Remarkable Woman Katharine Hepburn By Edwards Anne:

A Remarkable Woman Anne Edwards,1986 A biography of Katharine Hepburn **Katharine Hepburn** Anne Edwards,2000-04-08 The woman behind the legend emerges in this sympathetic yet clear eyed portrait of Hepburn s exceptional life and loves including Spencer Tracy and Howard Hughes An Epilogue updates the actress s story of photos

A Remarkable Woman Anne Edwards,1990-05 *The Legacy of Katharine Hepburn: Fine Art as a Way of Life* Maryann Pasda Diedwardo,2008 THE LEGACY OF KATHARINE HEPBURN Fine Art as a Way of Life Maryann Pasda DiEdwardo Memoir The legacy of the late Katharine Hepburn undeniably benefits a twenty first century audience because Kate identifies the artistic spirit As one of the most important women of the twentieth century Hepburn was an artist who exemplified the independent character freedom and opportunity available to women as paramount whether she was on stage or in film As the late Hepburn she has become a living art spirit with a legacy that acts as a shining example *Katharine Hepburn* Andrew Britton,2003 Of all the major Hollywood stars Katharine Hepburn was the least conventional conforming to none of the stereotypes of female superstardom She was not an exotic outsider in Hollywood like Greta Garbo or Marlene Dietrich nor was she a victim of the studios like Judy Garland or Marilyn Monroe and she was certainly not a creature of the system like Joan Crawford and Lana Turner Instead she always appeared intelligent willful and independent able to develop her own persona within the confines of the studio system Andrew Britton proposes a feminist reading of Hepburn s films arguing that her persona raises problems about class female sexuality and women s oppression that strain to the limits the conventions of a cinema ultimately committed to the reassertion of bourgeois gender roles Hepburn s work is also used to explore more general issues such as the functioning of the star system This is one of the very few analyses of American cinema to focus on a film star rather than a director or a genre and as such is essential reading for anyone interested in the movies First published in the United Kingdom twenty years ago this lavishly illustrated new edition features a foreword by the noted film critic Robin Wood *Katharine Hepburn Hourly History*,2022-03-21 One of the foremost screen sirens of her era Katharine Hepburn was universally known for her grace wit and charm She rose to the top of celebrity status in the great Golden Age of Hollywood and she was able to maintain her sense of stardom all the way to her twilight years During her many years in the limelight Hepburn was dogged by wild gossip and rumors due to her eccentricities and often solitary lifestyle Her long lived affair with heartthrob Spencer Tracy was also quite often the talk of the town Discover a plethora of topics such as The Suicide of Her Brother Struggling to Perform Love and Marriage Broadway Success Box Office Flops Later Life and Death And much more Discover the life of Katharine Hepburn the fiercely independent actress who became a Hollywood legend With a record four Academy Awards and a trailblazing spirit she redefined stardom and style Perfect for fans of classic cinema and iconic performers Get your copy today and celebrate the legacy of a true screen legend **Kate** William J. Mann,2007-10-30 The first major Katharine Hepburn biography independent of her control reveals the smart

complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy's sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image who was more human more driven and ultimately more triumphant because of her vulnerability William J Mann a cultural historian and journalist a sympathetic admirer but no mere fan has fashioned an intimate often revisionist and truly unique close up that challenges much of what we think we know about the Great Kate Previous biographies mostly products of friends and fans have recycled the stories she hid behind taking Hollywood myths at face value Mann goes deeper delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death With affection intelligence and a voluminous knowledge of Hollywood history Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all American as the Statue of Liberty

Dark Victory Ed Sikov, 2007-10-30 The legendary Hollywood star blazes a fiery trail in this enthralling portrait of a brilliant actress and the movies her talent elevated to greatness She was magnificent and exasperating in equal measure Jack Warner called her an explosive little broad with a sharp left Humphrey Bogart once remarked Unless you're very big she can knock you down Bette Davis was a force of nature an idiosyncratic talent who nevertheless defined the words movie star for more than half a century and who created an extraordinary body of work filled with unforgettable performances In **Dark Victory** the noted film critic and biographer Ed Sikov paints the most detailed picture ever delivered of this intelligent opinionated and unusual woman who was in the words of a close friend one of the major events of the twentieth century Drawing on new interviews with friends directors and admirers as well as archival research and a fresh look at the films this stylish intimate biography reveals Davis's personal as well as professional life in a way that is both revealing and sympathetic With his wise and well informed take on the production and accomplishments of such movie milestones as *Jezebel* *All About Eve* and *Now Voyager* as well as the turbulent life and complicated personality of the actress who made them Sikov's **Dark Victory** brings to life the two time Academy Award winning actress's unmistakable screen style and shows the reader how Davis's art was her own dark victory

