Remembrance Of A Restaurant A Decameron Of Dining:

Remembrance of a Restaurant Frank Palescandolo, 2001 Everyone will agree a great Coney Island restaurant one of a kind is a coveted core sample of the late historical past Imagine table talk and social customs of a pulsing patronage encased now in the cruel aspic of time May I place you at a favored table facing a proscenium populated by diners cooks scullions waiters musicians of the cafe chantant scullery maids deadbeats and the notable and notorious of the years 1915 1975 an inscape for the livingness of an era I too am playing my role only consciously by writing what I remember in this loving memoir of a gathering place a showplace of human kindred at its mellowed best Not a history pinched by spinsterish qualms bigoted asides shrivelled libidos and dyspeptic frowns for bitter lips make for bitter palates and stingy tipping No rather a free spending largesse cuore a cuore of matching vignettes anecdotes profiles tintypes tales and rattles in full bodied appearances Restaurants are marvelous core samples of the past How wonderful if all the great restaurants of the past were written up so devotedly and grandly

Remembrance of a Restaurant Frank J. Palescandolo, 1990 **Remembering Recipes** Frank Palescandolo, *Hungering for America* Hasia R. DINER, 2009-06-30 Millions of immigrants were drawn to American shores not by the mythic streets paved with gold but rather by its tables heaped with food How they experienced the realities of America s abundant food its meat and white bread its butter and cheese fruits and vegetables coffee and beer reflected their earlier deprivations and shaped their ethnic practices in the new land *Hungering for America* tells the stories of three distinctive groups and their unique culinary dramas Italian immigrants transformed the food of their upper classes and of sacred days into a generic Italian food that inspired community pride and cohesion Irish immigrants in contrast loath to mimic the foodways of the Protestant British elite diminished food as a marker of ethnicity And East European Jews who venerated food as the vital center around which family and religious practice gathered found that dietary restrictions jarred with America s boundless choices These tales of immigrants in their old worlds and in the new demonstrate the role of hunger in driving migration and the significance of food in cementing ethnic identity and community Hasia Diner confirms the well worn adage Tell me what you eat and I will tell you what you are **Food** David Inglis, Debra Gimlin, 2008 In the last five years or so there has been a huge explosion of scholarly work on the history of food and likewise pressing problems such as food scares and genetic modification as well as anorexia and obesity have become increasingly present in the public consciousness Drawing on a wide variety of disciplines this fascinating four volume collection covers anthropology sociology psychology history cultural history land economy and outside of the arts and social sciences disciplines such as health sciences and health economics An engaging and comprehensive reference it is undoubtedly a highly useful resource for both student and scholar alike **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **Una famiglia che mangia insieme** Simone Cinotto, 2001 *Remembering Recipes* Irene Palescandolo, 2004-01-01 My recollections of the first time I entered the spacious bustling kitchen of Villa Joe s restaurant brings me back a long stretch of years I was twenty

years old when I stepped into the dynamic heart of the restaurant I was simply dazzled by the abundance of food cooked and uncooked in escalating stages of preparation all being assembled concocted confected into forms creatively visual and delectable As a promising fashion designer I was enthralled by the scene so artistic in my eyes I saw a palette of colors the modeling of textures and contours as if designed and draped at a couturier s studio I had a sixth sense I would like to be a part of this activity My husband Frank s mother was busy at the antipasto table sorting salad greens chicory and arugula Frank introduced me to her I said Hello may I help you You may find yourself matching recipes with the lighthearted fables in my husband s memoir *A Remembrance of a Restaurant A Decameron of Dining* or his other works *Under Blue Skies of Naples* *Chez Dogs and Naples* of Salvatore DiGiacomo which might grant a realized recipe added piquancy For your convenience I have charted correspondences on the last page

Lost Restaurants of Providence David Norton Stone,2019 In the city that invented the diner so many amazing restaurants remain only in memories The Silver Top had fresh coffee every twenty minutes and the Ever Ready was hot dog heaven Miss Dutton s Green Room and the Shepard Tea Room beckoned shoppers in their Sunday finest At Childs the griddle chef made butter cakes in the window for night owls and Harry Houdini supped at midnight with H P Lovecraft at the Waldorf Lunch Themed lounges like the Beachcomber and the Bacchante Room chased away the Prohibition blues Downcity Diner offered a famous meatloaf and Ming Garden s Ming Wings were a staple for regulars Author David Norton Stone details the restaurants that still hold a place in the hearts of locals

When Everybody Ate at Schrafft's Joan Kanel Slomanson,2007 For nearly 80 years Schrafft s was the place to meet and eat in city after city It was the brain child of a young candy drummer Frank Shattuck and turned him into a millionaire In the New York area alone there were more than 50 stores as the restaurants were called Celebrities were frequent customers women lunched there every day and businessmen conferred over cocktails in the bar and grill rooms It seems as if everybody who ate at Schrafft s has a story to tell and readers will discover their stories and more in this delightful book

The Last Beatnik Palescandolo Frank Palescandolo,2009-11 When I was taken to Bellevue Psychiatric Ward I was in a state of severe depression I huddled within myself bone against bone trying to discover surcease in a living center of dead and numbing feeling I remained in this condition weeks and more until one bright afternoon I was sitting on a pavilion chair facing the East River swaddled in a gray blanket A blanket corner flapped open revealing to my eyes a pattern of active ants encircling a cement flower pot I was struck by a fearless wonder As I reached out to them lovingly they chained across the grinning muscles of my face and prickled my face I crossed my arms as if to embrace them all I stood tall suddenly the blanket fell to the ground I stood naked against the rusted railing of the pavilion I was free of that clammy fear and most therapeutic of all I

was told I began to sob violently that shook a once rigid body into a dawning acquiescence of that day I was painting to create a distance between myself and the written word A double view some say the artist s irony It is impossible to see irony in one s life without a view apart A canvas on a distant easel Is there a plot in my life a prescription a set course a dead reckoning Finally I accepted the dictum of ancient source Amor Fati Love your life and allow it to play out is potentialities
