare for World War II In *While America Sleeps* historians Donald and Frederick Kagan retrace Britain s international and defense policies during the years after World War I leading up to World War II showing in persuasive detail how self delusion and an unwillingness to face the inescapable responsibilities on which their security and the peace of the world depended cost the British dearly The Kagens then turn their attention to America and argue that our nation finds itself in a position similar to that of Britain in the 1920s For all its emergency interventions the U S has not yet accepted its unique responsibility to take the lead in preserving the peace Years of military cutbacks the peace dividend following the buildup and triumph over Communism of the Reagan years have weakened our armed forces and left us with too few armed forces to cover too many possible threats This has caused us to bank everything on high tech smart weapons some of which have not yet been invented and others that we are not acquiring or deploying as opposed to the long term commitment of money fighting men and women and planning that the deterrence of a major war would require This failure to shape a policy and to commit the resources needed to maintain peace has cost valuable time in shaping a peaceful world and has placed America s long term security in danger The policies of the Bush and Clinton administrations have left us in a position where we cannot avoid war and keep the peace in areas vital to our security Neither have the post Cold War policies sent clear signals to would be aggressors that the U S can and will resist them Tensions in the Middle East instability in eastern Europe and the former Soviet Union the nuclear confrontation between India and Pakistan the development of nuclear weapons and missiles by North Korea and the menacing threats and actions of China with its immense population resentful sense of grievance and

years of military buildup all hint that the current peaceful era will not last forever Can we make it last as long as possible Are we prepared to face its collapse While America Sleeps is a sobering fascinating work of history that poses a thoughtful challenge to policy makers and will interest military buffs as well as readers interested in history and international relations