The John Wayne Filmography Fred Landesman, 2015-08-13 Decades after his death annual Gallop polls reveal that Marion Morrison is still firmly implanted among the top ten favorite motion picture celebrities and American heroes Most of us know this box office star as John Wayne This comprehensive volume covers his expansive film career from 1926 to 1976 Listed in alphabetical order are entries on films such as *Angel and the Badman* and *Noah's Ark* that exemplify the more than 170 films that the actor worked on Each entry includes the film's date run time cast and crew credits reviews and a synopsis Also under each entry is a special section devoted to rare information and interesting details such as where the productions were

shot budgets costs salaries box office performance alternate casting and what competition existed for the moviegoer audience Also included in this reference work are over 650 capsule biographies of the talent that shared the screen with the actor and worked on the productions and over 800 contemporary reviews and commentary from such diverse sources as The New York Times Hollywood Reporter and Life Magazine There is a series of five helpful Appendices Appendix A lists films by order of their release dates Appendix B lists Wayne s fellow actors and colleagues and tells under which entry the relevant capsule biography may be located Appendix C offers specific review information for the films Appendix D provides facts on the biggest box office films and Appendix E details the most popular films on television **Giant** Don Graham,2018-04-10 A

larger than life narrative of the making of the classic film marking the rise of America as a superpower the ascent of Hollywood celebrity and the flowering of Texas culture as mythology Featuring James Dean Rock Hudson and Elizabeth Taylor Giant is an epic film of fame and materialism based around the discovery of oil at Spindletop and the establishment of the King Ranch of south Texas Isolating his star cast in the wilds of West Texas director George Stevens brought together a volatile mix of egos insecurities sexual proclivities and talent Stevens knew he was overwhelmed with Hudson s promiscuity Taylor s high diva dom and Dean s egotistical eccentricity Yet he coaxed performances out of them that made cinematic history winning Stevens the Academy Award for Best Director and garnering nine other nominations including a nomination for Best Actor for James Dean who died before the film was finished In this compelling and impeccably researched narrative history of the making of the film Don Graham chronicles the stories of Stevens whose trauma in World War II intensified his ambition to make films that would tell the story of America Edna Ferber a considerable literary celebrity who meets her match in the imposing Robert Kleberg proprietor of the vast King Ranch and Glenn McCarthy an American oil tycoon and Errol Flynn lookalike with a taste for Hollywood Drawing on archival sources Graham s Giant is a comprehensive depiction of the film s production showing readers how reality became fiction and fiction became cinema **Montgomery Clift**

Michelangelo Capua,2015-09-16 At the peak of his career in the 1950s Montgomery Clift was the symbol of a very talented yet rebellious generation of movie stars His acting combined the personal and the professional and his seventeen movies show his superb craft and extraordinary sensitivity Yet there was much more to his life than his talents as an actor more than most people knew This book is a biography of the extremely handsome acutely intelligent but tormented Montgomery Clift His life has been described as the longest suicide in the history of Hollywood and this biography shows the accuracy of that description It covers Clift s sheltered childhood his discovery at the age of 12 the early critical acclaim that brought attention from such noted directors as Elia Kazan and Antoinette Perry his development as a professional actor and work with many of Hollywood s greatest directors including Kazan Fred Zinneman Alfred Hitchcock and John Huston and the devastating car accident that disfigured his face and caused him to turn to drugs and alcohol Throughout the book attention is given to Clift s self destructive personality which created problems that even close friends like Elizabeth Taylor could not help him solve and

his closet homosexuality which contributed to his intense insecurity Richly illustrated *Hermes Pan* John Franceschina, 2012-06-08 Armed with an eighth grade education an inexhaustible imagination and an innate talent for dancing Hermes Pan 1909 1990 was a boy from Tennessee who became the most prolific popular and memorable choreographer of the glory days of the Hollywood musical While he may be most well known for the Fred Astaire Ginger Rogers musicals which he choreographed at RKO film studios he also created dances at Twentieth Century Fox M G M Paramount and later for television winning both the Oscar and the Emmy for best choreography In *Hermes Pan The Man Who Danced* with Fred Astaire Pan emerges as a man in full an artist inseparable from his works He was a choreographer deeply interested in his dancers personalities and his dances became his way of embracing and understanding the outside world Though his time in a Trappist monastery proved to him that he was more suited to choreography than to life as a monk Pan remained a deeply devout Roman Catholic throughout his creative life a person firmly convinced of the powers of prayer While he was rarely to be seen without several beautiful women at his side it was no secret that Pan was homosexual and even had a life partner As Pan worked at the nexus of the cinema industry s creative circles during the golden age of the film musical this book traces not only Pan s personal life but also the history of the Hollywood musical itself It is a study of Pan who emerges here as a benevolent perfectionist and equally of the stars composers and directors with whom he worked from Astaire and Rogers to Betty Grable Rita Hayworth Elizabeth Taylor Sammy Davis Jr Frank Sinatra Bob Fosse George Gershwin Samuel Goldwyn and countless other luminaries of American popular entertainment Author John Franceschina bases his telling of Pan s life on extensive first hand research into Pan s unpublished correspondence and his own interviews Pan enjoyed one of the most illustrious careers of any Hollywood dance director and because his work also spanned across Broadway and television this book will appeal to readers interested in musical theater history dance history and film

