

We Remember Him

When we are weary and in need of strength,
When we are lost and sick at heart,
We remember him.
When we have a joy we crave to share
When we have decisions that are difficult to make
When we have achievements that are based on his

We remember him.
At the blowing of the wind and in the chill of winter
At the opening of the buds and in the rebirth of spring,
We remember him.
At the blueness of the skies and in the warmth of summer
At the rustling of the leaves and in the beauty of autumn,
We remember him.
At the rising of the sun and at its setting,
We remember him.
As long as we live, he too will live
For he is now a part of us,
As we remember him.

Remember Him:

Remember Him Series - Well Driven Nail - Volume One , **As I Remember Him** Hans Zinsser,2022-08-31 THIS remarkable book is a legacy to his generation from a great doctor great scientist great talker and a complete human being Dr Hans Zinsser of the Harvard Medical School and author of that fascinating book Rats Lice and History has set down under the transparent fiction of a biography of R S the best remembered personal experiences of his life his best stories his best thoughts his matured reflections on life and how it behaves from obstetriME to education and research and war And he has written his book as he talks to his students who regard him as their best lecturer and to his friends For this is a man of many friends and of an insatiable zest for experience And what a life Recent books have shown us how interesting the life of a country doctor can be But this man Zinsser went on through the amusing pathetic tragic experiences of an ambulance doctor to the wider field of research in bacteriology And his success there carried him afield as an expert to typhus camps in Serbia to China to Persia to Mexico in search of rats to Japan And he carried with him in addition to his research equipment one of those liberal observant minds well stocked with education humorous reflective optimistic which takes as much as it gives and stores it away to ripen This book is not only his autobiography it is also the book of a modern Boswell reporting his times and ours **My Life as I Remember It** Billy D. Smith,2009-10-30 In writing my book I tried to the best of my memory and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama Even though times were hard then I feel very fortunate to have grown up during that time and in that place I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life I also had some great teachers which I am thankful for knowing Most of our teachers loved us and tried to help when they could to prepare for our future All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful and I hope for many more good years Remembering the Dead Sentus Francis Dikwe,2020-01-07 Remembering the dead is a topic which connects various cultures and traditions The reception of the African tradition of ancestorship is a theological enrichment in the ecumenical discussions all over the world In our time the exchange of gifts plays a great role in promoting unity of the Churches Especially the concepts of African theology with the incomparable special position of Jesus Christ as proto ancestor are important for the interconfessional dialogues The veneration of the ancestors in Africa can be a help to begin ecumenical discussions in this regional context on the question of the veneration of the saints According to African tradition the ancestors also have influence on the process of purification Therefore the veneration of the ancestors contributes to providing answers to the ecumenical controversies about the understanding of the eschatological purification Sentus Francis Dikwe SDS born in 1980 in Morogoro Tanzania ordained priest of the Salvatorian Congregation He attained doctorate in
