Frank Jacob

Remember To Dream A History Of Jewish Radicalism:

The Radicalization of European Jews in the US Metropolis Frank Jacob, 2024-08-19 During the late 19th and early 20th centuries many Jews from Central and Eastern Europe arrived in New York City where they did not only find a new home but far away from their shtetl origin the new members of the American society also began to politically radicalize There has been a discussion in the literature related to the field where how and why the Jewish population radicalized This study analyses two waves of radicalization one related to the American environment that is responsible for the described process at the end of the 19th century one related to the developments in Eastern Europe during the early decades of the 20th century For both radicalization processes this book compares the reasons elements and aims of those who join radical movements to show that there is a transatlantic perspective that links both processes to each other

Jewish Radicalisms Frank Jacob, Sebastian Kunze, 2019-12-16 Jewish radical thoughts and actions can be described in a variety of terms and dimensions Often there is a connection implied between left wing ideas and activists as well as their radicalism This volume surveys Jewish radicalisms and present different approaches on this global historical phenomenon which are conceptualised as three different phenomena Cultural political and religious radicalism The volume is focussed on the 20th century and tries to grasp the manifold Ideas of Jewish radicalism and thereby wants to open up the discussion on this category This discussion is needed not only within Jewish Studies to engage with this topic and broaden our understanding of Jewish Radicalism as well as to form a useful applicable category This volume is to be understood as a call for and a contribution to this debate

Remember to Dream Robert Wolfe, 1994 *Emma Goldman and the Russian Revolution* Frank Jacob, 2020-11-23 What impact did Bolshevik rule have on Emma Goldman's perception of the Russian Revolutions of 1917 and why did she change her mind going from defending the Russian Revolution to becoming a crusader against Bolshevism The Russian Revolution changed the world and determined the history of the 20th century as the French Revolution had determined the history of the 19th century Left wing intellectuals around the world greeted the February Revolution with enthusiasm as their hope for a new world and social order and the end of capitalism seemed close However the joy did not last long as the ideals of February 1917 were replaced by the realities of October 1917 and Lenin crushed the revolution during the following Civil War Emma Goldman a famous Russian born American anarchist was one of the intellectuals whose admiration for the revolution turned into frustration about its corruption Emma Goldman and the Russian Revolution discusses her evolving perception of the revolution between 1917 and the early 1920s The analysis of such an intellectual transformation process provides a case study of intellectual and revolutionary history alike adding a closer reading to the research about the famous American anarchist Emma Goldman her transnational life and her role as a revolutionary intellectual

A History of Modern Jewish Religious Philosophy Eliezer Schweid,2019-02-19 The culmination of Eliezer Schweid s life work as a Jewish intellectual historian this five volume work provides a comprehensive interdisciplinary account of the major thinkers and movements in modern Jewish thought in the context of general philosophy and Jewish social political historical developments with extensive primary source excerpts Volume Three The Crisis of Humanism commences with an important essay on the challenge to the humanist tradition posed in the late 19th century by historical materialism existentialism and positivism This is background for the constructive philosophies which sought at the same time to address the general crisis of moral value and provide a positive basis for Jewish existence Among the thinkers presented in this volume are Moses Hess Moritz Lazarus Hermann Cohen in impressive depth with a thorough exposition of the Ethics and Religion of Reason Ahad Ha Am I J Reines Simon Dubnow M Y Berdiczewski the theorists of the Bund Chaim Zhitlovsky Nachman Syrkin and Ber Borochov

The Myth of Jewish Communism André Gerrits,2009 This title presents a full length analysis of the identification of Jews with communism It traces the myth of Jewish communism from the traditional anti Jewish prejudices on which it is built to its crucial role in Eastern European Stalinist and post Stalinist politics

Jews and the Left P. Mendes,2014-05-20 The historical involvement of Jews in the political Left is well known but far less attention has been paid to the political and ideological factors which attracted Jews to the Left After the Holocaust and the creation of Israel many lost their faith in universalistic solutions yet lingering links between Jews and the Left continue to exist

The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard,Rebecca Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

Judaism and Justice Rabbi Sidney Schwarz, PhD,2011-05-02 The first state of the art comprehensive resource to encompass the wide breadth of the rapidly growing field of Judaism and health For Jews religion and medicine and science are not inherently in conflict even within the Torah observant community but rather can be friendly partners in the pursuit of wholesome ends such as truth healing and the advancement of humankind

from the Introduction This authoritative volume part professional handbook part scholarly resource and part source of practical information for laypeople melds the seemingly disparate elements of Judaism and health into a truly multidisciplinary collective enhancing the work within each area and creating new possibilities for synergy across disciplines It is ideal for medical and healthcare providers rabbis educators academic scholars healthcare researchers and caregivers congregational leaders and laypeople with an interest in the most recent and most exciting developments in this new important field

Dismantling the Big Lie Steven L. Jacobs, Mark Weitzman, 2003 Table of contents **Index to Jewish Periodicals**, 2003 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests *The Jewish Spectator*, 1995 **Communism in History and Theory** Donald F. Busky, 2002 Busky explores the history of European communist parties and governments the neo Marxist philosophers and why Marxism ultimately fails to explain history He presents a pluralist alternative to Marxism the democratic philosophy of history and goes farther than many in applying developmental psychology for an understanding of human history Busky begins with a thorough exploration of the history of Eastern and Western European Marxist Leninist parties and governments from their beginnings to the present He also explores the largely European neo Marxist philosophers and their theories Then he demonstrates why Marxism ultimately fails as a theory to explain history due to its monist emphasis on economic determinism The volume presents an alternative pluralist conception of history and he goes further than most analysts in using insights from the field of developmental psychology to explain by analogy human political economic change A thorough synthesis that will be of interest to scholars students and the general reading public interested in Marxism and modern European history

Humanistic Judaism, 1995 **Jewish Currents**, 2003 *American Jewish History*, 1996 **Modern Jewish Studies Annual**, 1984 Of Moses and Marx David P. Shuldiner, 1999 The Jewish Labor Movement was a radical subculture that flourished within the trade union and political movements in the United States in the early part of the twentieth century Jewish immigrant activists socialists communists anarchists and labor Zionists adapted aspects of the traditions with which they were raised in order to express the politics of social transformation In doing so they created a folk ideology which reflected their dual ethnic class identity This book explores that folk ideology through an analysis of interviews with participants in the Jewish Labor Movement as well as through a survey of the voluminous literature written about that movement A synthesis of political ideology and ethnic tradition was carefully crafted by secular working class Jewish immigrant radicals who rediscovered and reformulated elements of Jewish traditions as vehicles for political organizing Commonly held symbols of their cultural identity the Yiddish language rituals such as the Passover seder remembered narratives of the Eastern European shtetl and biblical imagery served as powerful tools in forging political solidarity among fellow Jewish workers and activists within the Jewish Labor Movement