Myrna Loy Emily W. Leider, 2011 From the beginning Myrna Loy s screen image conjured mystery a sense of something withheld This first ever biography of the wry and sophisticated actress best known for her role as Nora Charles in *The Thin Man* offers an unprecedented picture of her life and a career that spanned six decades Opening with Loy s rough and tumble upbringing in Montana the book takes us to Los Angeles from the 1920s through the thirties when Loy became a top box office draw and to her robust post World War II career Throughout Emily W Leider illuminates the actress s friendships with luminaries such as Cary Grant Clark Gable and Joan Crawford and her collaborations with the likes of John Barrymore David O Selznick Sam Goldwyn and William Wyler among many others This biography offers a fascinating slice of studio era history and gives us the first full picture of a woman who has often been overlooked From publisher description *Dissent* Ralph Young, 2015-04-24 Historian Ralph Young s *Dissent The History of an American Idea* covers both the liberal and conservative movements that changed American history A Ralph Waldo Emerson Award Finalist One of *Bustle* s Books For Your Civil Disobedience Reading List Ralph Young s stunningly comprehensive volume examines the key role dissent has played in

shaping the United States focusing on those who from colonial days to the present dissented against the ruling paradigm of their time from the Puritan Anne Hutchinson and Native American chief Powhatan in the seventeenth century to the Occupy and Tea Party movements in the twenty first At its founding the United States committed itself to lofty ideals When the promise of those ideals was not fully realized by all Americans many protested and demanded that the United States live up to its promise Women fought for equal rights abolitionists sought to destroy slavery workers organized unions Indians resisted white encroachment on their land radicals angrily demanded an end to the dominance of the moneyed interests civil rights protestors marched to end segregation antiwar activists took to the streets to protest the nation s wars and reactionaries conservatives and traditionalists in each decade struggled to turn back the clock to a simpler more secure time Some dissenters are celebrated heroes of American history while others are ordinary people frequently overlooked but whose stories show that change is often accomplished through grassroots activism Dissent emphasizes how these Americans responded to what they saw as the injustices that prevented them from fully experiencing their vision of America A must read for any citizen interested in making a stronger democracy Pulitzer Prize winning author Heather Ann Thompson **Sudden Sea** R. A. Scotti,2008-12-02 The massive destruction wreaked by the Hurricane of 1938 dwarfed that of the Chicago Fire the San Francisco Earthquake and the Mississippi floods of 1927 making the storm the worst natural disaster in U S history Now R A Scotti tells the story [Peg Entwistle and the Hollywood Sign Suicide](#) James Zeruk, Jr.,2013-11-08 This is the first complete biography of actress Peg Entwistle known as the Hollywood Sign Girl because of her suicide fall from the HOLLYWOODLAND sign in 1932 It details her childhood stage and film career marriage and divorce and her suicide and almost cult like pop culture status today Extensively researched and written with the complete cooperation of the Entwistle family this work includes excerpts from interviews with Peg Entwistle s brother Milton and her cousin Helen Reid both of whom recalled much of Peg s years living in Hollywood her career and private life and her final weeks It also features many of Peg Entwistle s own words from extant letters to her family and newly discovered interviews with theatrical reporters Nearly 30 previously unpublished images from the author s collection the Entwistle family and a number of other sources complete an intimate look at a life that was defined by far more than its famously unhappy end **Five Came Back** Mark Harris,2015-02-24 One of The Hollywood Reporter s 100 Greatest Film Books of All Time One of the great works of film history of the decade Slate Now a Netflix original documentary series also written by Mark Harris the extraordinary wartime experience of five of Hollywood s most important directors all of whom put their stamp on World War II and were changed by it forever Here is the remarkable untold story of how five major Hollywood directors John Ford George Stevens John Huston William Wyler and Frank Capra changed World War II and how in turn the war changed them In a move unheard of at the time the U S government farmed out its war propaganda effort to Hollywood allowing these directors the freedom to film in combat zones as never before They were on the scene at almost every major moment of America s war shaping the public s

collective consciousness of what we've now come to call the good fight. The product of five years of scrupulous archival research, *Five Came Back* provides a revelatory new understanding of Hollywood's role in the war through the life and work of these five men who chose to go and who came back. **Reconstructing American Historical Cinema** J.E.

