Remembrance Of Mother Words To Heal The Heart:

Remembrance of Mother Jonathon Lazear, 1994-05-06 When a mother dies those she leaves behind are filled with sorrow but what is sometimes overlooked is remembering and celebrating her legacy Remembrance of Mother is a moving and thoughtful collection of perspective on mothers and the vital influence they have on the past present and future of their children In remembering there can be joy and peace A son or daughter of any age can miss a mother's presence not just immediately following her death but at any time of sadness or celebration A book of comfort and support Remembrance of Mother is gentle reminder that although she is no longer here physically she lives on in the heart **In the Letting Go**

Jonathon Lazear, 2006-03-30 A mother is she who can take the place of all others but whose place no one else can take Cardinal Mermillod When a mother dies often the center of the family is gone The holiday rituals the special birthday celebrations for children and grandchildren the memories are often held by the mother A mother is a caretaker a best friend a source of sage like wisdom Losing her can be a traumatic experience In the Letting Go is not a guide through the stages of grief Instead it acts as a place of refuge for your memories and emotions It is a space where you are invited to discover solace through the experiences and feelings of others simple or profound A collection of quotations poems ancient proverbs and stories from the likes of Winston Churchill Madeleine L Engle and Jonathon Lazear himself this book acts as a companion to your grief whenever and wherever you might need it *Memories of the Heart* Beth Long, 2011-04-27 Hannah Fry's life has just changed in an instant When her husband of thirty three years is killed in a car accident she is overcome with fear anger and grief The fear of living without her husband is paralyzing The anger at him for abandoning her is overwhelming The grief of losing him forever is unbearable Worse yet Hannah cannot remember who she used to be As Hannah wonders what she will do with the rest of her life she is forced to face her one mortal enemy herself Left with only her memories and a closet full of his clothes Hannah begins questioning everything in her life her faith her past decisions and her uncertain future As she slowly emerges from the darkness and begins to move forward and search for her purpose in life Hannah finds an inner strength she never knew she possessed Boosted by the love of her children and grandchildren Hannah begins a journey of hope and healing that takes her full circle to the realization that nothing will ever have the power to take away her memories of the heart **Mother Heart Journey: Sakina Sario** Azhar ul Haque Sario, 2024-06-18 Mother Heart Journey