Smyth, 2006-10-27 In *Reconstructing American Historical Cinema: From Cimarron to Citizen Kane*, J.E. Smyth dramatically departs from the traditional understanding of the relationship between film and history. By looking at production records, scripts, and contemporary reviews, Smyth argues that certain classical Hollywood filmmakers were actively engaged in a self-conscious and often critical filmic writing of national history. Her volume is a major reassessment of American historiography and cinematic historians from the advent of sound to the beginning of wartime film production in 1942. Focusing on key films such as *Cimarron* (1931), *The Public Enemy* (1931), *Scarface* (1932), *Ramona* (1936), *A Star Is Born* (1937), *Jezebel* (1938), *Young Mr. Lincoln* (1939), *Gone with the Wind* (1939), *Stagecoach* (1939), and *Citizen Kane* (1941), Smyth explores historical cinema's connections to popular and academic historiography, historical fiction, and journalism, providing a rich context for the industry's commitment to American history. Rather than emphasizing the divide between American historical cinema and historical writing, Smyth explores the continuities between Hollywood films and history written during the first four decades of the twentieth century, from Carl Becker's famous *Everyman His Own Historian* to Howard Hughes's *Scarface* to Margaret Mitchell and David O. Selznick's *Gone with the Wind*. Hollywood's popular and often controversial cycle of historical films from 1931 to 1942 confronted issues as diverse as frontier racism and women's experiences in the nineteenth-century South, the decline of American society following the First World War, the rise of Al Capone, and the tragic history of Hollywood's silent era. Looking at rarely discussed archival material, Smyth focuses on classical Hollywood filmmakers' adaptation and scripting of traditional historical discourse and their critical revision of nineteenth and twentieth-century American history. *Reconstructing American Historical Cinema* uncovers Hollywood's diverse and conflicted attitudes toward American history. This text is a fundamental challenge to the prevailing scholarship in film history and cultural studies. Crowbar Governor

Kevin Murphy, 2011-02-01 While president of Aetna Life from 1879 to 1922, Morgan Bulkeley served four terms as mayor of Hartford, two terms as Connecticut's governor, and one term as a United States senator. His friends and business and political acquaintances were a who's who of the Gilded Age: Samuel Clemens, J.P. Morgan, Samuel and Elizabeth Colt, Harriet Beecher Stowe, Leland Stanford, Charles Crocker, Albert Spalding, General Sherman, Oliver Wendell Holmes, Katherine Hepburn, as well as every president from Ulysses Grant to Warren Harding. In 1874, Bulkeley formed the Hartford Dark Blues, who soon joined the unruly National Association, antecedent of the National League. He served as the league's first president for a year and was later elected to the Baseball Hall of Fame in Cooperstown. It was during Bulkeley's controversial holdover term as governor that he earned the nickname "Crowbar Governor." He used a crowbar to remove a lock that had been placed on his office door after refusing to vacate the governor's chambers on a technicality. Written in classic storyteller fashion and

augmented by copious research Crowbar Governor offers readers a privileged glimpse into life and politics in Connecticut during the Gilded Age Ebook Edition Note Eight images from the Connecticut Historical Society have been redacted

Hughes Richard Hack,2002-09-02 Howard Hughes 1905 1976 was a true American original legendary lover record setting aviator idiosyncratic film producer talented inventor ultimate eccentric and for much of his lifetime the richest man in the United States His desire for privacy was so fierce and his isolation so complete that even several decades after his death inaccurate stories continue to circulate about him Richard Hack explodes the illusion of Hughes life and exposes the man behind the myth a playboy whose sexual exploits with Hollywood stars were legendary an entrepreneur without ethics an explorer without maps and ultimately an eccentric trapped by his own insanity Drawing on secreted letters declassified FBI files autopsy reports more than 110 000 pages of court testimony and exclusive interviews Hack reveals a man so devious in his thinking and so perverse in his desires that his impact continues to be felt even today From entertainment to politics aviation to espionage the author shows how and why Howard Hughes left an indelible and unique mark on the American cultural landscape
